3. Intended Benefit

How does your program/initiative benefit the key population you identified in your program/initiative description?

Response:

4. Health Equity

The Robert Wood Johnson Foundation defines health equity as "... everyone has a fair and just opportunity to be as healthy as possible. This requires removing obstacles to health such as poverty, discrimination, and their consequences, including powerlessness and lack of access to good jobs with fair pay, quality education and housing, safe environments, and health care."

In what ways does your program/initiative address health inequities and discrimination in your key population?

Response:

Next Steps

Thank you for taking the time to submit your letter of intent to receive Title V funding. Your work is important in helping improve the lives of Indiana's MCH populations. Your submission will be carefully reviewed by our reviewers. The next steps for this funding opportunity are outlined below:

Step 1: All proposals will be reviewed by IDOH staff. After review, some applicants will be asked to move on to Step 2.

Step 2: Applicants in this round of review will be asked to present your program/initiative in a more detailed 15-minute presentation with a 15-minute question and answer.

- A PowerPoint template will be provided.
- Presentations will be held the week of **April 19 – 23**

If you are selected for funding:

- You will be asked to provide a scope of work and budget to begin a contract with the Indiana Department of Health.
- Your funding will begin on October 1, 2021.

Please send your completed form to ISDHMCH@isdh.in.gov by 6:00PM EST on March 31, 2021.
