FUNDING RESTRICTIONS

The Indiana Department of Correction grant funding awards may not pay for:

- Any staff not designated for an awarded entity's operations.
- Capital construction, renovation, remodeling, or land acquisition (IC 11-12-2-8).
- Vehicles
- Firearms, ammunition, or tactical equipment
- Staff clothing and (or) uniforms
- Lobbying, political contributions, honoraria, or bonuses
- Personal entertainment, personal calls, or alcohol
- Any other purpose that was not outlined or approved in the grant application
- Funds may not be used to supplant or replace in whole or part current federal, state, or local funding support that may be associated with the administration or operation of an entity
- Funds may not be used to duplicate programs or services for clients residing in, or being released to, the same locality. Each applicant must describe the extent and type of services provided by each program in the Collaboration Plan to ensure that funds are not being used to duplicate services in one geographical area.
- The Community Corrections and Justice Reinvestment Grant funding may be used to supplement or expand existing funds for programs
