

INDUSTRY CERTIFICATIONS FOR REMOVAL AND FURTHER EXPLORATION 2019-2020

REMOVED INDUSTRY CERTIFICATIONS BY SECTOR 2019-20

ARCHITECTURE AND CONSTRUCTION

REASON FOR REMOVAL:

Interior Design Fundamentals (Pre-Pac)	Not valued by industry
MSSC Forklift Certification	Wrong cert for this category and is deemed not necessary in manufacturing
Certificate for Apartment Maintenance Technician (CAMT)	No postsecondary transference and unattainable in high school

BUSINESS, MARKETING AND ENTREPRENEURSHIP

Customer Service Professional (TSIA CSP 1)	No value from employers. This is for companies more than for individuals; duplicative of CBP certs.
Advanced Customer Service and Sales (NRF Foundation)	No value from employers
Certified Business Professional	No value to employers.

EDUCATION AND TRAINING

Early Childhood Education Certification (PrePAC)	No employer value. They value the CDA
Educational Fundamentals Certification (PrePAC)	No employer value
Family and Community Services Certification (PrePac)	No employer value

HOSPITALITY AND HUMAN SERVICES

Culinary Arts Assessment (PrePAC)	Duplicative of Prostart, which is more valued by industry
-----------------------------------	---

INFORMATION TECHNOLOGY

Certified Novell Administrator	The certification was discontinued in 2010
IC3 Digital Literacy	Not valued by employers. Does not bring employment; spoke with Certiport reps re: value to employers
Microsoft Certified Solutions Associate (MCSA)	Lack of transference to post secondary
Microsoft Certified Solutions Expert (MCSE)	Lack of transference to post secondary
Microsoft Technology Associate (MTA)	Lack of transference to post secondary

ADVANCED MANUFACTURING

Global Logistics Associate	Discontinued when 2 associations merged; and we now have MSSC CLT
----------------------------	---

PUBLIC SAFETY

Association of Public Safety Communications Officials International	Employer group said it is the same as IAED cert, but much more expensive. Remove and go with the other, more affordable cert.
