Stats Explorer provides quick access to publicly-available health and health-related statistics.

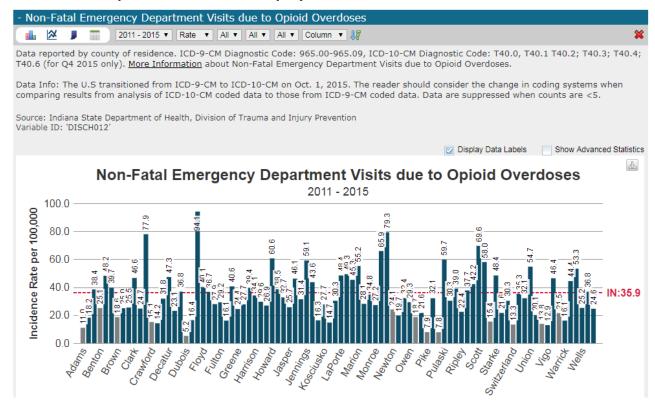

Check it out at: https://gis.in.gov/apps/isdh/meta/stats layers.htm

## **Starting your Stats Explorer search:**

1. Select a topic from the drop-down list or enter a keyword into the text box and click search.

| Find, Explore, and Download Indiana Health Stats |                   |        |
|--|-------------------|--------|
| List by:   | ▼ or Find: opioid | Search |

- 2. For each result, expand the variable title to review the data description.
  - + Deaths from Drug Poisoning Opioid
  - + Non-Fatal Emergency Department Visits due to Opioid Overdoses
  - + Opioid Submission Requests
- 3. Click chart, map, or table icons to display the data in various formats.

<u>Need more help?</u> Check out the five tutorials on the bottom, left corner on the homepage. Tutorials are not compatible with Internet Explorer and older browsers.

<sup>\*</sup>Rates based on counts less than 20 are considered unstable/unreliable (U) and should be interpreted with caution\*
