**DATE:** April 24, 2015

**TO:** All Local Health Departments  
Attn: Chief Food Inspection Officer

**FROM:** *Laurie Kidwell*  
Laurie Kidwell, RRT Supervisor  
Food Protection Program

**SUBJECT:** West Liberty Foods - RECALL [Foods]

**AFFECTED  
PRODUCT:** Grilled chicken breast products

**SUMMARY:** Class I Recall; The recall has been initiated because the products may be contaminated with pieces of plastic.

The grilled chicken patties were produced on February 4, 2015. The following products are subject to recall:

- 25-lb. cardboard boxes containing 5-5lb plastic bags of "SUBWAY FULLY COOKED GRILLED CHICKEN BREAST PATTY WITH RIB MEAT"

The products subject to recall bear the establishment number "EST. 34349 or P-34349" inside the USDA mark of inspection.

These items produced were shipped to restaurants in Illinois. The company has already contacted the restaurants impacted in this recall.

**SUGGESTED  
ACTION:** Recommend notification of affected parties via phone, fax, or e-mail. Consumers with questions about the recall can contact Renee Miller, Sales Support Manager, at (319) 627-6114. Media with questions about the recall can contact Dan Waters, VP and General Counsel, at (515) 224-6199. Furthermore, if any recalled products are found, notify this office at 317-233-8475.

**WASHINGTON, April 23, 2015** – West Liberty Foods, a Tremonton, Utah establishment, is recalling approximately 34,075 pounds of grilled chicken breast products that may be contaminated with pieces of plastic, the U.S. Department of Agriculture’s Food Safety and Inspection Service (FSIS) announced today.

The grilled chicken patties were produced on February 4, 2015. The following products are subject to recall:

- 25-lb. cardboard boxes containing 5-5lb plastic bags of “SUBWAY FULLY COOKED GRILLED CHICKEN BREAST PATTY WITH RIB MEAT”

The products subject to recall bear the establishment number “EST. 34349 or P-34349” inside the USDA mark of inspection. These items produced were shipped to restaurants in Illinois, Oklahoma, Minnesota, Nebraska, and Texas. The company has already contacted the restaurants impacted in this recall.

The problem was discovered after the company received complaints from consumers who found small pieces of white plastic in the product.

FSIS and the company have received no reports of adverse reactions due to consumption of these products. Anyone concerned about an injury or illness should contact a healthcare provider.

FSIS routinely conducts recall effectiveness checks to verify recalling firms notify their customers of the recall and that steps are taken to make certain that the product is no longer available to consumers. When available, the retail distribution list(s) will be posted on the FSIS website at [www.fsis.usda.gov/recalls](http://www.fsis.usda.gov/recalls).

Consumers with questions about the recall can contact Renee Miller, Sales Support Manager, at (319) 627-6114. Media with questions about the recall can contact Dan Waters, VP and General Counsel, at (515) 224-6199.

Consumers with food safety questions can "Ask Karen," the FSIS virtual representative available 24 hours a day at [AskKaren.gov](http://AskKaren.gov) or via smartphone at [m.askkaren.gov](http://m.askkaren.gov). The toll-free USDA Meat and Poultry Hotline 1-888-MPHotline (1-888-674-6854) is available in English and Spanish and can be reached from 10 a.m. to 4 p.m. (Eastern Time) Monday through Friday. Recorded food safety messages are available 24 hours a day. The online Electronic Consumer Complaint Monitoring System can be accessed 24 hours a day at: <http://www.fsis.usda.gov/reportproblem>.

<b>Class I</b>	This is a health hazard situation where there is a reasonable probability that the use of the product will cause serious, adverse health consequences or death.
<b>Class II</b>	This is a health hazard situation where there is a remote probability of adverse health consequences from the use of the product.
<b>Class III</b>	This is a situation where the use of the product will not cause adverse health consequences.
