Dear Sir or Madam:

This is to notify you pursuant to the Worker Adjustment Retraining and Notification Act (WARN), 29 U.S.C. § 2101, that Asbury Automotive Group, Inc. will furlough additional employees at its facility located at Bill Estes Chevrolet, 4105 W 96<sup>th</sup> Street, Indianapolis, IN 46268. Initially, the Company notified you that it furloughed employees on April 3, 2020. The Company will furlough additional employees effective May 1, 2020. This action will affect 11 employees at that time. Our present expectation is that the furlough will be temporary. Because we do not have a seniority policy, there are no seniority or bumping rights.

As you know, the COVID-19 virus recently reached pandemic proportions and the federal government and many states have declared a state of emergency. These sudden and unexpected circumstances adversely affected our business operations and, unfortunately, prevented us from providing notice sooner.

All of the information required by 20 CFR § 639.7(e) is available on site for your review.
