Some items are available while supplies last. Prices quoted are FOB from our warehouse in FL. Lead times may vary due to the volume of orders received. Prices may be subject to change.

As states are starting to ease restrictions, we are seeing an increase in calls for our back-to-school items as well as hygiene kits. We have a large inventory of school supplies kits, hygiene kits, and backpacks from which to choose. With the new additions of name brand, top quality supplies along with our own Kool Tools upgraded products, D & W Sourceall is second to none when it comes to delivering the best quality products at the best prices.

To ease the burden of you having to assemble the school supplies with continued social distancing measures in place, we are pleased to offer pre-assembled school supplies kits and hygiene kits.

Please see our complete selection of back-to-school items, hygiene kits, and more on our website [www.dwsorceall.com](http://www.dwsorceall.com) Email or call for quote. Pricing list below.
