## REPORT OF PROFESSIONAL SERVICE CONTRACTS FOR STATE AGENCIES

**JULY 1, 2003 – JUNE 30, 2004**

Pursuant to IC 4-13-1-22, the Commissioner of the Department of Administration is required to annually compile and make available for public inspection a report of professional services contracts awarded by state agencies during the preceding state fiscal year. The following report has been compiled in compliance with IC 4-13-1-22 for the period July 1, 2003 through June 30, 2004.

For purpose of reporting, the term "professional services" is defined in IC 4-13-1-22 as the furnishing of services by:

1. A person licensed, certified, or registered under IC 25-2-1, or by any board listed in IC 25-1-5-3.
2. An attorney.
3. An expert witness, court reporter, or investigator retained by the State in connection with judicial or administrative proceedings involving the State.
4. A minister, priest, rabbi, or other person empowered by the person's religious faith to conduct religious services or to provide spiritual counseling or guidance.
5. A person who performs services, the satisfactory rendition of which depends upon the person's unique training or skills.

The enclosed report includes the following information for each contract:

1. Names of the parties to the contract.
2. A description of the services that were provided.
3. The dollar amount of the contract.
4. The term of the contract. Public Works projects may not have a firm completion date listed because these contracts remain in effect until the project is completed.

If you have any questions about this report or suggestions for its future improvement, you may contact Dan Dovenbarger, Deputy Commissioner and General Counsel of the Indiana Department of Administration at (317) 234-1596, or Sandra Redding, Contract Assistant at (317) 232-3153.
