1. Discontinue use of the products;
2. Quarantine any unused product until further instructions are received on how to return the product; and
3. Contact USC at 800-718-3588 x254 or 501-327-1222 x254 from the hours of 8:30AM-5:00PM central time Monday-Friday, or e-mail at questions@uscompounding.com to discuss the return of any unused sterile compounded products.

Customers should contact their physician or healthcare provider if they have experienced any problems that may be related to taking or using this drug product. Providers who have dispensed any sterile product distributed by USC to a patient(s) for use outside of the provider's office should contact the patient(s) to whom product was dispensed and advise the patient(s) of this recall.

Adverse reactions or quality problems experienced with the use of these products may be reported to the FDA's MedWatch Adverse Event Reporting program either online, by regular mail or by fax.

- Complete and submit the report **Online:** www.fda.gov/medwatch/report.htm
