RE: WARN Notification by LGSTX Distribution Services

Dear Sirs:

The purpose of this letter is to give you notice that LGSTX Distribution Services will be losing our contract with the United States Postal Service effective September 30, 2018. However, the successor contractor, Alan Ritchie, Inc., will offer continued employment to all of our employees as required by Executive Order 13495 and the Service Contracts Act. The effected employees will begin working for Alan Ritchie effective the very next day; October 1, 2018. There will be no employment loss or mass layoff, however, I have been advised by Counsel that it would be best to notify you, regardless.

We were only notified by the US Postal Service of our loss of the contract on August 29, 2018, which is the reason that I am not able to give you the required 60 days notice. We have already begun working with the successor contractor to ensure a smooth transition for our employees.

I have enclosed a list of our hourly employees, along with their job titles.

The location of our facility is:  
2475 Hoffman Rd.  
Indianapolis, IN 46241

This notice is being provided to you pursuant to the Worker Adjustment and Retraining Notification Act of 1988, which requires employers to give official notice to certain government units or officials of a pending mass layoff. If you have questions, please contact me at 937-725-6676.

Sincerely,

A handwritten signature in cursive script that reads "Steve Sager".

Steve Sager  
Director of Human Resources
