Call 844-624-6667 option 3 for Help Me Grow Indiana

Help Me Grow (HMG) Indiana's services can be reached by calling a toll-free number that connects **ALL** families and care providers to local community resources and child development information in Indiana.

Help Me Grow Indiana: Information for Call Centers

- The mission of HMG Indiana is to promote optimal developmental of Indiana's young children.
- HMG Indiana isn't an agency, but a partnership based on a national model for organizing existing agencies with the goal of more efficiently and effectively reaching and helping children.
- Housed at the Indiana State Department of Health, HMG Indiana utilizes the MOMS Helpline's phone system in connection with Indiana 211's resource database.

"What's in it for me?"

HMG Indiana can offer numerous benefits to your call center:

- **Free, standardized developmental screening:** HMG Indiana care coordinators will give free developmental screenings to children from birth to 5 years old.
- **Care Coordination:** HMG Indiana provides free, specialized care coordination for families of young children that you serve.
- **Call Center Continuous Quality Improvement:** HMG is about making the system work efficiently. When we develop a best practice, HMG will share that information with call centers.
- **Partnerships:** HMG provides opportunities for call centers to improve communication among partners.
- **Referral:** HMG Indiana works with call centers to establish a referral pathway.
