To whom it may concern,

Schneider Electric has developed plans to implement a permanent closure at the facility located at 252 N Tippecanoe Street, Peru, IN 46970. Consistent with these plans, employment separations are expected to commence on or about July 12, 2019. We anticipate that these changes, when finalized, would be permanent.

The Company anticipates that a group of affected employees will be separated from employment during a 14-day period beginning on July 12, 2019. Additional employment separations are scheduled to occur thereafter. A list of job titles and the number of employees currently holding affected positions accompanies this letter as Attachment A.

Affected employees are represented by International Association of Machinists and Aerospace Workers. Bumping rights are available as defined in the collective bargaining agreement.

This announcement and the above timetable are based on the best information currently available. However, various factors may still affect the timing of any employment terminations. We will inform you of any significant changes in these plans as additional information becomes available.

If you have any questions or desire additional information, please contact Aide Martinez, HR Manager, at (765) 472-6408 and located at 252 N. Tippecanoe Street, Peru, IN 46970.

Very truly yours,

Schneider Electric
