I. PURPOSE:

The purpose of this policy and administrative procedure is to establish the standards and guidelines for the delivery of academic and career technical educational programs for adult offenders within Department of Correction facilities.

II. POLICY STATEMENT:

The Department of Correction shall ensure that competency-based academic and career technical education programs are provided to adult offenders housed within those Department facilities offering formal education programs. Eligible offenders shall have the opportunity to participate in education programs based on their earliest possible release date (EPRD).

Education programs shall be developed and implemented to improve the academic and/or career technical educational skills of the offender population. Activities, programs, or services shall be focused on helping an individual to acquire a combination of basic academic skills, critical thinking, digital literacy, and self-management skills. This includes competencies in using resources and information, and acquiring other skills necessary for a successful transition into post-secondary career technical training and/or employment.

All academic programs will be a service approach that provides adult education and literacy activities concurrently and contextually with workforce preparation activities and workforce training.

The Department shall work with other State and federal agencies to ensure that educational programs are in compliance with all applicable federal and State laws, rules and regulations.

Additionally, the Department shall strive to ensure that the provision of educational services complies with the applicable standards of accrediting organizations, such as the American Correctional Association.

The Department shall align academic and vocation education content and standards to the Workforce Innovation and Opportunity Act (WIOA) and WIOA’s federally mandated successor.

The Department shall employ Indiana licensed education staff as instructors for adult basic classes and career technical classes and other qualified personnel for the delivery of educational services.

Each facility housing adult offenders within the Department providing educational services shall develop an education program plan. This facility program plan shall include, but is not limited to:

- A. The mission, goals, and objectives of education services in the facility;
- B. The program needs of the offender population, the resources available, and the feasibility of the proposed delivery of services.

All educational programs within the Department shall be subject to periodic audits and evaluations to ensure that the programs are operating in accordance with established standards and objectives including teacher evaluations, site-manager evaluations, and individual program reviews. The Department shall collect pertinent data to assist in program planning, the academic improvement of the offender population, and to ensure compliance with applicable laws, rules, regulations, policies, and procedures.

III. DEFINITIONS:

- A. **ACADEMIC EDUCATION:** An approved, formal, organized program of instruction designed to provide basic skills and learning opportunities related to obtaining and using knowledge from literacy through post-secondary, excluding specific career technical educational programs.
- B. **BUSINESS DAY:** Monday through Friday, excluding any holidays recognized and observed by the State of Indiana.

IV. ADMINISTRATION OF ACADEMIC AND/OR TECHNICAL EDUCATION PROGRAMS
(See Facility Directive):

A. Philosophy, Mission, and Goals

1. Philosophy: The Division of Education Services believes that education in a correctional setting functions both as a management tool and as rehabilitative treatment.
2. Mission: The mission of the Division of Education Services is to provide effective academic and career technical programs that will teach offenders the necessary life and job skills and values to become socially useful and civically responsible members of the community and workforce upon their successful Re-Entry into society.
3. Goals: The goal of the Division of Education Services is to provide competency-based comprehensive education programs for incarcerated adults that meet the published standards of the Indiana Department of Education and the Indiana Department of Workforce Development. The program's ultimate goal is to assist incarcerated adults to become socially useful and civically responsible.

The Director of Education shall facilitate the annual review of the Division of Education Services Philosophy, Mission, and Goals.

B. Written Policy and Procedure

1. The facility education directive shall include, but not be limited to:
 - a. Job descriptions for licensed and non-licensed personnel;
 - b. Program development and school improvement plan due annually to the Director of Education by the fifteenth (15th) of August;
 - c. Procedures for student management;
 - d. Procedures for daily program operations; and,
 - e. An organizational chart, with explanation.
2. The school calendar shall contain two hundred sixty (260) days. The calendar shall adhere to the State of Indiana Holiday Schedule as published. All classes shall begin and end according to the facility's schedule.

The Department shall offer education services to offenders in restricted status housing. Education services are limited to no more than once per week instruction and once per quarter testing for those offenders otherwise qualified to receive educational services.

3. The facility education directive shall be reviewed annually and shall be available for review and implementation in accordance with Policy and Administrative Procedure 00-04-101, “The Development, Approval, and Implementation of Policy.”

C. Annual Goals and Objective Review

1. To determine the needs of the offender population, the Site Manager with the review and approval of the Regional Coordinator shall conduct an annual facility needs assessment no later than July 15 of each year. The annual facility needs assessment shall include input from offenders, multidisciplinary facility services staff, and liaisons from the community. The Regional Manager shall, no later than August 25 of each year, review, update, and publish the school’s education program’s progress on the prior fiscal year’s goals and objectives. At the same time, the Regional Manager shall submit, in writing, each school’s goals and objectives for the following fiscal year.
2. The review and update process shall include:
 - a. Review progress toward program goals;
 - b. Review the effectiveness of the program in terms of process and program outcomes; and,
 - c. Revise and/or establish goals for the following year.

D. Budget

1. The Division of Education program grants shall be allocated to facility education programs according to a prescribed distribution process.
2. The Director of Education shall have the authority and responsibility to manage grant expenditures for system-wide and facility education programs.
3. The Site Manager shall, no later than May 15 of each year, provide an educational program budget to the Regional Manager and the Director of Education, making recommendations for equipment and supplies. The Director of Education shall

evaluate the submitted requests and may recommend to the vendor additions, deletions, or approvals.

E. Program Approval

The Director of Education shall facilitate a policy review committee to annually review this policy and administrative procedure.

F. Staff Meetings

1. Minimally, the Director of Education shall facilitate six (6) meetings annually composed of representatives from the Department and the contracted vendors. Two (2) regional meetings shall be facilitated annually by the Director of Education or designee. Minutes of the meetings shall be maintained by the Division of Education and shall be available for review.
2. Minimally, the Site Manager shall facilitate facility-level education meetings every sixty (60) days. The minutes of each meeting shall be submitted to the Regional Manager and the Director of Education. The facility education staff and guests shall attend staff meetings.

V. ADMINISTRATION AND STAFF:

All academic and career technical education staff shall be licensed by the Office of Educator Licensing and Development (OELD). A copy of licenses or certificates shall be maintained in the staff member’s personnel file. The Site Manager shall maintain a copy of all teacher licenses in a single-point file in the school. The individual staff member shall be responsible for ensuring that all required licenses or certificates are maintained and current. A licensed staff member who does not possess a valid license on July 1 of each year shall not be permitted in the facility or school.

A. Employment of Facility Education Personnel

1. The Regional Coordinators shall ensure that the Director of Education is immediately informed of any changes that have an impact on the delivery of education services, including but not limited to:
 - a. Staff suspensions;
 - b. Terminations;
 - c. Transfers;
 - d. Resignations; and/or,
 - e. Disability leaves.

2. The Department shall ensure that any vendor employees working with adult basic education and vocation education programming abide by the facility dress code and maintains an appropriate focus on safety, security, and rehabilitation as outlined in Department policies and procedures. Vendor employed staff must pass a Department background/warrants check.
3. The Department shall ensure that all staff associated with adult basic education and vocation programming receive appropriate training specific to working with adult offenders in secure settings. Staff must complete training as required by Department and facility policy. Staff unwilling to or failing to complete training may be subject to Department restrictions or dismissal from employment.

B. Professional Development:

1. Education staff shall participate in all training mandated by Policy and Administrative Procedure 01-05-101, "Staff Development and Training." Additionally, education staff shall participate in Education Division staff development activities. Staff development using distance learning programs shall be encouraged. Upon approval of the Site Manager and the Warden, staff may be allowed additional leave for training purposes that support the facility's educational improvement plan.
2. The professional development of Education Division's staff shall be encouraged and endorsed. The Site Manager shall annually facilitate the development of a Personal Professional Development Plan in support of the facility school improvement plan for each certified education staff member. Each facility may allow certified educational staff time to participate in professional development activities which are aligned to the employee's pre-approved professional growth plan.

All Academic teachers must attend an Indiana Department of Workforce Development sponsored Professional Development Programming event each year.

School staff may attend professional development activities with the approval of the Regional Coordinator.

The Regional Coordinator may consult with the Director of Education to verify the effectiveness of the professional development program. The Regional Manager shall determine the impact of the request on the operation of the school and/or facility prior to approving the request.

4. Instructional strategies shall be determined by a licensed, certified teacher based on the approval of the Site Manager and the Regional Coordinator and the assessed learning style of the offender;
5. Career Technical programs shall be integrated with academic programs and shall be relevant to the vocational needs of incarcerated adults and to employment opportunities in the community.
6. Comprehensive facility educational program participation shall be available to all eligible offenders at a time when the majority of eligible offenders can take advantage of the program(s). Should more offenders indicate an interest in a particular program than resources allow, a waiting list shall be developed. Criteria for placement on the waiting list shall be determined by the offender's earliest possible release date (EPRD). Offenders with identified special education needs and/or disabilities that qualify, as indicated by an IEP, shall have first priority in all educational placements.
7. Correspondence classes for secondary credits may be made available to eligible offenders. An offender wishing to earn credit through correspondence classes not provided via an IDOA approved contract with a vendor, shall obtain the written approval of the Site Manager. (The offender shall show documentation that a local Indiana public school board is willing to grant a diploma to an offender. The offender shall meet all graduation requirements of the local Indiana school board, including the passing of a graduation exit examination.)

VII. PROGRAMS:

A. Academic and Technical Curricula:

1. The vendors shall facilitate the development of competency-based curricula which are recognized, certified, licensed, or accredited by educational entities, or the Indiana Department of Workforce Development and/or State and national industry associations. The Director of Education shall approve the curricula. The curricula shall be articulated throughout the education programs.
2. A vendor may apply for a proposed addition, modification, or deletion of a technical program by completing the application process as outlined in the master contract. Technical programs shall meet Department of Workforce Development criteria.

Title
ADULT ACADEMIC AND TECHNICAL PROGRAMS

- 3. The maximum class load for offenders in approved college correspondence program shall not exceed twelve (12) credit hours in spring and fall terms and six (6) credit hours during the offender’s first term and summer terms.
- 4. Offenders enrolled in a college correspondence program shall meet facility and Department conduct eligibility standards and may be suspended until conduct eligibility has been reinstated.

VI. PROGRAM AUDITS:

All adult correctional education programs shall be assessed biennially (every two years) or as needed by Division of Education staff against stated objectives by qualified individuals, professional groups, and trade associations. The purpose of the assessment shall be for program planning, school improvement, and/or data-based accountability purposes in accordance with Department policies and administrative procedures.

The Director shall facilitate these audits and shall review the results of any audits at least annually, or on an as needed basis.

VII. APPLICABILITY:

This policy and administrative procedure is applicable to all Department facilities that provide academic and/or technical programs to adult offenders.
