SUBJECT: IEERB's Request for Approval of Ad Hoc Panel

IEERB makes all non-staff appointments of mediators, hearing examiners, hearing officers, fact-finders, financial consultants, and compliance officers not made pursuant to Ind. Code § 4-21.5-3-8.5(a) from an approved ad hoc panel.

Attached is IEERB's proposed Ad Hoc Panel, which is being submitted for your approval. Information on per diem, costs, and payments are detailed in attachment.

This request is being sent first to SPD. IEERB asks that SPD forward the approved ad hoc panel to SBA, and that SBA send the approved panel back to cspicer@ieerb.in.gov.

Thank you for your assistance with this request. Please contact me if you have any questions.

Additions in **bold**. State employees who may assist IEERB on state time, such as through the Shared Neutrals Program, have asterisks (**). Those removed from the Panelist list are Judith Bush, Nicole Denow, Aija Funderburk, Lee Lonzo, and Zoretta Ward-Halloway.

IEERB pays the following daily rates: \$800 for mediators, financial consultants and panelists who assist with training; \$1200 for hearing examiners, hearing officers, and fact-finders. State employees working on state time, such as through Shared Neutrals, will not receive daily rate payments but will be reimbursed for incurred costs as set forth below. State employees not working on state time may receive full compensation as an ad hoc subject to state and agency ethics rules, as well as permission from their agency ethics officer and a waiver filed with the Inspector General.

Parties equally share ad hoc daily rates and costs for impasse mediators and fact-finders. IEERB will request reimbursement for those costs. Ad Hoc panel members will be compensated for expenses in accordance with rules set forth in the Financial Management Circular 2017-02 and current Ad Hoc Panelists Compensation and Reimbursement Policy.

Ad Hoc panelists (excluding FMCS employees and state employees working on state time) involved in impasse procedures will be provided the following training stipends: \$75 for attending at least three of the four training sessions (2.25 hours).
