b) 2019 Goals

1. Transfer delay – This will be kept and tracked for a year. It is important that non-trauma centers report these fields. Doing so will not incur a cost as DI will build out elements that Indiana includes in their extension for 2019. **ACTION:** Dr. Savage will bring this to the ISTCC.
2. Quiz participation – Quiz participation has been decreasing. **ACTION:** Participating in the quiz will be brought up at the ITN meeting.

3. Collecting hospital level variables – Dr. Jenkins would like to have hospital level data for research. **ACTION:** Dr. Jenkins will send Ramzi Nimry a list of variables to send to the hospitals in a survey.
4. Pediatric critical patient definition – The definition for critical patients is calculated differently for pediatric and adult patients. **ACTION:** Dawn will send this to Camry Hess.
5. EMS run sheet collection – Dr. Kaufmann let the subcommittee know that the EMS commission re-interpreted the rule to mean that if you have access to the registry then that meets the rule of leaving the run sheet.
