Pre-Impasse Mediation

Pre-impasse mediation is a service offered by IEERB to the parties between September 15, 2020 and November 16, 2020. The parties must both agree to the need for pre-impasse mediation and must both sign this request before IEERB will assign a mediator. The number of mediation sessions will be determined by the parties. The parties shall equally split all costs of pre-impasse mediation. IEERB will pay the mediator and then bill the parties. Invoices are due within 30 days of receipt. Parties failing to attend scheduled mediation sessions shall be charged the entire amount for the missed session (amount includes: mediator’s preparation for the session, mileage and travel expenses, time in traveling to and from the session and time spent waiting for the party who failed to attend).
