ON-FARM
READINESS
REVIEW TODAY!**

The **Indiana State Department of Health** has partnered with **Purdue University Extension** and the **Indiana State Department of Agriculture** to provide growers with **free farm reviews**.

Produce-safety experts will walk through your operation, step-by-step, and recommend inexpensive ways to meet new **FSMA Produce Safety Rule** requirements.

All reviews are confidential; no paperwork or photos leave the farm.

To schedule your free review, please contact **317-476-0056** or email **ProduceSafety@isdh.in.gov**.

If you have any questions, please contact **Amanda Deering** with Purdue Extension at **765-586-7544** or **adeering@purdue.edu**.
