As DDRS prepares for the May Stakeholder Meeting, please take a moment to share your DDRS success stories at [DDRSSuccessStories@fssa.in.gov](mailto:DDRSSuccessStories@fssa.in.gov). Your story may be featured at the meeting and/or through other DDRS communications. We are particularly interested in stories that demonstrate how collaboration between system stakeholders has resulted in positive outcomes for individuals served by DDRS.

We look forward to hearing about your success stories and seeing you in May!

*\* Please note - during the January Quarterly DDRS Stakeholder Meeting, we indicated that the next meeting would be held on April 24. Due to a lack of room availability for that date, we are moving the next Quarterly DDRS Stakeholder Meeting to May 1.*
