

This 9 lake paddle challenge will take you 5 miles across the park via nine connected kettle lakes. Take in this small boater's paradise while enjoying the natural landscape from the unique vantage point of your boat. Pick up a paddle map to guide you, take pictures along the way at the nine designated locations, and then show your photos to the staff at Park Headquarters. Upon completion, you can purchase your 9 Lake Challenge merchandise and be able to officially say...

I Paddled the Chain!

Post your photos of the challenge on our Facebook page, @chainolakessp!

Upon completion, you can purchase your official 9 Lake Challenge merchandise at Park Headquarters!
