**Re: Announcement of Facility Closure**

Dear Sir or Madam:

Pursuant to 29 U.S.C. Section 2102(a)(2), I am writing on behalf of Koontz-Wagner Custom Controls Holdings, LLC (the "Employer"), to give you notice that there will be a total closure of the Employer's facility located at 3801 Voorde Drive, Suite A, South Bend, Indiana 46628 (the "Facility"). The Facility is expected to close permanently on July 11, 2018. The Facility closure is expected to affect 104 employees.

All affected employees have been notified of their separation dates and that their separation from employment will be permanent. Those employees are expected to be separated from employment on July 11, 2018. There will not be any bumping rights for the affected employees, that is, employees will not be able to displace more junior employees out of their job positions as a result of the closure.

The Company has notified Mr. Bill Scally, Business Manager, of IBEW, Local 1392, of this information at the following address: 56436 Strasser, South Bend, Indiana 46619.

If you have questions or want additional information concerning this matter, please contact me at 770.879.4189.

Sincerely,

Charles E. Wheelock
