Original Message

The Division of Disability and Rehabilitative Services is committed to working collaboratively with case managers and providers during this extraordinary time. We appreciate the hands-on and coordinated efforts and responses our case managers and providers have demonstrated. As part of this commitment, DDRS will be hosting a Provider Webinar on Friday, March 20th from 2 pm to 3 pm (EDT). The webinar will include updates from First Steps, the Bureau of Rehabilitation Services, and the Bureau of Developmental Disabilities Services outlining general provider expectations and specific guidance for common issues / questions.

The webinar will be held via WebEx and can be accessed using the following link. Please note – the capacity for the webinar is limited to 200 individuals. With this in mind, we encourage providers to limit their participation to one individual/line to allow for maximum participation. For those individuals unable to access the webinar, it will be recorded and posted to the BDDS COVID-19 web page.

To participate in the webinar on **Friday, March 20, 2020, at 2 pm EDT**, please register at
