Certificate of Compliance by Non-Participating Manufacturer Regarding Escrow Payment

GENERAL INFORMATION

What is the definition of a tobacco product manufacturer?

- Any entity that directly manufactures cigarettes anywhere that such manufacturer intends to be sold in the United States including cigarettes that are intended to be sold in the United States through an importer;
- The first purchaser anywhere for resale in the United States of cigarettes manufactured anywhere that the manufacturer does not intend to be sold in the United States; or
- A successor of any entity described above.

Any product containing the Surgeon General's warning is intended to be sold in the United States.

Who is required to file a certificate of compliance?

- Any tobacco product manufacturer that:
 - (1) sells cigarettes within the State of Indiana (whether directly or through any distributor, retailer, or similar intermediary) and
 - (2) has not become a participating manufacturer in the tobacco Master Settlement Agreement (the MSA).

If you satisfy these requirements, you must file a certificate of compliance to report the units of cigarettes manufactured by you and sold in the State of Indiana and pay the amount calculated into your qualified escrow fund. You may use this Model Certificate of Compliance to fulfill that obligation.

What is a qualified escrow fund?

A non-participating manufacturer required to file a certificate of compliance must establish a qualified escrow fund. This means an escrow arrangement with a U.S. federal or U.S. state-chartered financial institution having no affiliation with any tobacco product manufacturer and having assets of at least \$1,000,000,000, where such arrangement (1) requires that the financial institution hold the escrowed funds' principal for the benefit of the State of Indiana (and possibly other "Releasing Parties" as defined in the MSA) and (2) prohibits the non-participating manufacturer from using, accessing, or directing the use of the funds' principal except as consistent with Ind. Code § 24-3-3 et seq.

When is a certificate of compliance due?

Certificate of compliance are due on or before April 30th of the year following the sales year.

In 2021, a certificate of compliance is due April 30th for sales made January 1 – December 31, 2020.

When must I make my escrow payment?
