ISDH webinar – COVID-19 infection control in assisted living and home-based residential services

In partnership with the Indiana State Department of Health, the Division of Aging and Division of Disability and Rehabilitative Services are pleased to share an upcoming webinar on infection control for assisted living and home-based residential services.

ISDH will be hosting the webinar on Tuesday, March 31, 2020, at 11 a.m. EDT. The webinar will include education and Q&A sessions on infection control practices for professionals in home-based, residential settings serving all age groups.
