

## Indiana Department of Veterans Affairs

### Military Family Relief Fund

The Military Family Relief Fund is designed to assist military families that are experiencing financial hardship, the funds are provided to assist these families in getting back on their feet. In combination with utilizing MFRF the Indiana Department of Veterans' Affairs offers several other services that will give the service member every opportunity to provide a steady life for their family.

The service member must be serving honorably or must have received an honorable discharge. Qualified Service Members may be eligible for the fund if they have at least 12-months of qualifying military service on their DD 214, and if a portion was served while on active duty during a time of national conflict or wartime. Your military service must have contributed to your current financial hardship.

The emergency grant may be used by the families for needs such as food, housing, utilities, medical services, basic transportation, child care, education, employment or workforce and other essential family support which have become difficult to afford. Grants will be determined on a case-by-case basis and may be awarded as a **one-time** emergency grant not to exceed \$2,500.00.
