#### SECTION 14. 71 IAC 7-3-7 IS AMENDED TO READ AS FOLLOWS:

71 IAC 7-3-7 Driving rules

Authority: IC 4-31-3-9

Affected: IC 4-31

Sec. 7. (a) ~~Although a leading horse is entitled to any part of the track,~~ **A leading horse is not to be more than four (4) feet from the inside rail/pylons except after selecting its position in the home stretch.** Neither the driver of the first horse ~~or~~ **nor** any other driver in the race shall do any of the following, which shall be considered a violation of driving rules:

- (1) Change either to the right or left during any part of the race when another horse is so near that in altering the position the horse behind is compelled to shorten its stride or the driver of the horse behind is forced to pull the horse out of its stride.
- (2) Jostle, strike, hook wheels, or interfere with another horse or driver.
- (3) Cross sharply in front of a horse or cross over in front of a field of horses in a reckless manner, endangering other drivers.
- (4) Swerve in and out or pull up quickly.
- (5) Crowd a horse or driver by putting a wheel under the horse or driver.
- (6) Carry a horse out.
- (7) Sit down in front of a horse or take up abruptly in front of other horses so as to cause confusion or interference among trailing horses.
- (8) Let a horse pass inside or outside needlessly or otherwise help another horse to improve its position in the race.
- (9) Commit any act ~~which~~ **that** shall impede the progress of another horse or cause it to break.
- (10) Change course after selecting a position in the homestretch, swerve in and out, or bear in and out in such a manner as to interfere with another horse or cause it to break.
- (11) Drive in a careless or reckless manner.
- (12) Maintaining a position of half in and half out.

(13) Lay off a normal place and leave a hole when it is well within a horse's capacity to keep the hole closed when there is no strategic reason to do so.

(14) If any of the violations in this subsection is committed by a person driving a horse coupled as an entry in the betting, the judges shall set both horses back if, in their opinion, the violation helped improve the entry's finishing position. Otherwise, penalties may be applied individually to the drivers of any entry.

(15) Drivers must set and maintain a pace comparable to the class in which the driver is racing or the horse's abilities.

**(16) Drivers at any point in the race after the start who use the outrider or starting gate to assist in getting control of their horse may be placed last by the judges.**

**(17) Turn the horse abruptly after the finish of the race in order to return to the paddock or the barn area.**

(b) All complaints by drivers of any foul driving or other misconduct during the heat must be made at the termination of the heat, unless the driver is prevented from doing so by an accident or injury. Any driver desiring to enter a claim of foul or other complaint of violation of this section must, before dismounting, indicate to the judges or patrol judge his or her desire to enter such claim or complaint and forthwith upon dismounting shall proceed to the telephone or judges' stand where and when such claim, objection, or complaint shall be immediately entered. The judges shall not cause the official sign to be displayed until such claim, objection, or complaint has been entered and considered.

(c) If any horse loses a piece of equipment during a race and that equipment bothers another horse or horses, it may be considered interference by the horse responsible for the lost equipment pursuant to 71 IAC 5-3-3(a)(19).

(d) In case of interference, collision, or violation of any of the restrictions in subsections (a), (b), and (c), the offending horse may be placed back one (1) or more positions in that heat or dash. In the event such collision or interference prevents any horse from finishing the heat or dash, the offending horse may be disqualified from receiving any winnings and the driver shall be fined **or** suspended, or both. In the event a horse is set back under this subsection, it must be placed behind the horse with whom it interfered. An interference that occurs to a horse or horses not in contention that did not affect the outcome of a race to that horse or any other horse as it applies to purse money won may not be grounds for a disqualification. Although, the driver causing the interference may still be penalized.

(e) If there is any purse money for which horses have started but were unable to finish due to interference or an accident, or both, all unoffending horses who did not finish will share equally in such purse money.

(f) A driver shall not:

(1) fail to display competitive urging or cease driving while in contention in the home stretch;

(2) race in an inconsistent manner;

(3) drive in an unsatisfactory manner due to lack of effort;

(4) drive in an unsatisfactory manner due to carelessness; or

(5) drive in such a manner as to have the horse remain classified or eligible to the same or easier conditions.

(g) If the judges determine that any of the ~~above~~ actions **in subsection (f)** were such that they compromised the integrity of racing or were to aid or perpetrate a fraud, then the licensee may be summarily suspended pending a judges hearing.

(h) Anyone acting in concert with the driver to so effect the outcome of the race or races may be summarily suspended pending a judges hearing.

**(i) A driver shall not fail to participate in the post parade at the prescribed time unless**

**excused by the judges.**

#### SECTION 25. 71 IAC 8-3-5 IS AMENDED TO READ AS FOLLOWS:

71 IAC 8-3-5 Out of competition testing

Authority: IC 4-31-3-9

Affected: IC 4-31-12

Sec. 5. (a) Any horse eligible to race in Indiana under this subsection is subject to testing without advance notice for prohibited substances, practices, and procedures as specified in subsection (f), while the horse is located on the grounds of a racetrack under the jurisdiction of the commission, or stabled off association grounds while under the care or control of trainer or owner licensed by the commission under the restrictions listed in subsection (e). A horse is eligible to race in Indiana if it is listed:

(1) on an owner's or trainer's license application; ~~or~~

(2) ~~on~~ a stall application ~~or~~ nomination list; or

(3) on the horse sign-in sheet at any time during the meet; ~~or~~

~~(4) or~~ has raced at any Indiana race meet during the ~~calendar year~~. **preceding three hundred sixty-five (365) days.** A horse shall be presumed eligible if it is a racing breed, at least two (2) years old, and an Indiana bred or sired horse. The owner of such an Indiana bred or sired horse may render the horse ineligible for the testing as described in this ~~regulation rule~~ by indicating in writing the Indiana bred or sired horse is not intended to race in Indiana, ~~pursuant to~~ **under** subsection (b) ~~below~~ provided that the owner of such an Indiana bred or sired horse provides such written notice to the office of the commission thirty (30) days before the horse turns two (2) years old or within thirty (30) days after the owner acquires the horse. In this event, the horse shall be deemed ineligible for racing in Indiana as provided for in subsection (b). ~~below.~~

(b) If a horse to be tested is not covered under subsection (a), the executive director or

judges may nevertheless test any such horse as eligible to race in Indiana for prohibited substances, practices, and procedures specified in subsection (f), unless the owner or trainer or other authorized representative or designee of such horse immediately represents in writing that the horse is not intended to be, and will not be, raced in Indiana for a minimum of three hundred sixty-five (365) days. If the owner, trainer, or other authorized representative or designee so represents, the horse shall be deemed ineligible for racing in Indiana for no less than three hundred sixty-five (365) days from that date. This three hundred sixty-five (365) day ineligibility to race in Indiana shall follow the horse even if sold or transferred to another owner or trainer. An owner or trainer may, however, consent to the collection of a sample from a horse selected for testing under this rule, even if the horse is not presently intended to be raced in Indiana, and if such horse tests negative, it will remain eligible to race in Indiana.

(c) The executive director or judges may order any horse of a licensed trainer or owner to report to a track under the jurisdiction of the commission for out of competition testing. The trainer or owner is responsible to have the horse or horses available at the designated time and location. In the event that a horse is ordered to report to a track pursuant to the authority granted by this subsection, a licensed trainer or owner is entitled to reimbursement by the commission for mileage (at the current rate paid by the state of Indiana as specified in the current Indiana financial management circular) to and from the location where the horse was stabled when the horse was ordered to report to the track. Under no circumstances will a trainer or owner be entitled to reimbursement for mileage in excess of the actual mileage to the track from the place where the horse was stabled when ordered to report and from the track to the place where the horse is first stabled following the testing. The trainer or owner is not entitled to receive reimbursement from the commission for any other expense relating to any order under this subsection to report to a track for out of competition testing.

(d) The official veterinarian, a licensed veterinarian authorized by the commission, a veterinary technician under the direct supervision of the official veterinarian, or a licensed veterinarian authorized by the commission may take a urine, blood, or hair sample from a horse for testing as provided for in this section.

(e) Unless sample collection occurs on the grounds of a racetrack or other location within Indiana under the commission's jurisdiction, the commission's representatives must arrive for the taking of blood, urine, or hair samples from an eligible horse as defined in subsection (a) or (b), only between the hours of 7:00 a.m. and noon, after announcing their presence at the premises where the horse or horses to be tested are located and showing their credentials to collect samples from the horse or horses selected for testing for prohibited substances, practices, and procedures as specified in subsection (f). The commission's representatives or designees will request to meet with the trainer or owner of the selected horse or horses. If neither is available, the collection will be deferred until the trainer ~~and/or~~ **or** owner, **or both**, or their representative or designee, becomes reasonably available, but the collection must occur not later than one (1) hour after the commission's designee arrives at the premises in the case of an eligible horse under subsection (a), and not later than two (2) hours in the case of an eligible horse under subsection (b). If the collection does not occur within the time provided for in this subsection, any horse that would have been subject to testing and eligible to race in Indiana will be deemed to be ineligible for racing in Indiana pursuant to the provisions of subsections (a) and (b). In addition, the owner ~~and/or~~ **or** trainer, **or both**, of the horses may be subject to any other sanctions allowed by Indiana law and regulations, including, but not limited to, a fine, suspension, ~~and/or~~ **or** summary suspension. It is a defense to any action brought against an owner ~~and/or~~ **or** trainer, **or both**, for sanctions or as a result of any declaration a horse is ineligible because the sample collection did not occur within the time provided for by this subsection that good cause existed that prohibited the owner **or** trainer ~~and/or~~ **or** their representative or designee from complying with the time limits set forth in this

subsection. The owner ~~or~~ ~~and/or~~ ~~or~~ their representative or designee has the burden of proving the good cause defense by a preponderance of the evidence.

(f) Prohibited substances, practices, methods, and procedures are defined as the following:

(1) Blood doping agents including, but not limited to, erythropoietin (EPO), darbepoetin, Oxyglobin, Hemopure, Aranesp, or any substance that abnormally enhances the oxygenation of body tissues.

(2) Gene doping agents or the nontherapeutic use of genes, genetic elements, ~~and/or~~ ~~or~~ cells, **or all**, that have the capacity to enhance athletic performance or produce analgesia.

(3) Naturally produced venoms, synthetic analogues of venoms, derivatives of venoms, or synthetic analogues of derivatives of venoms.

(4) Substances capable of producing a repartitioning effect that are not FDA-approved for use in horses, including, but not limited to, ractopamine, zilpaterol, or any similar agent.

(5) Androgenic-anabolic steroids (AAS) other than endogenous concentrations of the naturally occurring substances as defined in 71 IAC 8-1-8 or AAS in a horse placed on the veterinarian's list in accordance with 71 IAC 8-1-8(f). ~~and~~

(6) Cobalt in excess of the threshold provided in 71 IAC 8-1-9. In the event a sample from a horse results in cobalt in excess of the threshold, the horse shall be placed on the veterinarian's list until the concentration of cobalt in serum has fallen below the designated threshold, or until the conclusion of the race meet. However, horses testing at a concentration of one hundred (100) parts per billion shall be placed on the veterinarian's list for a minimum of thirty (30) days.

(7) Any substance or method not otherwise referenced in this rule, which is present on Version 8.5 of the Association of Racing Commissioners International Model Rules of Racing Annex I (Prohibited Substances).

(8) The presence in a horse of any substance at any time listed in subdivision (1), (2), (3), (4), (5), or (7) in an eligible as defined in subsections (a) and (b) ~~above~~ is prohibited and is a violation of this rule.

(9) The use of a prohibited method, as defined in Version 8.5 of the Association of Racing Commissioners International Model Rules of Racing Annex I (Prohibited Substances), on an eligible horse, as defined in subsections (a) and (b) ~~above~~ is prohibited and is a violation of this rule.

(g) The trainer or owner ~~and/or~~ ~~or~~ his or her designees shall cooperate with the official veterinarian or any licensed veterinarian or licensed veterinary technician authorized by the commission or any commission employee by:

(1) assisting in the immediate location and identification of the eligible horse selected for out of competition testing; and

(2) providing a stall or safe location to collect the samples.

The executive director or judges may summarily suspend, exclude, ~~and/or~~ ~~or~~ otherwise penalize any trainer ~~and/or~~ ~~or~~ other authorized representative or designee who does not fully cooperate with a commission employee or representative in assisting and identifying an eligible horse or providing a safe stall to collect samples in a timely fashion. If any such person is summarily suspended, excluded, or otherwise penalized, she or he shall be entitled to a hearing in accordance with Indiana law and regulations. A summary suspension, exclusion, or sanctions for failure to cooperate shall not issue, however, if a horseman meets his or her burden to establish the good cause defense set forth under subsection (e). This provision does not apply to an owner or trainer who timely provides written notice under subsection (a) or (b) that a horse sought to be tested is not intended to be raced in Indiana and thereby renders the horse ineligible pursuant to subsection (b).

(h) The collection of blood or urine samples under this rule shall be collected as provided by 71 IAC 8-4-1 and shall be analyzed as follows:

- (1) Approved primary laboratory for screening.
- (2) Approved primary laboratory for confirmation. ~~and~~
- (3) Approved laboratory for split sample testing as chosen by the owner or trainer.

The commission shall approve the laboratories for screening, confirmation, and split sample testing.

(i) The collection of hair samples under this rule shall be collected as provided by 71 IAC 8-4-1 and shall be analyzed as follows:

- (1) Approved primary laboratory for screening. ~~and~~
- (2) Approved primary laboratory for confirmation.

The commission shall approve the primary laboratories for screening and confirmation. A hair sample shall be ineligible for split sample testing.

(j) The licensed trainer of the horse is responsible for the condition of the horse sampled for an out of competition test while on the grounds of a licensed training facility or racetrack **as follows:**

- (1) If the horse is sampled while not on the grounds of a licensed facility or racetrack, then the licensed owner shall be presumed to be the responsible person unless the owner can establish by substantial evidence, that another licensed person had accepted the responsibility for the care, custody, and control of the horse, making such person the responsible person.
- (2) If a horse sampled for an out of competition test was claimed, sold, or otherwise transferred during the time the substance giving rise to the positive test may have been administered, then the commission shall investigate to determine, by a preponderance of the evidence, the identity of the responsible person at the time such substance may have been administered.
- (3) If the commission cannot determine a responsible person, then the commission may deem the owner responsible and place the horse on the veterinarian's list for such time as is necessary to protect the integrity of racing.
- (4) A claimed horse is ineligible to be subjected to out of competition testing in the forty-eight (48) hours post claim unless the horse was subjected to post race testing.

(k) In the absence of extraordinary mitigating circumstances, a minimum penalty of a ten (10) year suspension will be assessed for any violation of subsection (f)(1) and (f)(2). The Association of Racing Commissioners International, Inc. Uniform Classification Guidelines for Foreign Substances and Recommended Penalties and Model Rule will be considered for violations of subsection (f)(3), (f)(4), and (f)(5) with additional penalties for any drug not FDA approved for use in horses.

If the collection does not occur within the time provided for in this subsection, any horse that would have been subject to testing and eligible to race in Indiana will be deemed to be ineligible for racing in Indiana pursuant to the provisions of subsections (a) and (b). In addition, the owner ~~and/or~~ **or** trainer, **or both**, of the horses may be subject to any other sanctions allowed by Indiana law and regulations, including, but not limited to, a fine, suspension, ~~and/or~~ **or** summary suspension. It is a defense to any action brought against an owner ~~and/or~~ **or** trainer, **or both**, for sanctions or as a result of any declaration a horse is ineligible because the sample collection did not occur within the time provided for by this subsection that good cause existed that prohibited the owner **or** trainer ~~and/or~~ **or** their representative or designee from complying with the time limits set forth in this subsection. The owner **or** trainer ~~and/or~~ **or** their representative or designee has the burden of proving the good cause defense by a preponderance of the evidence.

(f) Prohibited substances, practices, methods, and procedures are defined as the following:

(1) Blood doping agents including, but not limited to, erythropoietin (EPO), darbepoetin, Oxyglobin, Hemopure, Aranesp, or any substance that abnormally enhances the oxygenation of body tissues.

(2) Gene doping agents or the nontherapeutic use of genes, genetic elements, ~~and/or~~ **or** cells, **or all**, that have the capacity to enhance athletic performance or produce analgesia.

(3) Naturally produced venoms, synthetic analogues of venoms, derivatives of venoms, or

synthetic analogues of derivatives of venoms.

(4) Substances capable of producing a repartitioning effect that are not FDA-approved for use in horses, including, but not limited to, ractopamine, zilpaterol, or any similar agent.

(5) Androgenic-anabolic steroids (AAS) other than endogenous concentrations of the naturally occurring substances as defined in 71 IAC 8.5-1-8 or AAS in a horse placed on the veterinarian's list in accordance with 71 IAC 8.5-1-8(f). ~~and~~

(6) Cobalt in excess of the threshold provided in 71 IAC 8.5-1-9. In the event a sample from a horse results in cobalt in excess of the threshold, the horse shall be placed on the veterinarian's list until the concentration of cobalt in serum has fallen below the designated threshold, or until the conclusion of the race meet. However, horses testing at a concentration of one hundred (100) parts per billion shall be placed on the veterinarian's list for a minimum of thirty (30) days.

(7) Clenbuterol in excess of the threshold provided in 71 IAC 8.5-1-4.2(5) for a quarter horse. In the event a sample from a quarter horse results in clenbuterol in excess of the threshold, the quarter horse shall be placed on the veterinarian's list as provided in 71 IAC 8.5-8-1.5.

(8) Albuterol in excess of the threshold provided in 71 IAC 8.5-1-4.2(2) for a quarter horse. In the event a sample from a quarter horse results in albuterol in excess of the threshold, the quarter horse shall be placed on the veterinarian's list as provided in 71 IAC 8.5-8-1.5.

(9) Any substance or method not otherwise referenced in this rule, which is present on Version 8.5 of the Association of Racing Commissioners International Model Rules of Racing Annex I (Prohibited Substances).

(10) The presence in a horse of any substance at any time listed in subdivision (1), (2), (3), (4), (5), or (9), in an eligible horse as defined in subsections (a) and (b) ~~above~~ is prohibited and is a violation of this rule.

(11) The use of a prohibited method, as defined in Version 8.5 of the Association of Racing Commissioners International Model Rules of Racing Annex I (Prohibited Substances), on an eligible horse as defined in subsections (a) and (b) ~~above~~ is prohibited and is a violation of this rule.

(g) The trainer or owner ~~and/or~~ ~~or~~ his or her designees shall cooperate with the official veterinarian, or any licensed veterinarian or licensed veterinary technician authorized by the commission, or any commission employee by:

(1) assisting in the immediate location and identification of the eligible horse selected for out of competition testing; and

(2) providing a stall or safe location to collect the samples.

The executive director or stewards may summarily suspend, exclude, ~~and/or~~ ~~or~~ otherwise penalize any trainer ~~and/or~~ ~~or~~ other authorized representative or designee who does not fully cooperate with a commission employee or representative in assisting and identifying an eligible horse or providing a safe stall to collect samples in a timely fashion. If any such person is summarily suspended, excluded, or otherwise penalized, she or he shall be entitled to a hearing in accordance with Indiana law and regulations. A summary suspension, exclusion, or sanctions for failure to cooperate shall not issue, however, if a horseman meets his or her burden to establish the good cause defense set forth under subsection (e). This provision does not apply to an owner or trainer who timely provides written notice under subsection (a) or (b) that a horse sought to be tested is not intended to be raced in Indiana and thereby renders the horse ineligible pursuant to subsection (b).

(h) The collection of blood or urine samples under this rule shall be collected as provided by 71 IAC 8.5-3-1 and shall be analyzed as follows:

(1) Approved primary laboratory for screening.

(2) Approved primary laboratory for confirmation. ~~and~~

(3) Approved laboratory for split sample testing as chosen by the owner or trainer.

The commission shall approve the laboratories for screening, confirmation, and split sample testing.

(i) The collection of hair samples under this rule shall be collected as provided by 71 IAC 8.5-3-1 and shall be analyzed as follows:

(1) Approved primary laboratory for screening. ~~and~~

(2) Approved primary laboratory for confirmation.

The commission shall approve the primary laboratories for screening and confirmation. A hair sample shall be ineligible for split sample testing.

(j) The licensed trainer of the horse is responsible for the condition of the horse sampled for an out of competition test while on the grounds of a licensed training facility or racetrack **as follows:**

(1) If the horse is sampled while not on the grounds of a licensed training facility or racetrack, then the licensed owner shall be presumed to be the responsible person unless the owner can establish by substantial evidence, that another licensed person had accepted the responsibility for the care, custody, and control of the horse, making such person the responsible person.

(2) If a horse sampled for an out of competition test was claimed, sold, or otherwise transferred during the time the substance giving rise to the positive test may have been administered, then the commission shall investigate to determine, by a preponderance of the evidence, the identity of the responsible person at the time such substance may have been administered.

(3) If the commission cannot determine a responsible person, then the commission may deem the owner responsible and place the horse on the veterinarian's list for such time as is necessary to protect the integrity of racing.

(4) A claimed horse is ineligible to be subjected to out of competition testing in the forty-eight (48) hours post claim unless the horse was subjected to post race testing.

(k) In the absence of extraordinary mitigating circumstances, a minimum penalty of a ten (10) year suspension will be assessed for any violation of subsection (f)(1) and (f)(2). The Association of Racing Commissioners International, Inc. Uniform Classification Guidelines for Foreign Substances and Recommended Penalties and Model Rule will be considered for violations of subsection (f)(3), (f)(4), and (f)(5) with additional penalties for any drug not FDA approved for use in horses.

Sec. 20. (a) If the commission determines that a person regulated under the Act has violated the Act or a rule or order adopted under the Act in a manner that constitutes a ground for

disciplinary action under the Act, the commission may assess an administrative penalty against that person as provided by this section.

(b) The commission delegates to the executive director the authority to prepare and issue administrative complaints pursuant to the Act. If, after examination of a possible violation and the facts relating to that possible violation, the executive director determines that a violation has occurred, the executive director shall issue an administrative complaint that states the facts on which the conclusion is based, the fact that an administrative penalty is to be imposed, the amount to be assessed, and any other proposed sanction, including suspension, or revocation. Furthermore, when the judges have issued a ruling that a violation has occurred, the executive director may issue an administrative complaint identifying the underlying ruling that serves as the basis for the administrative complaint, the fact that an administrative penalty is to be imposed, the additional amount to be assessed, and any other proposed sanction including additional suspension or revocation. The amount of the penalty may not exceed five thousand dollars (\$5,000) for each violation. Each day or occurrence that a violation continues may be considered a separate violation. In determining the administrative penalty, the executive director shall consider the seriousness of the violation.

(d) Not later than the twentieth day after the date on which the executive director delivers or sends the administrative complaint, the person charged may make a written request for a hearing or may remit the amount of the administrative penalty to the commission. Failure to request a hearing or to remit the amount of the administrative penalty within the period prescribed by this subsection ~~results~~ **may result** in a waiver of ~~a~~ **the** right to a hearing on the administrative penalty as well as any right to judicial review. If a party desires to appeal this order, they shall do so pursuant to the provisions of section 15 of this rule.

(f) Not later than the fifteenth day after the date on which the above order is received from the administrative law judge, the person charged shall pay the administrative penalty in full or exercise the right to appeal. 71 IAC 13-1-1 Registration of horsemen's associations

Authority: IC 4-31-3-9; IC 4-35-7-12

Affected: IC 4-31; IC 4-35

Sec. 1. (a) A horsemen's association must register with the commission annually in order to be eligible to receive monies from permit holders pursuant to the provisions of IC 4-35-7-12. Unless otherwise directed by the commission, and except as provided in subsection (c), a horsemen's association shall file its registration (accompanied by all supporting materials required by this article) with the commission not later than September 1 of the year preceding the calendar year for which the funds are to be paid. **One (1) electronic copy, and six (6) paper copies, of each application shall be provided.** Except as provided in subsection (c), the commission shall approve or deny a registration not later than December 31 of the year preceding the calendar year for which the funds are to be paid. The registration for an upcoming calendar year must be approved by the commission before a horsemen's association is entitled to receive any funds from permit holders as provided for by IC 4-35-7-12 and before permit holders may make payment to a particular horsemen's association. The registration of a horsemen's association for a calendar year becomes effective upon the approval of the commission, not upon the filing of the registration.

(b) The deadlines set forth in subsections (a) and (c) for the commission to approve or deny a registration shall not apply when more than one (1) horsemen's association registers to be eligible to receive the same source of funds specified in IC 4-35-7-12. In that event, the commission shall approve or deny the registrations as expeditiously as possible, but not later than February 28 of the calendar year in which the funds are to be paid.

(c) If, at the time a permit holder is required to make a payment of funds to a horsemen's association pursuant to IC 4-35-7-12, either:

(1) the commission has not approved the registration of a horsemen's association otherwise eligible to receive the permit holder's payment; or

(2) for any other reason, no horsemen's association is eligible to receive the permit holder's payment;

then the permit holder shall pay the funds required to be paid under IC 4-35-7-12 into one (1) or more interest bearing escrow accounts established and maintained by the permit holder solely for the purpose of holding and distributing those funds as may be directed by the commission. When a horsemen's association becomes eligible to receive payments from a permit holder pursuant to IC 4-35-7-12 and this article, the commission shall immediately direct the release of the escrowed funds and all interest earned on those funds to the eligible horsemen's association, and the permit holder shall thereafter make payments to that horsemen's association in the manner provided by IC 4-35-7-12 and this article.
