Date

Instructor

Metastin LLC  
Ca BRN Provider # CEP17016  
Scott D. Weingart, MD-Course Director

Credit Designation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of EM Medicine and Metastin LLC. EM Medicine is accredited by the ACCME to provide continuing medical education for physicians. EM Medicine designates this podcast activity for a maximum of 1 Alpha PBA Category 1 Credit. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

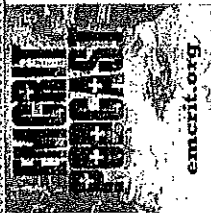

Target Audience: This activity is designed for emergency medicine physicians and critical care physicians.

Goals: The purpose of this activity is to provide attendees with the evidence-based practice information, specifically in the areas of emergency patient care, triage, triage management, and airway management.

Faculty Disclosure: It is the policy of EM Medicine to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships or a potential conflict of interest that may arise from the relationship. In compliance with all ACCME Standards, Standards, and Guidelines, all faculty for this CME activity were asked to complete a full disclosure statement. This information was provided as part of the activity materials.

Commercial Support: None

## In House Coverage

### Requirements:

<p><b>6. In-house Emergency Department physician coverage.</b> The Emergency Department must have a designated emergency physician director, supported by an appropriate number of additional physicians to ensure immediate care for injured patients.</p> <p><b>Neurosurgery, if applicable.</b> The hospital must have a plan that determines which type of neurologic injuries should remain at the facility for treatment and which types of injuries should be transferred out for higher levels of care. If neurologically injured patients are admitted for at your facility, please provide your hospital's Neurosurgery physician call schedules since granted "in process" Level III Trauma Center status.</p> <p><b>Orthopedic Surgery.</b> There must be an orthopedic surgeon on call and promptly available twenty-four (24) hours per day.</p> <p><b>Critical Care Physician coverage.</b> Physician coverage of the ICU must be available within thirty (30) minutes, with a formal plan in place for emergency. There must be emergency coverage in-house twenty-four (24) hours per day.</p>	
<p>Have your Emergency Department have the appropriate number of physicians to ensure immediate care for injured patients?</p>	<p>Emergency Medicine:  <input type="checkbox"/> Yes   <input type="checkbox"/> No</p>
<p>If neurologically injured patients are admitted for at your facility, please provide your hospital's Neurosurgery physician call schedules since granted "in process" Level III Trauma Center status.</p>	<p>Neurosurgeons:  <input type="checkbox"/> Yes   <input type="checkbox"/> No</p>
<p>Have your Orthopedic Surgeons and Critical Care Physicians maintained coverage twenty-four (24) hours per day since granted "in process" Level III Trauma Center status?</p>	<p>Orthopedic Surgeons:  <input type="checkbox"/> Yes   <input type="checkbox"/> No</p>
<p>Provide your hospital's monthly Emergency Medicine, Orthopedic and Critical Care physician call schedules since granted "in process" Level III Trauma Center status.</p>	<p>Critical Care Physicians:  <input type="checkbox"/> Yes   <input type="checkbox"/> No</p>

### Evidence:

1. ED physician schedule
2. Neurosurgery physician call schedule
3. Orthopedic surgeon call schedule
4. Critical Care physician call schedule
