

INDIANA BOARD OF TAX REVIEW
Small Claims
Final Determination
Findings and Conclusions

Petitions: 45-003-13-1-5-00143-16
Petitioner: James Nowacki
Respondent: Lake County Assessor
Parcel: 45-08-18-452-019.000-003
Assessment Year: 2013

The Indiana Board of Tax Review (“Board”) issues this determination, finding and concluding as follows:

PROCEDURAL HISTORY

1. Nowacki contested the 2013 assessment of his property located at 3934 W. 28th Avenue in Gary. The Lake County Property Tax Assessment Board of Appeals (“PTABOA”) issued a determination valuing the vacant lot at \$3,400 for 2013.
2. Nowacki filed a Form 131 petition with the Board and elected to proceed under our small claims procedures. On August 6, 2018, Ellen Yuhan, our designated administrative law judge (“ALJ”), held a hearing on Nowacki’s petition. Neither she nor the Board inspected the property.
3. Nowacki appeared pro se. The Assessor appeared by Robert Metz and Gordona Bauhan, his Hearing Officers. They were all sworn as witnesses.

RECORD

4. The official record contains the following:

Petitioner’s Exhibit 1: Property Record Card for 2014-2018

5. The official record for this matter also includes the following: (1) all pleadings, briefs, motions, and documents filed in this appeal; (2) all notices and orders issued by the Board or our ALJ; (3) an audio recording of the hearing; and (4) these Findings and Conclusions.¹

¹ The Assessor offered no exhibits.

BURDEN OF PROOF

6. Generally, a taxpayer seeking review of an assessing official's determination has the burden of proof. Indiana Code § 6-1.1-15-17.2 creates an exception to that general rule and assigns the burden of proof to the assessor in two circumstances—where the assessment under appeal represents an increase of more than 5% over the prior year's assessment, or where it is above the level determined in a taxpayer's successful appeal of the prior year's assessment. I.C. § 6-1.1-15-17.2(b) and (d).
7. Here, there was no change in the property's assessed value from 2012 to 2013. Nowacki therefore bears the burden of proof.

SUMMARY OF CONTENTIONS

8. Nowacki's case:
 - a. Nowacki acquired the property for \$60 in 2010. Although the Assessor characterizes it as static, the property's assessed value has declined since Nowacki purchased it. The Assessor valued it at \$2,800 for 2016, 2017, and 2018, which is within 10% of what Nowacki is requesting for 2013. Nowacki contends the property's assessment should be \$2,500. Alternatively, he requests a valuation of \$2,800, consistent with its 2016, 2017 and 2018 assessments. *Nowacki testimony*.
9. The Assessor's case:
 - a. The Assessor contends that Nowacki provided no substantial evidence to support his requested valuation for 2013, and he recommends no change to the assessment. *Metz testimony*.

ANALYSIS

10. Nowacki failed to make a prima facie case for reducing the property's 2013 assessment. The Board reached this decision for the following reasons:
 - a. The goal of Indiana's real property assessment system is to arrive at an assessment reflecting the property's true tax value. 50 IAC 2.4-1-1(c); 2011 REAL PROPERTY ASSESSMENT MANUAL at 3. "True tax value" does not mean "fair market value" or "the value of the property to the user." I.C. § 6-1.1-31-6(c), (e). It is instead determined under the rules of the Department of Local Government Finance ("DLGF"). I.C. § 6-1.1-31-5(a); I.C. § 6-1.1-31-6(f). The DLGF defines "true tax value" as "market value in use," which it in turn defines as "[t]he market value-in-use of a property for its current use, as reflected by the utility received by the owner or by a similar user, from the property." MANUAL at 2.

- b. All three standard appraisal approaches—the cost, sales-comparison, and income approaches—are “appropriate for determining true tax value.” MANUAL at 2. In an assessment appeal, parties may offer any evidence relevant to a property’s true tax value, including appraisals prepared in accordance with generally recognized appraisal principles. *Id.* at 3; *see also Eckerling v. Wayne Twp. Ass’r*, 841 N.E.2d 674, 678 (Ind. Tax Ct. 2006) (reiterating that a market value-in-use appraisal that complies with the Uniform Standards of Professional Appraisal Practice is the most effective method for rebutting the presumption that an assessment is correct). Regardless of the appraisal method used, a party must relate its evidence to the relevant valuation date. *Long v. Wayne Twp. Ass’r*, 821 N.E.2d 466, 471 (Ind. Tax Ct. 2005). Otherwise, the evidence lacks probative value. *Id.* For 2013, the valuation date was March 1, 2013. Ind. Code § 6-1.1-2-1.5(a).
- c. Nowacki contends the property’s 2013 assessment should be \$2,500, but he failed to present any probative market-based evidence to support that value. Statements that are unsupported by probative evidence are conclusory and of no value to the Board in making its determination. *Whitley Products, Inc. v. State Bd. of Tax Comm’rs*, 704 N.E.2d 1113, 1118 (Ind. Tax Ct. 1998).
- d. We also give no weight to his claims regarding the property’s 2016, 2017, and 2018 assessments. The Assessor’s decision to decrease the property’s assessment in subsequent years does not prove that its 2013 assessment was incorrect. As the Tax Court has explained, “each tax year—and each appeal process—stands alone.” *Fisher v. Carroll Cnty. Ass’r*, 74 N.E. 3d 582 (Ind. Tax Ct. 2017). Evidence of a property’s assessment in one year, therefore, has little bearing on its true tax value in another. *See, e.g., Fleet Supply, Inc. v. State Bd. of Tax Comm’rs*, 747 N.E.2d 645, 650 (Ind. Tax Ct. 2001); *Barth, Inc. v. State Bd. of Tax Comm’rs*, 699 N.E.2d 800, 805 n. 14 (Ind. Tax Ct. 1998).
- e. Because Nowacki offered no probative market-based evidence to demonstrate the property’s correct market value-in-use, he failed to make a prima facie case for a lower assessment. Where a Petitioner has not supported his claim with probative evidence, the Respondent’s duty to support the assessment with substantial evidence is not triggered. *Lacy Diversified Indus. v. Dep’t of Local Gov’t Fin.*, 799 N.E.2d 1215, 1221-1222 (Ind. Tax Ct. 2003).

FINAL DETERMINATION

In accordance with the above findings of fact and conclusions of law, we find for the Assessor and order no change to the property’s 2013 assessment.

ISSUED: November 5, 2018
