Indicator 1: Percent of infants and toddlers with IFSPs who receive the early intervention services on their IFSPs in a timely manner. (20U.S.C. 1416(a)(3)(A) and 1442). Indiana defines timely as within 30 days of the parent signature on the IFSP or change page.

Family reasons for delay of timely services are included in the total number of IFSPs reviewed and does not count against the SPOE. Family late starts are included in the number of services over 30 days if applicable.
