

Agenda Item #7

2020 AMENDED PROPOSAL

Approved by the Standardbred Breed Development Advisory Committee on 5/20/2020.

Earlier this year, the Standardbred Breed Development Advisory Committee and Advisory Board worked hard to put a proposal together encompassing plans for increased revenues from the addition of table games. However, due to the Covid-19 pandemic loss revenue from casino closures and adjusted revenue once reopened has caused us to revisit and amend original program we had proposed for 2020. Due to reduced funding, the Standardbred Breed Development Fund faced over a 33.68% reduction in revenue. The IHRC staff, Standardbred Committee and Advisory Board worked closely with racetrack management and ISA to create a workable program during these unprecedented times. This document outlines this amended program.

Overview of 2020 Program *(Modifications made in bold)*

Indiana Sires Stakes

Significant changes were made to the structure of the Indiana Sires Stakes program for 2019, and the new structure worked well. Overall, the program paid out over \$8.8 million in purses, an increase of over \$1 million from the amount paid in 2018. We would like to continue with this structure, only making minor improvements. The 2020 Indiana Sires Stakes Program will feature:

- Six legs for 2-Year-Olds leading up to a \$250,000 Super Final
- Seven legs for 3-Year-Olds leading up to a \$250,000 Super Final – one leg was cancelled due to reduced funding.
- Super Final Participants finishing 6th through 10th will receive a \$4,000 purse payout each for earning their way into Super Finals
- \$25,000 consolations for all two and three year old categories.

Funding for the program will be structured as follows:

- Nomination fees will be retained by the Breed Development Fund. Nomination fees will remain at \$500.
- Entry fee for each leg will be \$500.
- There will not be an entry fee required for the Super Final.

- Breed Development will fund the purse, \$250,000 for the Super Final (for top ten horses from Leg Finals) plus the \$4,000 each 6th through 10th place finisher will receive. For a total payout of \$270,000.
- In legs with a field of 11 starters, an additional 6% of the purse will be paid with 3% to the sixth place finisher, 2% to the seventh place finisher, 1% to the eighth place finisher.
- Hoosier Park agrees to write overnight races for Sires Stakes eligible horses to provide additional racing opportunities. These races will run concurrent with the Sires Stakes program. Breed Development will earmark a minimum of \$500,000 from the funds allocated for IS Overnight/Mini Series Budget.

Indiana Sired Overnight Supplements/Mini Series

Keep format of this program the same, however total amount available is **\$1,935,000**.

- Overnight races which fill with all Indiana Sired (or ISB) horses will be boosted by 15%.
- Hoosier Park will be allocated **\$1,935,000** to fund overnight races/mini series which fill with all Indiana Sired horses. Once this allocation is met, the race track purse account will be responsible for funding any remaining races.
- Hoosier Park agrees to write overnight races for Sires Stakes eligible horses to provide additional racing opportunities. These races will run concurrent with the Sires Stakes program. Breed Development will earmark a minimum of \$500,000 from the funds allocated for IS Overnight/Mini Series Budget.

Indiana Sired Late Closers

- Total BDF Payout for Indiana Sired Late Closers - **\$150,000**
- Purse Account contribution to remain at \$4,000 per leg
- **Four late closing events which nomination payments have already been taken are kept, however the number of legs have been reduced from 2 to 1 to accommodate the shortened race meet. The remaining late closers have been cancelled, with Hoosier Park agreeing to write overnight events for these same classification. This will allow horsemen to still race in these events without the expense of an entry fee as well as allowing the track flexibility in scheduling. The funds allocated for these events have been moved to the Indiana Sired Overnight Supplement.**

- **Contesting of 12 fair programs leading up to the finals held at the completion of the fair season at the Indiana State Fairgrounds.**
- **Elimination of series two for 2020.**
- **Elimination of overnight races added for 2020.**
- **Modify the number of starts required to enter Championship/Consolation races from 7 to 6.**

Agenda Item #10

May 12, 2020

Chairman Phillip Borst, DVM
Vice Chairman Greg Schenkel
Member Susie Lightle
Member Bill McCarty
Member George Pillow
1302 N. Meridian St.
Indianapolis, IN 46202

Chairman Borst and members of the IHRC,

Indiana Grand, the Indiana HBPA and the QHRAI respectfully request the approval of the IHRC on a reduction of the takeout on Pick 5 wagering to 11.99% for the 2020 racing season. This reduction would be in effect for only the Pick 5 as a marketing promotion and in an attempt to stimulate wagering from off-track wagering locations.

As a group we believe that we have an opportunity in the upcoming racing season to be a significant factor on the national simulcasting scene. The request to lower the takeout on the Pick 5 to an "Industry Low 11.99%" is something we believe will catch the attention of horse bettors around the country and give Indiana Grand another tool in marketing our product. The increased exposure should lead to more wagering which is beneficial for all parties.

Thank you for your consideration.

Sincerely,

Eric Halstrom
VP and GM of Racing, Indiana Grand Racecourse and Casino

Joe Davis
President, Indiana HBPA

Paul Martin
President, QHRAI

Agenda Item #13

January 20, 2020

Ms. Deena Pitman
Executive Director
Indiana Horse Racing Commission
1302 N. Meridian St., Suite 175
Indianapolis, Indiana 46202

Dear Deena,

Thank you so much for taking the time to meet with us last Monday. As discussed, we would like to substitute a number of items from the approved 2020 equipment list with improved versions of what was originally called for that we feel will better suit the needs of the property and will perform all tasks in a safer manner.

Specifically, we would like to switch out the Tractor Attachments and mowers from the approved equipment list with a John Deere mower and Ventrac tractor with attachments. As you will see I have included a list of the approved items that total \$73,347 and the replacement items that total \$76,500. I have also included pictures of the replacement items.

As far as the Generator/Welder and the four Shuttle buses that are included on the 2020 equipment list, there would be no changes requested and we would look to purchase these items in the very near future.

We would like to thank you for your consideration in this request.

Sincerely,

Rick Moore
Vice President and General Manager of Racing

Good afternoon, Deena,

As a follow-up to your email of this morning I wanted to share recent correspondence between ISA President Joe Putnam and myself regarding substitutions to the Equipment List that you will find below. We certainly agree with you on the importance of communicating with our horsemen in the “spirit of collaboration” as you well-stated.

Once again, we would like to thank you for your consideration of our requests.

Respectfully,

Rick

Hi Joe!

Attached you will find a highlighted list of equipment that HHP has agreed to purchase as part of the 15-year Capital equipment list that Caesars signed off on as part of the Final Order. We would like to make slight variations to this list as you will also see attached on the following page as well as pictures of each piece of equipment. We think this set of equipment will be more beneficial in keeping our grounds as beautiful as possible.

We are planning on submitting these changes to the IHRC for approval but wanted to see if you would be in agreement before we made our request.

Thank you for your time.

Rick

Executive Director

Dear Executive Director Pitman:

As discussed in our meeting on January 13th, Indiana Grand would like to propose a substitution within the approved 2020 capital plan. In reviewing the approved 2020 capital plan for Indiana Grand there are currently eight shuttle buses listed for purchase. Indiana Grand currently has eight shuttles. However, two shuttles are less than a year old and are not in need of replacement. Instead of spending money on replacing two new shuttle buses that will provide minimal impact to the racing business, the property would like to substitute the spend to purchase items that will have a larger impact on racing. Indiana Grand has two generators that support the racetrack lighting that are nearing end of life. The property would like to replace these generators in 2020. Additionally, Indiana Grand has the opportunity to improve the tote board indication (the electronic lights showcasing the odds/pools of each race) on both the main tote board and the paddock board.

The cost is as follows:

- 1) Generators for Race Track Lighting: \$110K (\$55K a piece)
- 2) Tote Board Indication: \$90K

The total for the two proposed projects is \$200K. We propose substituting two shuttle buses at a cost of \$93K a piece (or \$186K in total) for the two projects noted above that would cost \$200K. Indiana Grand would actually be spending more capital in 2020 by purchasing the generators and revamping the tote board indication. It is important to note that the property would still purchase six brand new shuttle buses in 2020 which is more than enough based on current shuttle needs. We ask that the commission consider this request for approval of this substitution.

Sincerely,

Deena, we had a board meeting last night and they were told that Caesar's was requesting to purchase only 6 buses and were going to use the money for the other two buses to go towards fixing the tote board and purchasing two new generators with the commissions approval. No one said anything or objected to that.

Yes. Mr. Rich did propose to the IHBPA the substitution of Cap Ex from (2) shuttle buses to making improvements to the infield and paddock video boards in which the IHBPA agreed was better use of the monies.

Thank you for your inquiry!

Brian, I'm just touching base to confirm that Mike Rich has spoken with the IHBPA regarding the racetracks request to substitute some required equipment purchases with other items they feel are more necessary for the 2020 race meet.

If you would please send me a return email acknowledging he has reached out to you regarding the requested change and your organization's agreement or concerns regarding that request, I would appreciate it. Thank you. ~Deena
