- A. Special Control Unit (SCU; sub-facilities WVS): Since offenders in the SCU are segregated offenders in a maximum-security facility, it is in the best interests of the safety and security of the facility and all persons involved that offender visitation is held by video conference. The designated visitation area for visitors visiting offenders assigned to the SCU shall be the visitation booths in the central administration area of the SCU. The designated visitation area for the offenders shall be the multi-purpose room on the top of their assigned range. In the event this room is occupied the offender will be escorted to the multi-purpose room of on an alternative range.
- B. Unit Team North (sub-facility WVE): The designated visitation area for offenders in WVE shall be the visitation room in the Offender Services Building. This shall be a contact visiting area. - C. Unit Team South (sub-facility WVD): The designated visitation area for offenders in WVD shall be the visitation room in the Southside Administration Building. This shall be a contact visiting area. Non-contact visitation booths adjacent to the visitation room are available for non-contact visits for offenders in Restricted Status Housing Custody Control Unit (CCU) and general population offenders in accordance with the procedures noted herein.
Visitors of End of Life Care patients are required to visit during normal visitation hours only and are subject to all the same Visitation Rules as visitors of offenders in general population. The only exceptions are that the visitors may visit every day and may stay through the entire visitation period upon written approval from the Deputy Warden of Operations.

Visitors of End of Life Care patients shall be issued a visitor badge at Visitor Processing. They

are not authorized unrestricted movement while on facility grounds. They shall sign the visitor sign-in book located at Southside Control and must be escorted to and from Control and the Infirmary. They must also be escorted anytime they leave the Infirmary and move to another area in OSB, including purchase of items from OSB vending machines.

Visitors of End of Life Care patients shall not bring food into the facility and may not bring in more than twenty (20) dollars in change. They are not authorized to use the shower facilities in the Administration Building.

Casework Manager or designated Caseworker shall be responsible for the maintenance of visiting lists and shall ensure that visitors and offenders are aware of visitation rules (Attachment 1).

D. Security Level 1 (J Housing Unit; sub-facility WVA): The designated visitation area for offenders in J Housing Unit (JHU) shall be the visitation room in JHU and the outdoor visiting area in the front of JHU adjacent to the visiting room. This shall be a contact visiting area.

E. Individual Housing Unit Administrative Restrictive Status Guidelines:

When a cell housing two (2) offenders is placed on Individual Housing Unit Administrative Restrictive Status (IHARS) it may only be one offender in that cell who actually caused the IHARS (i.e. pending conduct, pending investigation). Custody staff assigned to visit rooms shall attempt to establish; with the help of housing unit staff, Shift Supervisors, Unit Team or Count Room, the status of visitation for offenders who are called out for a visit from a IHARS cell. Offenders who did not cause the IHARS or are not non-contact per Policy 02-01-102, "Offender Visitation," shall receive contact visits.

III. APPLICATION FOR VISITATION:

In order for family members and friends to visit offenders, they must complete either a paper application or electronic application, currently through the JPAY website (www.JPay.com) for visitation (To apply electronically, the applicant must register an account with the vendor, which is free of charge). State Form 14387, "Application for Visiting Privileges," shall provide visitors with the necessary information regarding visitation. The electronic version of State Form 14387 is virtually identical to the paper version. Offenders shall be responsible for notifying family members and friends they want to visit of the processes available for applying for visitation privileges. Each facility shall designate a staff member to receive and process these applications.

Current and former Department employees, ex-offenders, volunteers, ex-volunteers, and victims of the offender they wish to visit shall submit a paper application and supplemental documentation through

the United States Postal System in accordance with Sections IX and X of this policy and administrative procedure.

It is important that the application, both paper and electronic, is completed fully and all questions are answered truthfully. Failure to provide all necessary information may result in a delay in the processing of the application or a denial of visitation privileges. Falsifying an application shall result in the applicant being banned from all correctional facilities for a period of one (1) year.

This application, once approved, shall allow access to the facility to visit the designated offender. The signature of the visitor on the paper application and the submission of a completed electronic application acknowledge agreement to all rules and regulations included in this policy and administrative procedure, and its attachments, including criminal background/warrant checks through IDACS.

Children less than 18 years of age must have their application completed by their parent/legal guardian. An adult visitor who has the notarized permission of the child's parent or legal guardian who has custody of the child (not the offender) may be allowed to bring the child to the facility for the visit; however, both the child and the adult visitor must have an application on file to visit the offender. State Form 48965, "Authorization for Minor Child to Visit," shall be used to allow an adult, other than the child's parent or legal guardian, to bring a child into the facility to visit an offender. The parent authorization form must be notarized by a Notary Public and, if approved, must be presented each time the child visits along with a legible copy of the child's birth certificate.

Criminal background/warrants checks shall be conducted on each adult and child (16 and older) applying to visit an offender. When an active criminal warrant is found, the application shall be reviewed by the facility Investigations and Intelligence officer and/or Correctional Police Officer (CPO). The agency that issued the warrant shall be contacted and disposition made. Local law enforcement shall be notified of the information provided. The information on the applicant's criminal history is treated as confidential and shall not be released to the offender.

Once a decision is made either approving or denying the application, the offender shall be notified. The offender is responsible for advising applicants that their applications have been approved or denied. The applicant's approved Department visiting application must be on file prior to visiting.

Visitors shall be permitted to visit only one (1) offender within the Department unless the visitor has other immediate family members incarcerated in a Department facility. Therefore, unless the visitor has other immediate family members in different facilities, the visitor shall not be allowed to visit other non-immediate family offenders in other Department facilities.

Visitors may have their names removed from an offender's visiting list by making such a request in writing to the Warden or designee. Once the name is removed, the visitor must wait six (6) months before applying

This list shall be maintained at the respective visiting processing areas in three ring binders. Visitation lists are restricted information. Unless a person requesting information from a visitation list is authorized access in accordance with the Administrative Procedures for Policy 01-04-104, "The Establishment, Maintenance and Disposition of Offender Records," that person shall not be granted access. The Caseworker shall make the necessary changes on the OIS system and forward the State Form 10987 to the appropriate Visitor Processing Officer.

Applicable visitation rules shall be discussed with all offenders during their facility orientation and made available to offenders for review in their Offender Handbook.

A list of rules and visitation guidelines (Attachment 3) shall be printed on or attached to the Application for Visiting Privileges and sent to the person(s) requesting visitation with offenders.

Offenders may request visitation from any person, provided the request is consistent with these and other pertinent administrative and operational procedures.

In addition, any visitor caught trafficking shall be permanently banned from visiting any offender in the Department of Correction and any Department facility.

Any offender found guilty in a disciplinary action of possession of a controlled substance or tobacco shall have his visiting privileges restricted to "non-contact" visits only. Additionally, an offender found guilty of certain other disciplinary violations, including the possession or use of tobacco or tobacco-related products may have his visiting privileges restricted to "non-contact" visits only. Attorneys, clergy or government officials or persons from other agencies/organizations that are providing an approved service for the facility or the offender (e.g. Mental Health professionals, Indiana Vocational Rehabilitation counselors, etc.) may be approved for visitation on a case by case basis. Such visits will not be considered as part of the offender's regular visitation schedule and these visitors need not be on this offender's visitation list (as determined in the procedures above). If the attorney, clergy or government official is not on the authorized visiting list, approval from the Warden, Deputy Warden or Litigation Liaison is required. The Litigation Liaison shall serve as the Warden's designee on all issues surrounding attorney visitation.

Where space is available and security of the facility or safety of the people involved will not be impaired,

a special area is to be set aside for attorney-client interviews.

If space is available, arrangements may be made to allow clergy or approved spiritual advisors to have a separate space, outside of the regular visiting room/area, to meet with the offender. In both cases, such space shall be observable by staff; however, staff shall not listen to the conversation. Areas in the facility where space allows separate areas to be set aside for attorney-client visits are as follows.

- A. Attorney-client visits in the SCU may be in the assigned attorney booths of the non-contact visiting area. These two (2)-visiting booths provide for the passing of documents for reading/signing, one (1) sheet at a time.
- B. Attorney-client visits on the Southside may be in the private attorney visiting room adjacent to the general visitation area. These rooms allow for private conversation, while custody staff may maintain visual contact with the offenders and visitors.

VII. VISITATION BY STAFF MEMBERS, EX-EMPLOYEES, EX-OFFENDERS AND VICTIMS:

A. Staff Members:

In accordance with the policy and administrative procedure for Policy 04-03-103, "Information and Standards of Conduct for Departmental Staff," staff shall notify the Facility Head in writing whenever a friend or relative is committed to the Department. A staff member may be permitted to visit an offender who is an immediate family member. Additionally, with sufficient justification, a staff member may be permitted to visit an offender who is a family member but not an immediate family member. In these cases, the staff member shall provide the facility with sufficient information to verify the relationship and the need for such visits.

A staff member must obtain prior written approval to visit an offender. The staff member shall obtain State Form 51058, REQUEST FOR STAFF CONTACT WITH OFFENDER, from the facility. The staff member shall complete Sections I and II. The staff member shall provide as much information as possible, including information verifying the relationship, so that a decision can be made regarding the visit. The staff member shall submit the form to the Facility Head of his/her facility. The Facility Head shall review State Form 51058 and determine whether approval of the requested visit is in the best interests of the Department, offender and staff member. The Facility Head shall consider such factors as the relationship between the staff member and the offender, the staff member's work history with the Department and the potential impact on the facility and the offender's adjustment. The Facility Head shall indicate his/her decision on the form and forward it to the Facility Head of the facility housing the offender.

The Facility Head of the facility housing the offender shall review the request. The Facility Head

of the facility housing the offender shall consider such factors as: the relationship between the staff member and the offender; the offender's conduct history; the frequency of visits to the offender; the offender's family background; and, the decision of the staff member's Facility Head and any comments made by that Facility Head, etc.

If both Facility Heads approve the request to visit, the Facility Head of the facility housing the offender shall return the State Form 51058 to the staff member's Facility Head who shall note the approval. A copy of State Form 51058 with the approvals of both Facility Heads shall be given to the staff member who will be required to bring the form with him/her whenever a visit takes place. Additionally, a copy of the approved State Form 51058 shall be placed in the staff member's personnel packet and a copy placed in the offender's packet. Once the approval is given by both Wardens, the staff member shall be required to complete an APPLICATION FOR VISITING PRIVILEGES and attach a copy of State Form 51058 in order to be placed on the offender's visitors list.

If either or both of the Facility Heads do not approve the request from the staff member to visit the offender, the Facility Head of the facility housing the offender shall forward the request with all recommendations to the Executive Director of Adult Operations. The Executive Director shall review the request and, if necessary, contact the facilities to obtain additional information before rendering a decision. If one of the facilities involved is not under the Executive Director's supervision, State Form 51058 shall be forwarded to the other Executive Director, as appropriate, for review and approval. If either of the Executive Directors deny the request, the request shall be considered denied and the staff member shall not be allowed to visit the offender. The decision of the Executive Director(s) shall be final.

Following approval/denial by the Executive Director of Adult Operations, the original State Form 51058 shall be returned to the originating Facility Head for filing and a copy shall be sent to the Facility Head of the facility housing the offender. Once an approval has been granted for visits between a staff member and an offender, the approval shall remain in effect until rescinded by the Executive Director of Adult Operations. If the request to visit is denied, the staff member may submit another request for visitation one (1) year from the date of the denial. If a staff member terminates his/her employment with the Department, any approval to visit an offender shall be rescinded immediately and the staff member will be required to follow the procedures for ex-employees to visit offenders.

If the request is approved and the offender is transferred to another facility, the approval shall continue to be in effect unless the Facility Head or designee of the new facility determines that there is a reason to require the staff member to submit a new request.

B. Ex-Employees:

Ex-employees who wish to visit an offender must make a written request for approval to the Facility Head of the facility housing the offender prior to the visit. Generally, ex-employees shall not be allowed to visit an offender who has been housed in the same facility in which the ex-employee was employed and who was incarcerated at the facility during the time the ex-employee was employed there. The Facility Head shall review the request and recommend whether the visit is in the best interest of the facility and the individuals involved. Unless the ex-employee and the offender are immediate family members or special circumstances exist, visits by ex-employees shall not be authorized until one (1) year after the employee's separation from the Department. The Executive Director shall render a decision and so notify the Facility Head submitting the request. The decision of the Executive Director shall be final. Ex-employees shall not be allowed to visit an offender until the request to visit has been approved by the Executive Director. Such denials shall be noted in the OIS computer system. The Facility Head or designee shall determine whether the offender has a Victim Notification (VN) flag involving the victim seeking to visit the offender. facility. Also, the Executive Director making the decision shall send an e-mail to all facilities advising that the gate closure has been lifted. If the Executive Director upholds the Facility head's decision, the visitor shall be so notified and advised that this decision may be appealed to the Facility Head of the facility housing the offender one (1) year from the date of the Executive Director's decision.

XVII. VOLUNTEERS/MENTORS:

Volunteers/Mentors are subject to all provisions of these operational procedures, the Administrative Procedures for Policy 01-03-103, "The Development and Delivery of Community Involvement" and the Administrative Procedures for Policy 01-03-104 "Faith and Character Based Housing Program." Visits by volunteers/mentors as a part of an approved volunteer program at the facility shall be in addition to an offender's normal visiting schedule. Volunteers/Mentors shall be advised of the facility's visitation rules/procedures during the volunteer's orientation training.

Persons who are providing services to offenders in a volunteer capacity may be allowed to visit an offender outside of the approved volunteer program. Persons who are on an offender's visitation list may be permitted to provide volunteer services at the facility housing the offender if the volunteer's program duties are such that visiting the offender would be in the best interests of the program and the offender. Volunteers may be allowed to visit an offender at a facility not receiving their services. However, they are to report to the Facility Head or designee of the facility where their services are provided and the Facility Head of the facility housing the offender that they are visiting an offender at another Department facility.

XVIII. BODY AND STRIP SEARCHES OF VISITORS:

All visitors shall be advised that they are subject to frisk search prior to being allowed each entry into the facility or visiting area. Visitors may be asked to submit to a strip search; however, strip searches are to be used only in the most extreme circumstances where reasonable cause exists to believe the visitor is carrying prohibited property or contraband and poses a risk to the security of the facility and/or individuals. The decision to request a visitor to submit to a strip search shall be made by the Warden or designee. In such cases, the visitor shall be given the option of either submitting to the strip search or being refused entry into the visiting area. The visitor shall be advised as to why the request is being made.

Additionally, visitors shall be subject to additional searches using metal detectors and ion scanning equipment. Visitors in the waiting area and in the visiting room may be searched by trained K-9s at any time while in the facility. Searches by K-9s shall be in accordance with the procedures for the search of persons using drug and tobacco detecting K-9s in the Department's Emergency Response Manual. Facilities shall ensure that visitors are informed of the proper behavior and actions when being searched by K-9s. This notification shall include a sign posted in the visitor waiting area and the visiting room as well as staff announcing the entrance of K-9s into an area for searches.

Official offender visitors shall be subject to the same “modified” frisk search and other search procedures (i.e. metal detector, ion scan, etc.) as all other offender visitors unless the Facility Head authorizes an exception to the search procedures.

Body and strip searches, use of metal detectors, x-rays and inspection of purses, packages and bundles shall be governed by the standards established in Policy 02-03-101, "Searches and Shakedown" and shall be consistent with the security needs of the facility.

A refusal by a visitor to submit to a search of either the visitor's person or belongings carried into the facility shall be sufficient cause to deny a visit. The facility shall follow the procedures noted herein for documenting the denial of a visit.

Offenders shall be strip searched prior to entering the visit room and shall be strip searched immediately upon leaving the visiting room before being allowed to return to their living assignment. At the conclusion of the visit, the offender shall be required to leave the visiting area first. The visitor shall be requested to wait until the offender has been processed and searched. If staff finds any prohibited property or contraband on the offender, staff shall identify the visitor and shall contact local law enforcement.

XIX. BODILY CONTACT BETWEEN OFFENDER AND VISITORS:

A. Contact Visits

Visits shall be as informal and private as possible. Offenders and visitors may be physically separated. In those cases where an offender and visitor are permitted contact, an offender and his visitor(s) shall be permitted to shake hands, embrace, or kiss at the beginning of their visit. There will be no kissing or embracing during the actual visit, or at the conclusion. The offender and visitor (s) will sit across from each other in their designated assigned seats. Children may sit on an offender's lap only if the child is too small to sit in a chair.

When an official offender visitor concludes the visit with the offender, they will not be required to remain in the waiting area until the offender goes through the strip search process prior to leaving the visiting area. If staff searching the offender discovers any prohibited property or contraband in the offender’s possession after a visit with an official offender visitor, the staff person conducting the search will follow the standard procedures when such items are discovered and will notify the Shift Supervisor. The Shift Supervisor shall notify the Facility Head as soon as possible. The Facility Head will advise the appropriate Executive Director of the incident and shall contact the official offender visitor’s supervisor.

4. Upon review by the Deputy Warden of Operations, a written recommendation may be made to the Warden to place an offender on non-contact visitation status. If the Warden determines that the evidence supports the action, the offender shall be allowed only non-contact visitation based on the following guidelines:
 - a. First offense - Six (6) months of non-contact visits.
 - b. Second offense - Twelve months of non-contact visits.
 - c. Third and subsequent offenses - Permanent non-contact visits.

In order to impose either 12 months of non-contact or video visits or permanent non-contact or video visits the offender must have been placed on six (6) months and/or 12 months of non-contact or video visits previously. The offender must have progressed through the lower levels of non-contact or video visits. Simply finding an offender guilty of any of the above offenses and not imposing non-contact or video visits shall not entitle the offender to be given a longer period of non-contact or video visits following the next finding of guilt. Additionally, non-contact or video visits imposed in a prior period of incarceration or in a prior commitment period shall not be considered when imposing non-contact or video visits in the current commitment.

These restrictions shall not be considered as a part of any disciplinary action taken against the offender for guilty findings for any of the indicated offenses; but shall be an administrative action in addition to any disciplinary action taken against the offender. The Disciplinary Hearing Body or Screening Officer shall notify the Warden or designee of any offender who has been found guilty of any disciplinary code violation which may result in a recommendation for non-contact visits.

5. When a decision is made to permit only non-contact visits, the offender shall be notified in writing, on State Form 43324, MODIFICATION OF VISITING PRIVILEGES. This notification shall include: the reason for the imposition of the non-contact visits; the time period for the imposition of non-contact visits; and, the offender's right to appeal the decision through the procedures for Policy 00-02-301, "Offender Grievance Process." In those cases where the non-contact visits apply only to a specific visitor, the visitor shall be notified in writing of the decision and his/her right to appeal this action to the Commissioner or designee.

Following the imposition of non-contact visits and the exhaustion of appeals through the Grievance Process, an offender who has been placed on non-contact visit status can request his visits be reinstated at the close of the restriction time frame (i.e. 6 months, 12 months). The offender shall submit a written request to the appropriate Unit Team Manager asking that the imposition of non-contact visits be reconsidered. The Unit Team Manager shall

The offender shall submit a written request to the Unit Team Manager asking that the imposition of non-contact visits be reconsidered. The Unit Team Manager shall review the request and the offender's record during the two (2) year period and render a decision submitting a recommendation to the Warden. If the Warden denies the request, the offender may appeal the decision to the Executive Director. The Executive Director shall review the request and the - Warden's comments and render a decision. The decision of the Executive Director shall be final. If the request is denied, the offender may submit another request to the Warden one (1) year from the date of the final denial.

When non-contact visits are imposed, the information desk, visitor processing desk and Classification Department shall be notified. Any passes issued shall specify, "Non-contact visits." In such cases, the visitor shall be notified, in writing, of the decision. - A. The following rules shall be maintained in the visiting area Post Orders:

XXI. RESTRICTIONS ON VISITS WITH MINORS:

Offenders who have a current or prior sex offense adjudication and/or conviction involving a minor may be restricted from receiving visits from minors (i.e. persons under the age of 18 years of age excluding spouses who are not the offender's victim).

A. Intake Assessment:

1. When an offender is received at a Department Intake Unit, staff at the Intake Unit shall review the offender's records to determine whether there has been either a conviction as an adult or adjudication as a juvenile for a sex offense involving a minor. Staff at the Intake Unit shall complete the INITIAL SEX OFFENSE CHECKLIST for all offenders committed for a sex offense and shall include information relating to the offense. If there is such a conviction/ adjudication, the offender's record shall be marked with a "Y" (for Yes) in the "VMR" (Visitor-Minor Restriction) field in the Offender Information System (OIS). This data is entered into the "Current Classification" screen. The "VMR" flag can then be viewed in the "Current Classification" screen and above the Offender's DOC Number on the "Visitor List" and "Visitor Log" screens. This screen shall be reviewed as part of A & O upon transfer to other facilities.
2. Any offender identified as having a sex offense involving a minor shall be notified in writing of the visitation restriction with minors. State Form 3779, "Denial/Restriction of Visitation Privilege," shall be used for this purpose. The offender shall be advised that his visitation with minors will be restricted until his record has been thoroughly reviewed and he meets with the Unit Team at the facility. A copy of the completed State Form 3779 shall be placed in Section 5 of the offender's facility packet.

and must not have been a victim of the offender.

- c. The offender has not been adjudicated/convicted of any other sex offense and there is no documentation, in the offender's records, indicating the offender has/had multiple victims. If the offender has multiple counts for sex offenses in the current commitment period, these offenses shall count as only one (1) offense if there was a single victim.
 - d. The offender must not have had any other visitation restrictions for sexually related activities within the preceding 12 months.
 - e. There must be no known court orders restricting/prohibiting the offender's contact with the intended minor visitor(s).
 - f. The circumstances surrounding the triggering adjudication(s)/conviction(s) indicate the minor, though legally incapable of consenting, was not compelled by force or threat.
2. The Unit Team shall review the responses to the above questions. If the responses to Questions a, c, d, e and f are in the negative and the response to Question b is in the affirmative the offenders shall be permitted or denied visitation with minors as indicated in the procedures above.

If any of the responses to Questions a, c, d, e or f are in the affirmative or if the response to Question b is in the negative, the offender shall not be permitted to have visits with minors.

The Unit Team shall notify the offender in writing of its decision regarding visits with minors. If there is a restriction, either non-contact or no visits, the Unit Team shall use State Form 3779 for this purpose.

- C. Offenders who are denied visits with minors shall automatically receive a Case Review to ensure that the restriction is appropriate. The Facility Head or designee shall forward all pertinent material regarding the reason for the restriction to the Division of Mental Health in Central Office.

The SOMM Program Manager in Central Office shall complete a Case Review of the offender and make a determination as to whether there should be any changes in the decision of the Unit Team. automatically be reviewed by Central Office.

The SOMM Program Manager in Central Office shall submit a copy of the Case Management Review Summary to the Facility Head of the facility housing the offender with a decision regarding whether visits with minors are to be permitted and any restrictions on these visits. The Facility Head shall review the decision in the Case Management Review Summary and ensure that the decision is implemented. The Facility Head shall ensure that the Case Management Review Summary is filed in the offender's facility packet.

If the decision is to grant the visits, the Facility Head shall ensure that the offender is notified that the requested visits are granted contingent on the following:

1. The offender must consent to send State Form 50270, SEX OFFENDER VISITATION WITH MINOR VISITATION DISCLOSURE at his expense to the parent/legal guardian of the intended visitor(s) and the parent/legal guardian must complete the form. This form shall indicate the offender's offense; the circumstances of the offense; an agreement to accept responsibility for a minor to visit the offender; agreement to abide by all of the facility's visitation rules; and, the conditions of the visit. This form must be completed and returned to the facility.
2. Whenever a visit occurs, a picture identification card must be presented for each minor visitor. (Picture identification cards are available from the Bureau of Motor Vehicles License Branches).

The child (ren) may visit the offender only in the company of the parent/legal guardian unless prior approval has been given, in accordance with these procedures, to allow another adult to accompany the child (ren) to the facility.

If all of the above conditions are met, visits with the requested minor(s) who are immediate family may occur.

If the intended minor visitor is the legal spouse of the offender and the marriage can be verified through the offender packet or by the spouse providing documentation, the spouse shall be permitted to visit the offender. In cases where the spouse was the victim of the offender, if approved in the Case Management Review, the spouse may be allowed to visit the offender.

Once visitation has been granted, the Facility Head shall ensure that the approval is noted in the "Comment" field in the "Caseworker's Approval List" in OIS while retaining the "Y" indicator on the "VMR" field. The original approval and Case Management Review Summary shall be filed in the offender's packet with other visitation documents.

- D. The decision to allow an offender to have visits with minors shall be honored by all facilities as

long as the offender continues to meet the stated criteria and continues to make progress towards his RAP.

- E. During the development of the Offender's Re-Entry Accountability Plan (RAP) the Unit Team shall discuss any restrictions placed on the offender's visitation with minors. The Unit Team shall advise the offender that if the offender makes substantial progress in meeting the needs identified in the RAP, the offender may have the restriction lessened or removed. Substantial progress means that the offender has made significant strides in completing any programs identified that may impact the likelihood that the offender will re-offend. For example, if the offender successfully participates in the SOMM Program, the approved Substance Abuse Program or other programs, such as "Thinking for a Change" or an approved Anger Management Program, the Unit Team may consider lessening the visitation restriction.
1. The offender's minor visitation restrictions shall be reviewed during each RAP review. If the Unit Team determines that the offender has made significant progress in addressing the areas in the RAP, the Unit Team shall contact SOMM staff, if available at the facility, to discuss modifying the restrictions on minor visitation. The Unit Team shall submit a recommendation based upon its findings and the input from the SOMM staff to the Facility Head for a decision.
 - a. If the Facility Head approves lifting the restriction, the Unit Team shall notify the offender that he may have contact visits with his children.
 - b. If the Facility Head denies the lifting of the restriction, the Unit Team shall advise the offender of the decision and the reason for the decision. The offender shall be advised that he shall be reviewed again in six (6) months.
 - c. The decision of the Facility Head shall be final.
 2. Offenders who have been placed on no minor visitation shall be required to remain on this restriction for one (1) year before being considered for non-contact visits with minors. The Unit Team shall meet with the offender during the next RAP review following the end of the one (1) year period and shall review the offender's behavior and progress in addressing those areas indicated in the RAP. If the Unit Team believes that the offender's behavior has been appropriate and that he has made appropriate progress in addressing the issues in his RAP, the Unit Team shall contact SOMM staff, if available at the facility, to obtain their opinion about lifting the restrictions on the offender's visitation with minors. The Unit Team shall submit a recommendation based upon its findings and the input from the SOMM staff to the Facility Head for a decision.

- a. If the Facility Head approves the recommendation, the Unit Team shall advise the offender that he has been approved for non-contact visits with minors.
- b. If the Facility head denies the lifting of the restriction, the Unit Team shall advise the offender of the decision and the reason for the decision. The offender shall be advised that he shall be reviewed again in six (6) months.
- c. In cases where these offenders are granted non-contact visits, they will be required to remain on non-contact visits for at least one (1) year. After being on non-contact visits with minors for one (1) year, they may be considered for contact visits in accordance with the above procedures.
- d. The decision of the Facility Head shall be final.

F. The Unit Team shall review any disciplinary actions taken against the offender, any visitation restrictions imposed, the offender's progress toward completing the requirements in the RAP and whether the offender continues to meet the criteria for minor visitation. The Unit Team shall make a determination as to whether the offender's minor visitation status should be revised and, if a change appears appropriate, submit a recommendation to the Facility Head.

If the offender, after having been approved for visits, fails to continue to meet any of the above criteria or exhibits any behavior that raises concerns about the safety or security of the facility or the public, the approval for any visits with minors shall be rescinded immediately.

G. In certain cases, visits with minors may be permitted even if the offender does not meet all of the above criteria and a Case Management Review has not been conducted. Unless prohibited by a court order, the Facility Head may approve a visit with minors who are immediate family members in the following situations:

- 1. The offender is in the last stages of a terminal illness and it appears that the offender's death is imminent.
- 2. A therapeutic visit is requested by the victim's licensed therapist. If the victim is in therapy and the victim's therapist believes that the visit is necessary for the successful treatment of the victim, the therapist may request a special visit. The therapist must submit a request on his/her letterhead stating the purpose of the visit and those to be present at the meeting. Additionally, the therapist must provide a signed statement from the victim or the victim's parent/legal guardian, if the victim is still a minor, authorizing this visit and a copy of the therapist's state license. The Facility Head shall review this request and determine whether it appears that to permit such a visit will be in the best interests of all parties. If the proposed

If the Facility Head approves such a visit and the offender agrees to the visit, a written notification, indicating the date and time of the visit, shall be sent to the therapist. The permission for such a therapeutic visit shall be for one (1) visit only. If the therapist believes that another visit is necessary, the therapist must obtain approval for any subsequent visits, in accordance with the above process.

3. The facility receives a court order instructing it to allow the offender to visit with a specific minor. If a facility receives a court order for a VMR offender to be permitted visitation with a minor, the facility shall contact the Division of Legal Services as soon as possible. The Division of Legal Services shall contact the court and advise the facility as to what action is to be taken.

XX. EMERGENCY SITUATIONS:

When the Warden determines that an emergency situation exists as presented in Policy 02-03-102, "Emergency Response Operations," any or all visits shall be suspended. Any visits in progress shall be terminated and the visitors escorted from the facility.

In cases where the Warden or designee determines that it is in the best interest of the facility, visitors or offenders, the Warden or designee may suspend the visitation privilege. In those cases, the Warden or designee shall notify the individuals involved that the visit is terminated. The individuals involved in the terminated visit shall be advised if and/or when a visit may occur again.
