Federal-Mogul Motorparts announced today, May 16, 2018 that it will cease operations at its 8325 N. Norfolk Street, Indianapolis Indiana, 46268, distribution facility.

Federal-Mogul Motorparts continues to realign its North American distribution network to meet customer needs within the North American automotive aftermarket. As a result, Federal-Mogul Motorparts has notified employees at its Indianapolis, Indiana, distribution center of its intention to close the facility over an approximate six-month period.

Approximately 73 hourly (includes Temps) and 10 salaried employees are affected by the announcement.

Since this action may be covered by the Workers Adjustment and Retraining Notification Act (WARN) Federal-Mogul is providing the following information:

1. Separation Period: Employee terminations will begin in Q3 2018 and are expected to end in Q1, 2019. Information concerning the timing of separations will be announced at a later date.
2. Statement Regarding Status of Planned Action: The entire plant will close and employment losses are expected to be permanent.
3. Company Contact Information: For information regarding the employees' upcoming terminations, please contact Elliott Adams, Distribution Center Manager at (317) 228-5309.

Please let me know if you have any questions or concerns.

Sincerely,

Elliott Adams
Distribution Center Manager, Indianapolis, IN
