RE: Reopening of Image One, LLC

To Whom It May Concern:

This is a follow up to our letter to you of March 25, 2020. As a result of some changes in current conditions, we tentatively have recalled 101 of our laid off employees at our AI Innovations facility located at 7795 N 200 W McCordsville, IN 46055 on or before 04/07/2020.

This decision is based, in part, on recent legislation, including the Paycheck Protection Program of the CARES Act and other remedial measures that have been adopted by the state and federal governments to assist businesses like ours. As you know, this situation remains dynamic and circumstances may continue to change which could cause us to re-evaluate and modify this decision. Should that happen, we will let you know as soon as possible.

For further questions and information, please contact Linda Eilmann, HR Director at Image One, LLC at linda.eilmann@aiinnovations.com or phone at 317-576-2622.

Sincerely,
