### 2. Representations and Warranties of the Grantee.

The Grantee expressly agrees to promptly repay all funds paid to it under this Grant Agreement should it be determined either that it was ineligible to receive the funds, or it made any material misrepresentation on its grant application.

B. The Grantee certifies by entering into this Grant Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Grant Agreement by any federal or state department or agency. The term “principal” for purposes of this Grant Agreement is defined as an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

**4. Term.**

This Grant Agreement commences on \_\_\_\_\_ and shall remain in effect through \_\_\_\_\_. Unless otherwise provided herein, it may be extended upon the written agreement of the parties and as permitted by state or federal laws governing this Grant.

**5. Grant Funding.**

A. The State shall fund this Grant in the amount of \$\_\_\_\_\_. The approved Project Budget is set forth as **Exhibit \_\_\_\_\_** of this Grant Agreement, attached hereto and incorporated herein. The Grantee shall not spend more than the amount for each line item in the Project Budget without the prior written consent of the State, nor shall the Project costs funded by this Grant Agreement and those funded by any local and/or private share be changed or modified without the prior written consent of the State.

B. The disbursement of Grant funds to the Grantee shall not be made until all documentary materials required by this Grant Agreement have been received and approved by the State and this Grant Agreement has been fully approved by the State.

**6. Payment of Claims.**

A. If advance payment of all or a portion of the Grant funds is permitted by statute or regulation, and the State agrees to provide such advance payment, advance payment shall be made only upon submission of a proper claim setting out the intended purposes of those funds. After such funds have been expended, Grantee shall provide State with a reconciliation of those expenditures. Otherwise, all payments shall be made thirty five (35) days in arrears in conformance with State fiscal policies and procedures. As required by IC § 4-13-2-14.8, all payments will be by the direct deposit by electronic funds transfer to the financial institution designated by the Grantee in writing unless a specific waiver has been obtained from the Indiana Auditor of State.

B. Requests for payment will be processed only upon presentation of a Claim Voucher in the form designated by the State. Such Claim Vouchers must be submitted with the budget expenditure report detailing disbursements of state, local and/or private funds by project budget line items.

C. The State may require evidence furnished by the Grantee that substantial progress has been made toward completion of the Project prior to making the first payment under this Grant. All payments are subject to the State’s determination that the Grantee’s performance to date conforms with the Project as approved, notwithstanding any other provision of this Grant Agreement.

D. Claims shall be submitted to the State within **Sixty (60)** calendar days following the end of the [month/quarter] in which work on or for the Project was performed. The State has the discretion, and reserves the right, to NOT pay any claims submitted later than **Sixty (60)** calendar days following the end of the month in which the services were provided. All final claims and reports must be submitted to the State within **Sixty (60)** calendar days after the expiration or termination of this agreement. Payment for claims submitted after that time may, at the discretion of the State, be denied. Claims may be submitted on a [monthly or semi-monthly basis] only. If Grant funds have been advanced and are unexpended at the time that the final claim is submitted, all such unexpended Grant funds must be returned to the State.

E. Claims must be submitted with accompanying supportive documentation as designated by the State. Claims submitted without supportive documentation will be returned to the Grantee and not processed for payment. Failure to comply with the provisions of this Grant Agreement may result in the denial of a claim for payment.

## 7. Project Monitoring by the State.

The State may conduct on-site or off-site monitoring reviews of the Project during the term of this Grant Agreement and for up to ninety (90) days after it expires or is otherwise terminated. The Grantee shall extend its full cooperation and give full access to the Project site and to relevant documentation to the State or its authorized designees for the purpose of determining, among other things:

- A. whether Project activities are consistent with those set forth in **Exhibit \_\_\_\_\_**, the Grant Application, and the terms and conditions of the Grant Agreement;
- B. the actual expenditure of state, local and/or private funds expended to date on the Project is in conformity with the amounts for each Budget line item as set forth in **Exhibit \_\_\_\_\_** and that unpaid costs have been properly accrued;
- C. that Grantee is making timely progress with the Project, and that its project management, financial management and control systems, procurement systems and methods, and overall performance are in conformance with the requirements set forth in this Grant Agreement and are fully and accurately reflected in Project reports submitted to the State.

## 8. Compliance with Audit and Reporting Requirements; Maintenance of Records.

A. The Grantee shall submit to an audit of funds paid through this Grant Agreement and shall make all books, accounting records and other documents available at all reasonable times during the term of this Grant Agreement and for a period of three (3) years after final payment for inspection by the State or its authorized designee. Copies shall be furnished to the State at no cost

B. If the Grantee is a “subrecipient” of federal grant funds under 2 C.F.R. 200.330, Grantee shall arrange for a financial and compliance audit that complies with 2 C.F.R. 200.500 *et seq.* if required by applicable provisions of 2 C.F.R. 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements).

C. If the Grantee is a non-governmental unit, the Grantee shall file the Form E-1 annual financial report required by IC § 5-11-1-4. The E-1 entity annual financial report will be used to determine audit requirements applicable to non-governmental units under IC § 5-11-1-9. Audits required under this section must comply with the State Board of Accounts *Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources*, [https://www.in.gov/sboa/files/erfa\\_2016.pdf](https://www.in.gov/sboa/files/erfa_2016.pdf). Guidelines for filing the annual report are included in **Exhibit \_\_\_\_\_** (Guidelines for Non-governmental Entities).

## 9. Compliance with Laws.

A. The Grantee shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Grant Agreement shall be reviewed by the State and the Grantee to determine whether the provisions of this Grant Agreement require formal modification.

B. The Grantee and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC § 4-2-6, *et seq.*, IC § 4-2-7, *et seq.* and the regulations promulgated thereunder. **If the Grantee has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Grant, the Grantee shall ensure compliance with the disclosure requirements in IC § 4-2-6-10.5 prior to the execution of this Grant Agreement.** If the Grantee is not familiar with these ethical requirements, the Grantee should refer any questions to the Indiana State Ethics Commission, or visit the Inspector General’s website at

<http://www.in.gov/ig/>. If the Grantee or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Grant immediately upon notice to the Grantee. In addition, the Grantee may be subject to penalties under IC §§ 4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.

C. The Grantee certifies by entering into this Grant Agreement that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments to the State. The Grantee agrees that any payments currently due to the State may be withheld from payments due to the Grantee. Additionally, payments may be withheld, delayed, or denied and/or this Grant suspended until the Grantee is current in its payments and has submitted proof of such payment to the State.

D. The Grantee warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Grantee agrees that the State may suspend funding for the Project. If a valid dispute exists as to the Grantee's liability or guilt in any action initiated by the State or its agencies, and the State decides to suspend funding to the Grantee, the Grantee may submit, in writing, a request for review to the Indiana Department of Administration (IDOA). A determination by IDOA shall be binding on the parties. Any disbursements that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest.

E. The Grantee warrants that the Grantee and any contractors performing work in connection with the Project shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Grant Agreement and grounds for immediate termination and denial of grant opportunities with the State.

F. The Grantee affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

G. As required by IC § 5-22-3-7:

or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.

B. The Grantee certifies that it has verified the suspension and debarment status for all subcontractors receiving funds under this Grant Agreement and shall be solely responsible for any recoupments or penalties that might arise from non-compliance. The Grantee shall immediately notify the State if any subcontractor becomes debarred or suspended, and shall, at the State's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Grant Agreement.

## **11. Drug-Free Workplace Certification.**

As required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana, the Grantee hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. - D. Notifying in writing the State within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction; and
- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and

The Grantee shall maintain this certification throughout the duration of the term of a contract with a contractor.

The State may terminate for default if the Grantee fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

Pursuant to the Indiana Civil Rights Law, specifically IC § 22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the Grantee covenants that it shall not discriminate against any employee or applicant for employment relating to this Grant with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee or

Furthermore, Grantee certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services.

A. Failure to complete the Project and expend State, local and/or private funds in accordance with this Grant Agreement may be considered a material breach, and shall entitle the State to suspend grant payments, and to suspend the Grantee's participation in State grant programs until such time as all material breaches are cured to the State's satisfaction.

B. The expenditure of State or federal funds other than in conformance with the Project or the Budget may be deemed a breach. The Grantee explicitly covenants that it shall promptly repay to the State all funds not spent in conformance with this Grant Agreement.

**21. Termination for Convenience.**

Unless prohibited by a statute or regulation relating to the award of the Grant, this Grant Agreement may be terminated, in whole or in part, by the State whenever, for any reason, the State determines that such

If part of this Grant involves the payment of federal funds, the Grantee and, if applicable, its contractors shall comply with the federal provisions attached as **Exhibit \_\_\_\_** and incorporated fully herein.

## **23. Confidentiality, Security and Privacy of Personal Information.**

- A. Terms used, but otherwise not defined in this Grant shall have the same meaning as those found in 45 CFR Parts 160, 162, and 164.

Further:
  - 1) Grantee will not use or further disclose PHI or PII except as expressly permitted by this Grant or as required by law. Grantee understands that this prohibition expressly applies to any information provided by the Social Security Administration, directly or through the State. It is further provided that nothing in this Grant shall be construed to permit Grantee use or disclose PHI in a manner that would violate the provisions of the HIPAA Privacy Rule as such Rule applies to the State with regard to the Services performed by Grantee under this Grant or otherwise cause the State to be non-compliant with the HIPAA Privacy Rule.
  - 2) Grantee understands it must fully comply with the HIPAA Security Rule and will employ appropriate and compliant safeguards to reasonably prevent the use or disclosure of PHI and PII other than as permitted by this Grant or required by the HIPAA Privacy Rule. Such safeguards will be designed, implemented, operated, and managed by Grantee at Grantee's sole expense and following the Grantee's best professional judgment regarding such safeguards. Upon the State's reasonable request, Grantee will review such safeguards with the State. - 1) Grantee understands that it is subject to the HIPAA Breach Rule.
- 2) For the purposes of this Grant, the term Breach has the same meaning as defined in the HIPAA Breach Rule. The term “Security Incident” shall mean an action or event that has resulted in the improper use or disclosure of PHI or PII in Grantee’s safekeeping (in violation of this Grant and/or in violation of the HIPAA Privacy Rule), the reasonable possibility or suspected possibility that an improper use or disclosure of PHI or PII may have occurred, or circumstances in which PHI or PII has been exposed to an opportunity for improper use or disclosure.
- 3) If a Security Incident occurs or if Grantee suspects that a Security Incident may have occurred with respect to PHI and/or PII in Grantee’s safekeeping:
  - a) Grantee shall notify the State of the Security Incident within one (1) business day of when Grantee discovered the Security Incident; such notification shall be made to the FSSA Privacy & Security Office in a manner reasonably prescribed by the FSSA Privacy & Security Officer and shall include as much detail as the Grantee reasonably may be able to acquire within the one (1) business day.
  - b) For the purposes of such Security Incidents, “discovered” and “discovery” shall mean the first day on which such Security Incident is known to the Grantee or, by exercising reasonable diligence, would have been known to the Grantee. Regardless of whether the Grantee failed to exercise reasonable diligence, improperly delaying the notification of discovery beyond the one day requirement, the Grantee will notify the FSSA Privacy & Security Office within one day of gaining actual knowledge of a breach.
  - c) In collaboration with the FSSA Privacy & Security Office, Grantee shall undertake all commercially reasonable efforts necessary to thoroughly investigate the Security Incident and to provide all results of such investigation to the FSSA Privacy & Security Office, including but not limited to Grantee personnel involved, source and cause of the Security Incident, specific information disclosed, disclosure victims (those whose PHI/PII was disclosed), disclosure recipients, supporting materials, actions taken to mitigate or stop the Security Incident, and similar details.
  - d) Grantee’s investigation must be undertaken expeditiously and completed to the extent that a determination of whether a Breach has occurred can be reasonably made, including the identification of the victims or likely victims, within a reasonable timeframe as mutually agreed upon with the FSSA Privacy & Security Office, from the date of discovery of the Security Incident. Grantee shall provide details of its investigation to the FSSA Privacy & Security Office on an ongoing basis until the investigation is complete.
  - e) Grantee and the FSSA Privacy & Security Office will collaborate on the results of Grantee’s investigation; the determination as to whether a Breach has occurred rests solely with the FSSA Privacy & Security Office.
  - f) If it is determined by the FSSA Privacy & Security Office that a Breach has occurred:
    - (i) Grantee agrees that it shall be responsible for, including all costs with respect to, fulfilling the State’s and/or Grantee’s obligations for notice to all of the known and suspected victims of the Breach. Such notice shall comply with the HIPAA Breach Rule notification requirements and/or applicable notification requirements under State law.
    - (ii) Grantee further agrees that such notification will be made under its name, unless otherwise specified by the FSSA Privacy & Security Office. Grantee will coordinate its Breach notification efforts with the FSSA Privacy & Security Office; the FSSA Privacy & Security Office will approve Grantee’s Breach notification procedures and plans, including the format and content of the notice(s) prior to such notification being made.
    - (iii) Grantee accepts full responsibility for the Breach and any resulting losses or damages incurred by the State or any victim of the Breach.

- (iv) Grantee will undertake all commercially reasonable efforts necessary to mitigate any deleterious effects of the Breach for the known and suspected victims of the Breach.
  - (v) The State, through the FSSA Privacy & Security Office, will make the appropriate notifications to HHS and/or the applicable State agencies with respect to the Breach, unless the Grantee is directed to do so by the FSSA Privacy & Security Office.
  - g) Grantee will undertake commercially reasonable corrective actions to eliminate or minimize to the greatest degree possible the opportunity for an identified Security Incident to reoccur and provide the FSSA Privacy & Security Office with its plans, status updates, and written certification of completion regarding such corrective actions.
- G. Subcontractors. Grantee agrees that in accordance with the HIPAA Privacy Rule any subcontractors engaged by Grantee (in compliance with this Grant) that will create, receive, maintain, or transmit State PHI/PII on Grantee's behalf will contractually agree to the same restrictions, conditions, and requirements that apply to Grantee with respect to such PHI/PII.
- H. Access by Individuals to their PHI. Grantee acknowledges that in accordance with the HIPAA Privacy Rule individuals for whom Grantee has direct possession of their PHI on the State's behalf have the right to inspect and amend their PHI, and have the right for an accounting of uses and disclosures of such PHI, except as otherwise provided therein. Grantee shall provide such right of inspection, amendment, and accounting of disclosures to such individuals upon reasonable request by the State (or by such individuals if the State directly refers such individuals to Grantee). In situations in which Grantee does not have direct possession of such PHI, then the State shall be responsible for such inspection, amendment, and accounting of disclosures rights by individuals.
- I. Access to Records. Grantee shall make available to HHS and/or the State, Grantee's internal practices, books, and records relating to the use and disclosure of PHI and PII provided to Grantee by the State or created, received, maintained, or transmitted by Grantee on the State's behalf. Grantee shall promptly inform the State by giving notice to the FSSA Privacy & Security Office of any request by HHS (or its designee) for such internal practices, books, and/or records and shall provide the State with copies of any materials or other information made available to HHS.
- J. Return of Protected Health Information. Upon request by the State or upon termination of this Grant, Grantee will, at the State's sole option, either return or destroy all copies of any PHI or PII provided to Grantee by the State, including PHI or PII created, received, maintained, or transmitted by Grantee on the State's behalf and Grantee shall warrant in writing that it has returned or destroyed such PHI and/or PII. Further, upon termination of this agreement Grantee will not retain any copies of any such PHI and PII and shall warrant same in writing.
- K. At the sole discretion of the State, the State may terminate this Grant for Grantee's material breach of this Section.
- L. Grantee agrees to participate in a disaster recovery plan, as appropriate to the Grantee's Services, as determined by the State to be necessary to uphold integral business functions in the event of an unforeseen disaster.
- M. Drug and Alcohol Records. In the performance of the Services under this Grant, Grantee may have access to confidential information regarding alcohol and drug abuse patient records. Grantee agrees that such information is confidential and protected information and promises and assures that any such information, regardless of form, disclosed to Grantee for the purposes of this Grant will not be disclosed or discussed with others without the prior written consent of the State. The Grantee and the State will comply with the applicable requirements of 42 CFR Part 2 and any other applicable federal or state law or regulatory requirement concerning such information.
