

CHILD OUTCOMES SKILL INVENTORY - EXIT

State Form 55620 (9-14)

This form does not substitute for the Child Discharge Progress Report.

Child outcome data is a required federal indicator in the Annual Progress Report (APR). The IFSP Team should work together to complete one (1) form for the child. The form should be completed forty-five (45) days prior to the child's third (3rd) birthday or scheduled discharge from services. The completed form is sent to the Service Coordinator in one (1) electronic transmission, thirty (30) days prior to the child's third (3rd) birthday/discharge or within two (2) weeks of termination for children with an unplanned exit from First Steps.

Name of child			FS number	Date (month, day, year)
Date of birth (month, day, year)	Age	Adjusted? <input type="checkbox"/> Yes <input type="checkbox"/> No	Name of Service Coordinator	
Completed by			Name of agency	

Place a check in the appropriate column for each item listed. All items must be scored.

- *Not Yet Seen = This skill item was not observed/reported by parent or it is not yet appropriate for the child's age.*
- *Emerging = Some elements of the skill are present, but not complete or consistent across people and settings.*
- *Mastered = This skill item was observed /reported by the parent and it is consistently performed, across people and settings.*

**Parent report may be used; please indicate with an R when parent report is used in the Notes section.*

ITEM	NOT YET SEEN	EMERGING	MASTERED	NOTES
Simultaneously brings hands to midline				
Brings two (2) objects together at or near midline
