Amended Certification Regarding Eligibility  
To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. § 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on November 5, 2015 applicable to workers of Caterpillar Inc., Large Power Systems Division, including on-site leased workers from A TO Z Sheet Metal Inc., Advanced Technology Services, Inc., Aerotek Inc., Ageatia Technology Services, Inc., Amerit Consulting Inc., ATW Automation Inc., Automotive Robotics Inc., Axis Inc., Belcan Services Group, Butler America Inc., Cambric Corporation, Chemtool Incorporate, Christina Seward, Consulting Services of India Inc., Dilling Mechanical Contractors, Diversified Services Network Inc., Easi, LLC, Epitec, Inc., Eurest Dining Services, Geometric Americas Inc., Greenbush Industries, Horiba Automotive Test Systems Inc., Infotree Services Inc., Jessup Electronics, Kato Engineering, Kirby Risk Electrical Supply, Lancesoft Inc., Long Electric, Midwest Engineering Services, Inc., Midwest Engineering Services, Inc., Orbis/Menasha Corporation, Populus Group, PSeServ, Rapid Global Business Solutions, Inc., RFA Minnesota Engineering, Robert Half International (Accomtemp), Rockwell Automation, Rose International, Inc., Schilli Distribution Services Inc., Securitas Sec Svcs USA Inc., Servo Tech Inc., Sigmaxin Inc., SMF Inc., Tabs Technologies, TATA Technologies, Terex Utilities, Inc., ThyssenKrupp Industrial Services, University of Illinois, Vaco Nashville, LLC, Waldrich Coburg NC Inc., Work-Comp Management, and Xerox Corporation, Lafayette, Indiana.

The Department reviewed the certification for workers of the

subject firm. The workers firm is engaged in activities related to the supply of large engines.

The company reports that workers from Volt Management Corporation were employed on-site at Caterpillar Inc., Large Power Systems Division, Lafayette, Indiana. The Department has determined that these workers were sufficiently under subject firm operational control to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in production of large engines.

Based on these findings, the Department is amending this certification to include workers leased from Volt Management Corporation on-site at Caterpillar Inc., Large Power Systems Division, Lafayette, Indiana.

The amended notice applicable to TA-W-90,251 is hereby issued as follows:

"All workers from Caterpillar Inc., Large Power Systems Division, including on-site leased workers from A TO Z Sheet Metal Inc., Advanced Technology Services, Inc., Aerotek Inc., Ageatia Technology Services, Inc., Amerit Consulting Inc., ATW Automation Inc., Automotive Robotics Inc., Axis Inc., Belcan Services Group, Butler America Inc., Cambric Corporation, Chemtool Incorporate, Christina Seward, Consulting Services of India Inc., Dilling Mechanical Contractors, Diversified Services Network Inc., Easi, LLC, Epitec, Inc., Eurest Dining Services, Geometric Americas Inc., Greenbush Industries, Horiba Automotive Test Systems Inc., Infotree Services Inc., Jessup Electronics, Kato Engineering, Kirby Risk Electrical Supply, Lancesoft Inc., Long Electric, Midwest Engineering Services, Inc., Midwest Engineering Services, Inc., Orbis/Menasha Corporation, Populus Group, PSeServ, Rapid Global Business Solutions, Inc., RFA Minnesota Engineering, Robert Half International (Accountemps), Rockwell Automation, Rose International, Inc., Schilli Distribution Services Inc., Securitas Sec Svcs USA Inc., Servo Tech Inc., Sigmaxin Inc., SMF Inc., Tabs Technologies, TATA Technologies, Terex Utilities, Inc., ThyssenKrupp Industrial Services, University of Illinois, Vaco Nashville, LLC, Waldrich Coburg NC Inc., Work-Comp Management, Xerox Corporation, and Volt Management Corporation, Lafayette, Indiana, who became totally or partially separated from employment on or after January 1, 2014 through November 6, 2017, and all workers in the group threatened with total or partial separation from employment on November 6, 2015 through November 6, 2017, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended."

Signed in Washington, D.C. this 9th day of March, 2017

Certification Regarding Eligibility  
To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. § 2273, the Department of Labor herein presents the results of an investigation regarding certification of eligibility to apply for worker adjustment assistance.

The group eligibility requirements for workers of a firm under Section 222(a) of the Act, 19 U.S.C. § 2272(a), are satisfied if the following criteria are met:

(1) a significant number or proportion of the workers in such workers' firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) (B) (i) (I) there has been a shift by the workers' firm to a foreign country in the production of articles or supply of services like or directly competitive with those produced/supplied by the workers' firm; OR

(II) there has been an acquisition from a foreign country by the workers' firm of articles/services that are like or directly competitive with those produced/supplied by the workers' firm; AND

(ii) the shift/acquisition must have contributed importantly to the workers' separation or threat of separation.

The investigation was initiated in response to a petition filed on September 15, 2015 by workers of Caterpillar, Inc., Large Power Systems Division, Lafayette, Indiana (Caterpillar). The workers' firm is engaged in activities related to the production of large engines. The worker groups are not separately

identifiable by articles produced by the firm.

The subject worker group includes on-site leased workers from A TO Z Sheet Metal Inc., Advanced CAD/CAM Service Corporation, Advanced Technology Services, Inc., Aerotek Inc., Ageatia Technology Services, Inc., Amerit Consulting Inc., ATW Automation Inc., Automotive Robotics Inc., Axis Inc., Belcan Services Group, Butler America Inc., Cambric Corporation, Chemtool Incorporated, Christina Seward, Consulting Services of Indiana, Inc., Dilling Mechanical Contractors, Diversified Services Network, Inc., Easi, LLC, Epitec, Inc., Eurest Dining Services, Geometric Americas Inc., Greenbush Industries, Horiba Automotive Test Systems Inc., Infotree Service Inc., Jessup Electronics, Kato Engineering, Kirby Risk Electrical Supply, Lancesoft Inc., Long Electric, Midwest Engineering Services, Inc., Orbis/Menasha Corporation, Populus Group, PSeServ, Rapid Global Business Solutions, Inc., RFA Minnesota Engineering, Robert Half International (Accountemps), Rockwell Automation, Rose International, Inc., Schilli Distribution Services Inc., Securitas Sec Svcs USA Inc., Servo Tech Inc., Sigmaxim Inc., SMF Inc., Tabs Technologies, TATA Technologies, Terex Utilities, Inc., ThyssenKrupp Industrial Services, University of Illinois, Vaco Nashville, LLC, Waldrich Coburg NA Inc., Work-Comp Management Services, and Xerox Corporation.

During the course of the investigation, information was collected from the workers' firm.

Section 222(a)(1) has been met because a significant number or proportion of the workers in such workers' firm have become totally or partially separated, or are threatened to become totally or partially separated.

Section 222(a)(2)(B) has been met because the workers' firm has shifted to a foreign country the production of a(n) article like or directly competitive with the articles produced by the workers which contributed importantly to worker group separations at Caterpillar.

#### Conclusion

After careful review of the facts obtained in the investigation, I determine that workers of Caterpillar, Inc., Large Power Systems Division, Lafayette, Indiana, who are engaged in activities related to the production of large engines, meet the worker group certification criteria under Section 222(a) of the Act, 19 U.S.C. § 2272(a). In accordance with Section 223 of the Act, 19 U.S.C. § 2273, I make the following certification:

"All workers of Caterpillar, Inc., Large Power Systems Division, including on-site leased workers from A TO Z Sheet Metal Inc., Advanced CAD/CAM Service Corporation, Advanced Technology Services, Inc., Aerotek Inc., Ageatia Technology Services, Inc., Amerit Consulting Inc., ATW Automation Inc., Automotive Robotics Inc., Axis Inc., Belcan Services Group, Butler America Inc., Cambric Corporation, Chemtool Incorporated, Christina Seward, Consulting Services of Indiana, Inc., Dilling Mechanical Contractors, Diversified Services Network, Inc., Easi, LLC, Epitec, Inc., Eurest Dining Services, Geometric Americas Inc., Greenbush Industries, Horiba Automotive Test Systems Inc., Infotree Service Inc., Jessup Electronics, Kato Engineering, Kirby Risk Electrical Supply, Lancesoft Inc., Long Electric, Midwest Engineering Services, Inc., Orbis/Menasha Corporation, Populus Group, PSeServ, Rapid Global Business Solutions, Inc., RFA Minnesota Engineering, Robert Half International (Accountemps), Rockwell Automation, Rose International, Inc., Schilli Distribution Services Inc., Securitas Sec Svcs USA Inc., Servo Tech

Inc., Sigmaxim Inc., SMF Inc., Tabs Technologies, TATA Technologies, Terex Utilities, Inc., ThyssenKrupp Industrial Services, University of Illinois, Vaco Nashville, LLC, Waldrich Coburg NA Inc., Work-Comp Management Services, and Xerox Corporation, Lafayette, Indiana, who became totally or partially separated from employment on or after January 1, 2014, through two years from the date of certification, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended."

Signed in Washington, D.C. this 6th day of November 2015.
