

Join us at the early childhood meeting place

NEW! family information & resources directory

The Early Childhood Meeting Place is a gateway to information, services and resources for Indiana's early education professionals and families. The Family Information & Resources Directory is a new area that has been added to provide a wide variety of information and resource links for parents of young children.

If your organization provides services or resources to Indiana families and young children (birth through age 5), we invite you to become an account holder! This website will permit you to freely post, update, and maintain information about your services to any (or all) of the following major categories:

- Community Resources and Social Services
- Childcare and Early Education
- Health and Safety
- Parenting

Information may be posted to single or multiple counties, or posted as a statewide/ national resource. Also, as an account holder, you may post to these other areas of the Early Childhood Meeting Place: Agencies & Organizations, Events Calendar, Professional Development, and Initiatives & Research.

For more information on the criteria and guidelines on becoming an account holder, contact Cathy Beard @eccenter@indiana.edu. Also, please visit the Early Childhood Meeting Place (ECMP) at: <http://earlychildhoodmeetingplace.indiana.edu>

The Early Childhood Meeting Place is a free service sponsored and supported by

Additional support for the Family Information and Resource Directory is provided by DHHS/HRSA's Maternal and Child Health Bureau to the Indiana State Department of Health, Maternal and Children's Special Health Care Services, Sunny Start Project.

Connecting Indiana's early childhood communities
to education, resources, and news.
