Dear Joe

I am writing you in regards to the reposed Recall pole," fare start pole" for Hoosier Park. The Board of directors of the Indiana Standardbred Association and the pari-mutuel committee along with the judges and HP, have Talked about a recall pole," fare start pole" for two years. We all agree this is a good thing both for the horsemen but also for the betting public. We are asking the IHRC, to move forward with an emergency Rule at your earliest convenience.

Thank You

Jack Kieninger

Mr. Joe Gorajec
Executive Director
Indiana Horse Racing Commission
1302 N. Meridian Street, Suite 175
Indianapolis, Indiana 46202

Dear Joe:

Please find this correspondence as Hoosier Park's position on the Fair Start Pole that we understand is currently being considered by the Indiana Horse Racing Commission ("IHRC").

We are very much in favor of a Fair Start Pole even though we realize that it is not currently in use at any harness track in the USA. However, we feel the time has now come for the Fair Start Pole to be introduced to harness racing at Hoosier Park Racing & Casino.

We believe the Fair Start Pole answers the question of fairness when one juxtaposes the interests of horses competing in a race with the betting public wagering on that race. We further believe that anything that can be done under IHRC rules to ensure that the bettor is being given a "fair shake" is a good thing. After all, the bettor is the backbone of our sport and all too often racing takes the bettor for granted.

We hope that with implementation of the Fair Start Pole in Indiana, the harness racing world will see that all stakeholders in the Indiana harness racing industry are committed to the advancement of our wonderful sport.

In closing, we understand that there may be pushback from some quarters. For example, we have heard from some other track owners/operators that find the possibility of issuing more refunds to be a negative. It should be stated that this is the only negative we have come across. To allay any concerns over the Fair Start Pole we would suggest a trial period that would run through the remainder of the 2015 Hoosier Park racing season. Once racing ends, all parties

can come together to discuss the merits and the future of the Fair Start Pole, which we firmly believe will be that of ongoing use.
