PART ONE

Introduction to Indiana Library and Historical Board Certification Rule

Indiana law has required librarian certification for decades. IC 36-12-11-5 requires the Indiana Library and Historical Board (ILHB) to determine and define grades of public library service and set the qualifications that individuals must meet to be employed in each of the grades of public library service. The law requires ILHB to:

- prescribe and define the qualifications of public library directors, branch and department heads, and professional assistants;
- make certification requirements available;
- issue certificates to qualified candidates who apply; and
- adopt rules the board determines are necessary to fulfill these requirements.

The rules are codified in the Indiana Administrative Code (590 IAC 5) and can be read in their entirety at: http://www.in.gov/legislative/iac/iac_title?iact=590. The Indiana State Library (ISL) administers the certification program for the ILHB.

The certification rules have gone through two significant review and revision processes, the first in 2007/2008 and then most recently in 2015/2016. On both occasions a team comprised of library staff, directors, and trustees from various sized libraries throughout Indiana reviewed the certification rules and recommended changes. The ILHB voted to adopt and implement the recommended changes. The information in this manual is based on the updated rules that took effect January 1, 2017.

CERTIFICATION REQUIREMENTS

All library directors, department or branch heads, and professional assistants, except those who are employed at K-12 school libraries, special libraries, or libraries of educational institutions, must hold a certificate. *There is an exception for lower level staff in public libraries serving a population of 3,000 or less.*

PART TWO

Certification Application Process for New Staff, Certificate Upgrades, and Transfers

NEWLY HIRED STAFF

A new hire whose professional position requires certification has 6 months to apply for the person's first 1-year temporary permit or 5-year certificate. An individual who does not meet the certification requirements for a position may apply for a 1-year temporary permit. Temporary permits may be renewed twice for a total not more than 3 temporary permits per person per job classification level. While holding a temporary permit, a new hire must complete the library science coursework or accumulate the years of experience required for the necessary 5-year certificate.

The **APPLICATION FOR CERTIFICATION OF PUBLIC LIBRARIANS** is available on ISL's Continuing Education website (<http://continuinged.isl.in.gov/certification/>). Alternatively you may request an application by phone (317-234-6217) or email (ChHarris@library.in.gov).

CERTIFICATION FEES

There is a \$50 fee per 5-year certificate for initial application and each renewal.

There is a \$10 fee per 1-year temporary permit for initial application and each of 2 possible renewals.

ISL accepts personal checks and money orders made payable to Indiana State Library

There are 3 options a library may use to pay for staff certification:

1. Draw the money from a gift fund;
2. Increase the applicant's salary (no more than \$0.20 per week) to cover the cost of the required certificate; or
3. The Library Friends group may subsidize all or part of a staff member's certification fee.

Per the Indiana State Board of Accounts, a library may not draw from its operating funds to pay for staff certification. As a result, if you pay with a library check the library director must provide a written statement that the check was drawn from an unrestricted gift fund.

COLLEGE TRANSCRIPTS

To apply for a certificate level that requires college education you must submit your official (sealed, unopened) college transcript(s). To be considered official transcripts **must** be transmitted in one of the following ways:

- the transcript may be sent electronically directly from the school to staterwideservices@library.in.gov;
- the transcript may be mailed directly from the school to the certification program director's attention; or
- you may obtain the transcript and convey it to ISL still in its original **sealed, unopened** envelope by enclosing the unopened transcript in a larger envelope along with your application and certification fee.

INDIANA PROFESSIONAL LICENSING AGENCY

A staff member's name, certificate number, type, status, and city of work or residence are public information on the State of Indiana Professional Licensing Agency website (<https://mylicense.in.gov/EVerification/Search.aspx>). Personal contact information, academic background, and employment history are not published.

NON-GRANDFATHERED STAFF: CERTIFICATE LEVEL UPGRADES

A staff member who applied for certification after September 30, 2008, or who superseded a grandfathered certificate with a certificate obtained by application is considered "non-grandfathered staff." Non-grandfathered staff who complete additional college-level library science courses or accumulate sufficient years of service may be eligible to upgrade to another certificate level. In order to upgrade a certificate level (e.g. from LC6 to LC5), a person must submit a completed Application for Certification of Public Librarians (found at <http://continuinged.isl.in.gov/certification/>) and pay \$50 for a new certificate.

NON-GRANDFATHERED STAFF: CERTIFICATE TRANSFERS

A non-grandfathered staff member may transfer a current certificate and Library Education Units to person's next position or employer. An individual who is promoted in job classification (i.e. from professional assistant to branch or department head or to director) must get the number of LEUs required of the job classification the person holds for the majority of the person's 5-year certificate.

A library staff member who is promoted into a position requiring a higher certificate level may need to apply for a temporary permit while completing the required courses or years of service necessary to qualify for the higher certificate level. To go from a 5-year certificate to a temporary permit in this situation the person must submit an Application for Certification of Public Librarians (found at <http://continuinged.isl.in.gov/certification/>) and pay \$10 for the new temporary permit.

GRANDFATHERED STAFF: CERTIFICATE LEVEL UPGRADES AND TRANSFERS

To upgrade from the level at which a person was grandfathered, the person must apply for a new certificate. The applicant doesn't need to resend school transcripts that are already on file with ISL. Upgrading a certificate voids the previous certificate and sets aside the LEUs earned under the previous certificate. As a result, LEUs earned under a grandfathered certificate do not carry over to the new certificate. Instead, a person who upgrades to a new certificate level will start a new 5-year education cycle. The person will have 5 years from the issue of the new certificate until its expiration in which to earn the number of LEUs required based on the person's job classification.

PLEASE KEEP ALL CONTACT INFORMATION AND EMPLOYMENT STATUS CURRENT WITH ISL.

Please provide any changes to your name, address, or employment information to Certification Program Director Cheri Harris, by emailing ChHarris@library.in.gov or calling 317-234-6217 or toll-free in Indiana 800-451-6028.

Mail certificate applications, payments, and official (sealed, unopened) college or MLS transcripts to:

PART THREE

Certification Renewal Process and Audits

Librarian certificates are issued and expire on a quarterly schedule. The 5-year LEU cycle for a certificate begins on the day the certificate is issued and expires 5 years from the last day of that quarter.

- **Quarter 1:** Applications and payments received between January 1 and March 31 expire 5 years from March 31.
- **Quarter 2:** Applications and payments received between April 1 and June 30 expire 5 years from June 30.
- **Quarter 3:** Applications and payments received between July 1 and September 30 expire 5 years from September 30.
- **Quarter 4:** Applications and payments received between October 1 and December 31 expire 5 years from December 31.

GRANDFATHERED CERTIFICATE RENEWALS

On July 1, 2008, staff employed by a library in a position that required certification were grandfathered at their library district and at their current level. These certificates expired on September 30, 2013 and again on September 30, 2018. Individuals who retained their grandfathered status in 2018 will be due to renew next by September 30, 2023. Individuals with grandfathered certificates are also subject to LEU requirements.

RENEWAL REMINDER LETTERS

As a certified librarian, it is solely your responsibility to keep your certificate current. As a courtesy, the State Library attempts to send a renewal reminder letter to certified librarians who are nearing their renewal dates. However, these letters do not always reach the intended recipient for a variety of reasons. A certified librarian is not absolved from the responsibility to maintain a current certificate because the librarian did not receive a renewal reminder from the State Library.

Please be mindful of the possible consequences to your library of letting your certificate lapse. Your library risks being found out of compliance with public library standards and losing access to services and funds provided by the State Library, such as InfoExpress, E-rate reimbursements, Evergreen, and LSTA grants. An additional consequence is that State Library staff spend valuable time attempting to contact and correspond with expired certificate holders instead of providing other services to Indiana libraries.

RENEWING A TEMPORARY PERMIT

The Indiana State Library accepts renewal applications for temporary permits through mail or in person at the Indiana State Library. To renew a temporary permit you must submit each of the following:

1. A completed Application for Certification of Public Librarians (found at <http://continuinged.isl.in.gov/certification/>).
2. A check or money order in the amount of \$10.00 made payable to the Indiana State Library.
3. A statement of progress indicating the steps you have taken in the past year toward qualifying for a 5-year certificate. This statement may be brief and could just list college-level library science courses you've taken.
4. LEU certificates to prove you earned at least 10 LEUs between the date your temporary permit was issued and the date it expires. Please photocopy LEU certificates before sending the originals to ISL.

RENEWING A 5-YEAR CERTIFICATE

The cost to renew a 5-year certificate is \$50.00. You may renew a 5-year certificate by completing an Application for Certification of Public Librarians (found at <http://continuinged.isl.in.gov/certification/>) and submitting it through the mail or in person at the Indiana State Library. Alternately, a person who already holds a 5-year certificate may renew that certificate using the Indiana Professional Licensing Agency's automated online system, found here: <http://www.in.gov/pla/3121.htm>.

You may renew online ONLY if each of the following statements apply to you:

- You have not changed your library employer or your job classification,
- You are not upgrading your certificate (e.g., from an LC₃ to LC₂ or from an LC₂ to LC₁), and
- You are not applying for a temporary certificate.

Please note that to renew online you will need your certificate number and your registration code. If you don't know your certificate number, you can search for it at <http://www.in.gov/pla/3109.htm>. Your registration code can be found in the renewal reminder letter sent to you by mail at the start of the quarter in which your certificate expires. Please be aware that the Professional Licensing Agency charges a small fee for using the online portal to renew your certificate.

Do not send LEU certificates with your application for recertification

The State Library conducts random audits to verify individual participation in continuing education. If your file is selected for random audit, we will contact you not later than 30 days after your certificate's expiration date. If you receive a notice of random audit from the State Library, you have 60 days to submit proof that you earned the appropriate amount of LEUs. If you do not receive a notice of random audit within 90 days after your certificate expires, you may discard your LEU documentation from the previous 5-year cycle.

Please call Cheri Harris, the certification program director, with your specific questions at 317-234-6217 or toll-free in Indiana 800-451-6028, or email her at ChHarris@library.IN.gov.

LEU AUDITS

Each quarter the Professional Licensing Agency randomly selects for audit 10% of the people who renewed a 5-year certificate during the previous quarter. The purpose of the audit is to verify that the person being audited obtained the number of LEUs necessary for renewal. If you are audited you will get a letter in the mail to notify you of the audit and instruct you what to do. Not later than 60 days after receiving this letter, you must mail your LEU certificates to the Indiana State Library. Spreadsheets or other unverifiable lists of workshops you have completed will NOT be accepted in lieu of LEU certificates. Accordingly, the Indiana State Library strongly advises each certified librarian to create a paper file to hold hard copy documentation of every class taken and LEU certificate received.

A person who is audited and who fails to produce proof that they completed the required number of LEUs may be subject to disciplinary action under IC 36-12-11. Disciplinary action can include suspension or revocation of the certificate, among other possible consequences stated in IC 36-12-11.

All LEU credits must be earned between the date your certificate was issued and when it expires. All workshops and courses must be approved for LEUs prior to completion in order to be included in your total. Please keep all LEU certificates for 90 days after your current certificate expires.

LEUs do not "roll-over" from one education cycle to the next. If an applicant completes more hours than required, the additional hours cannot be counted toward the next renewal cycle.

If you are notified that you have been selected for random audit, please mail your LEU certificates and any conference documentation to:

Indiana State Library
ATTN: Certification Program Director
140 North Senate Avenue
Indianapolis, IN 46204.

**BEFORE YOU SEND YOUR ORIGINAL LEU CERTIFICATES TO ISL
IN RESPONSE TO A RANDOM AUDIT,
PLEASE PHOTOCOPY THEM FOR YOUR RECORDS.**

PART FOUR

Library Education Units (LEUs)

Library Education Units (LEUs) refer to units earned by librarians from approved courses, workshops, and other activities in which librarians participate and that are used to establish librarian eligibility for certificate renewal. You alone are responsible for recording and retaining records of your LEUs. **The State Library does not keep this information.**

Whether you have a 5-year certificate or a temporary permit, please keep the following in mind:

- Your education cycle is the period of time between the date your certificate was issued and when it expires. In order to count toward meeting your requirements, all classes for LEU credit must be completed between these dates.
- All workshops and courses must be approved for LEUs prior to completion in order to be included in your total.
- **LEUs do not “roll-over” from one education cycle to the next.** If an applicant completes more hours than required, the additional hours do not count toward the next renewal cycle. Nor will a person be allowed to renew a certificate early in order to begin a new education cycle.

LEU REQUIREMENTS FOR TEMPORARY PERMIT HOLDERS

Beginning in 2018, in order to renew a temporary permit a person must submit proof of having completed at least 10 LEUs during the period of the temporary permit. A temporary permit holder may not earn LEUs from college level library science courses taken to meet the requirements of the 5-year certificate they are working toward. A temporary permit holder is not eligible to earn LEUs by attending roundtables.

LEU REQUIREMENTS FOR FIVE-YEAR CERTIFICATE HOLDERS

- **Directors and Specialists 1, 2, and 3** must complete **100 LEUs** during each 5-year education cycle, including 10 or 20 Technology Library Education Units (TLEUs). (See below to determine which.)
- **Branch or Department Heads and Specialists 4 and 5** must complete **75 LEUs** during each 5-year education cycle, including 10 or 20 TLEUs. (See below to determine which.)
- **Professional Assistants** must complete **50 LEUs** during each 5-year education cycle, including 10 or 20 TLEUs. (See below to determine which.)

No matter what your job classification, a certain amount of your LEUs must be TLEUs:

- If your current certificate was issued before January 1, 2017 (and expires before January 1, 2022) at least 10 of your total number of LEUs must be TLEUs.
- If your current certificate was issued after January 1, 2017 (and expires after January 1, 2022) at least 20 of your total number of LEUs must be TLEUs.

A librarian with a 5-year certificate must retain LEU certificates of completion, and other written documentation of LEU completion, for at least 90 days after the end of the certification period during which they were earned.

APPROVED LEU COURSE PROVIDERS

The State Library’s continuing education website has a list of [approved providers](#) who have blanket LEU approval for all offerings. All other library education providers must be evaluated and approved by the Indiana State Library. You can find the Application for Library Education Unit Provider on the State Library’s [LEU Policies webpage](#).

REQUESTING LEU APPROVAL FOR A TRAINING OR WORKSHOP

The Indiana State Library reviews applications for LEU providers. **Please submit applications 30 days in advance of the event you are applying for.** If approved, the provider and trainer will be eligible to offer LEU opportunities to Indiana library staff. A course is approved for a period of 2 years, provided the agenda, objectives, content, and instructors remain the same. *A change to even one of those aspects requires re-submission for approval.* LEUs are awarded on an hour-for-hour basis and round up to 2 hours after 90 minutes.

Complete the application for LEU Providers at <https://continuinged.isl.in.gov/certification/policies-on-leus/> and submit to statewideservices@library.IN.gov (or FAX to 317-232-0002). If you know the date or dates on which you intend to offer the program, please include that information.

Applications for LEU Providers must include the following information:

1. The provider or host organization and signature of the “authorized individual” (the person who will sign the LEU certificates)
2. The name and a brief biography or resume that shows the relevant experience of each trainer
3. A detailed agenda of the course or workshop
4. The amount of time (in hours or minutes) it will take to complete the course or workshop

LEU APPROVAL IS BASED ON THE FOLLOWING CRITERIA:

1. General LEU courses provide a participant with knowledge of professional library practices, services, collections, or technical library processes or the ability to deal with people and organizations in a professional capacity (as distinguished from clerical). They can include topics such as reference, cataloging, digitization, management, and finance, among other things.
2. Technology LEU includes courses on how to use computer software or hardware, electronic devices, social media, and web development.
3. Non-library related LEU courses will be approved if the subject is not library related but is relevant to library programming, services, or operations. Examples include foreign languages and fitness or wellness classes.

INELIGIBLE WORKSHOPS

Skills that may help an individual function within a particular organization, but do not advance professional librarianship are not LEU-eligible. Ineligible workshop topics include:

- Internal library policies or employee benefits (e.g., filling out library forms, using a library’s intranet, time management software, open enrollment)
- Library tours that do not include a learning component

LEU OPPORTUNITIES

LEU courses should be library related. A limited number of non-library related units may be taken for subjects of importance to library programming, services, or operations. Opportunities for LEUs are as follows:

Library science courses from accredited colleges or universities

- 1 semester credit hour = 15 LEUs (whether the course is taken for college credit or not)
- There is no limit to how many college courses may be used to satisfy continuing education requirements.
- These courses do not require LEU provider pre-approval from ISL.
- An official college or university transcript showing courses taken during the 5-year certificate period will be proof of LEUs earned.
- Note: A temporary permit holder may not earn LEUs from college level library science courses taken to meet the requirements of the 5-year certificate the individual is working toward.

Local, state, and national library association or specialist-subject related conferences

- 1 hour = 1 LEU
- The organization or conference must be on the list of approved providers or have prior LEU approval from ISL.
- In-state library organizations will usually issue LEU certificates. See below for information on documenting LEUs when the conference is out of state, online, or taken from an organization that is not a traditional library provider.

Workshops, seminars, institutes, lectures, training by certified trainers

- 1 hour = 1 LEU
- Must be on the list of approved providers or have prior LEU approval from ISL.
- In-state library organizations will usually issue LEU certificates. See below for information on how to document these LEUs when the conference is out of state, online, or taken from an organization that is not a traditional library provider.

Non-library related subjects of importance to library programming, services, or operations (For example, foreign language, fitness, and wellness.)

- 1 hour = 1 LEU
- **CAPPED:** Earn up to **10 LEUs** per 5-year certificate period.
- Must be on the list of approved providers or have prior LEU approval from ISL.
- In-state library organizations will usually issue LEU certificates. See below for information on how to document these LEUs when the conference is out of state, online, or taken from an organization that is not a traditional library provider.

Developing and delivering workshops for conferences, staff in-service training, or any other continuing education opportunity available to library professionals

- 1 hour program = 1 LEU; 2 hour program = 2 LEUs (The number of LEUs that may be earned developing and delivering workshops matches hour for hour the length of the program.)
- **CAPPED:** Earn up to **5 LEUs** per 5-year certificate period developing and delivering workshops for conferences, staff in-service training, or any other continuing education opportunity available to library professionals.
- If the program is technology related, the LEUs will be Technology LEUs (TLEUs).
- The program agenda and LEU approval letter serve as verification of LEUs.

External professional committee work

- 1 hour = 1 LEU
- **CAPPED:** Earn up to **5 LEUs** per 5-year certificate period.
- This includes serving on a professional organization committee or as a professional organization officer.
- The organization or committee must be library related.
- Participation in professional committee work does not require prior LEU approval from the Indiana State Library.
- A librarian seeking to use external committee or professional organization work should get a certificate documenting the hours served from the committee chair or the professional organization's president, vice president, director, or associate director. Alternately the person could document attendance at a committee meeting by saving a hard copy of the meeting minutes listing the person in attendance.

Publishing in a peer reviewed journal

- 2 or more page article = 5 LEUs
- **CAPPED:** Earn up to **5 LEUs** per 5-year certificate period for researching, writing, and publishing a library-related article in a peer reviewed journal
- Publishing in a peer reviewed journal does not require prior LEU approval from the Indiana State Library.
- A copy of the article in original form, or provided by means of an internet website address if the article is online, will serve as verification of LEUs.

Roundtable Meetings

- 1 LEU per roundtable attended
- **CAPPED:** Earn up to **10 LEUs** per 5-year certificate period attending professional roundtable meetings.
- Professional roundtables do not require prior LEU approval from the Indiana State Library.
- The host library shall create and award LEU certificates for all attending library professionals.
- **Note: Only individuals holding a 5-year certificate are eligible to count LEUs from professional roundtable meetings.**

TECHNOLOGY LEUs (TLEUs)

Sessions about how to use software, devices, or social media and the like are eligible for Technology LEUs (TLEUs). Sessions pertaining to policies on or funding for technology (rather than how to use a product) should be awarded general LEUs.

Examples of TLEU-eligible workshop topics include the following:

- Microsoft Office products or other software
- Database training (INSPIRE, Gale Cengage, EBSCO, and other databases)
- Social media platforms (e.g., Facebook, Twitter, Pinterest, Instagram, LinkedIn)
- eReaders, tablets, and mobile devices
- Web development courses
- Integrated Library Systems (e.g., Evergreen, Polaris, SirsiDynix, and other ILS)
- Other technology used by libraries or patrons

FINDING APPROVED CONTINUING EDUCATION OPPORTUNITIES

Continuing education opportunities are regularly posted to the INpublib listserv (subscribe at <http://www.in.gov/library/listservs.htm>). Check the State Library's [Find Training](#) webpage for additional opportunities.

DOCUMENTING LEUs EARNED AT CONFERENCES

National and out-of-state in-person conferences

Please see the list of [Approved Training Providers](#) to make sure the provider is pre-approved. This list includes in-person and virtual conferences. If you plan to attend a conference by a provider who is not listed on Training Providers Approved by ISL, please contact ISL Certification Program Director Cheri Harris to determine whether the event is eligible for LEUs. You may email her at ChHarris@library.IN.gov or call her at 317-234-6217 or toll-free in Indiana at 800-451-6028. All events are not automatically approved for LEUs. Also, please request LEU approval at least 30 days in advance of events not already pre-approved. Training that has not been pre-approved by ISL is not eligible for LEUs and ISL is not obligated to honor a certificate issued to a participant at a training that has not been approved.

1. As you have done in the past after attending an in-person conference, fill out the [Indiana Librarian Conference Form](#). Write your session synopses and retain any conference programs or documentation we could refer to in the event of an audit (e.g. confirmation of registration, conference program). Because organizations do not keep their conference information online for more than a few months, we will need something to which we can refer.
2. Based on the sessions you attended, count up the LEUs you earned. LEUs are awarded hour-for-hour for eligible sessions lasting longer than 30 minutes. LEUs round up to two after 90 minutes. LEUs round up to three after 2.5 hours, and so forth.
3. Keep these documents in your LEU file along with your other LEU certificates. **DO NOT send them in to the State Library.** You will not receive a certificate from the State Library after national and out-of-state conferences. Only turn them in to the State Library if you are notified your file has been selected for random audit. Unless you are notified of an audit, please do not mail, fax, or email this paperwork to ISL.

Conference events eligible for LEUs

Keynote speeches, author talks, and substantive workshops are eligible for LEUs. To be eligible, a session must have a specified learning objective and make a contribution to the field of professional librarianship.

Conference events ineligible for LEUs

Business meetings, conference registrations and orientations, time spent at vendor booths, and social events without a speaker are NOT eligible for LEUs.

GETTING CREDIT FOR TAKING A WEBINAR (LIVE OR ARCHIVED)

1. Make sure the program is over 30 minutes long in order to get 1 LEU for it.
2. Verify that the webinar provider is on the list of [Training Providers Approved by ISL for LEUs](#).
3. If the provider is not on the list of approved training providers, send information about the program to Cheri Harris at ChHarris@library.IN.gov before you take it, to find out whether it will be eligible for LEUs. Please include a description and a link to the program in your email.
4. Some webinar providers issue certificates; many do not. If you don't get a certificate from the provider, please follow the instructions below for creating an in-house certificate.

If an approved provider's certificate lists Professional Growth Points (PGPs), CEUs, Contact Hours, or CPDUs instead of LEUs, we will count them as LEUs.

IN-HOUSE CERTIFICATES: DOCUMENTING LEUs FOR AN ONLINE PROGRAM (LIVE OR ARCHIVED)

When a staff member views an online event that is eligible for LEUs (either because the provider is on the list of [Training Providers Approved by ISL for LEUs](#), or because the certification program director has approved the online program for LEUs) the library's designee in an administrative or Human Resources role may oversee staff attendance and create and award LEU certificates in-house.

If the staff member taking the online program is a library director, the in-house certificate should be signed by the library's HR manager or the President of the Board of Trustees.

LEUs are awarded hour-for-hour for eligible sessions lasting longer than 30 minutes. LEUs round up to 2 after 90 minutes. LEUs round up to 3 after 2.5 hours (and so forth).

Certificates generated in-house may be formatted any way you choose, so long as they contain the following elements:

- Participant's name
- Name of Webinar
- Name of webinar provider (organization)
- Date viewed (and where possible date originally aired)
- Number and type of LEUs earned (must specify LEU or TLEU)
- Proctor/Supervisor's printed name, professional title, and signature

A sample in-house LEU certificate can be found at the end of the Indiana State Library's [LEU Policies webpage](#) under: Sample "In-House" LEU Certificate for Webinars.

PART FIVE

Frequently Asked Questions

DETERMINING CERTIFICATION REQUIREMENTS

What is “professional” library work?

Professional library work includes, but is not limited to, cataloging/copy cataloging, reference, collection development, reader’s advisory, children’s and teen services. Professional library staff must keep their certificates current and in good standing, regardless of number of hours worked per week.

Are part-time employees exempt from certification requirements?

No. Certification requirements apply to all permanent (non-substitute) professional staff, whether they work full-time or part-time. Substitute, seasonal, and temporary staff are not permanent employees and, as such, are exempt from certification requirements.

Does library experience prior to completion of library science coursework count towards the years of service required for Librarian Certificates (LC) 1, 2, 6, and 7?

Yes, all combined years of professional library work experience in public, school, academic, and special libraries (including volunteer work) count towards the experience requirements of the LC1, LC2, LC6 and LC7.

I am the only professional staff in my department. Am I a professional assistant or a department head?

Job classifications are determined locally by library directors and their boards of trustees in a way that makes sense for their organizations. Whether the director and board of trustees classify a particular job as professional assistant or a department head, that person must keep the minimum required certificate in good standing.

Can I be certified at a higher level than what is required for my current job classification?

Yes. Individual certification is based on education and experience, not on job function. Some directors hold an LC4 while many professional assistants hold an LC1. The rule provides the minimum certification level required for a particular job classification and dictates only the minimum requirement that a person must meet.

How does an increase in library district size affect staff certification?

An increase in district size (i.e., moving from Class C to Class B or from Class B to Class A), whether due to population change, expanding the district into unserved townships, or merging 2 or more libraries, doesn’t affect certification requirements of staff who are already certified when the change occurs. A certified staff member isn’t subject to the requirements of the larger district as long as the staff member stays in the same library district at the same or a lower level job classification. New hires must meet the criteria for the new library district size.

I don’t currently work for a public library; how many LEUs do I need to maintain certification?

If you are not currently employed in a public library you should get the number of LEUs required by the job classification listed on your certificate. If there is no job classification listed on your certificate, you should earn the number of LEUs that corresponds to the position you last held. If you have not yet worked as a public librarian, you should earn the number of LEUs that corresponds to a position you would be qualified to seek given your credentials.

Would you consider letting us renew our certifications early if we’ve earned all our LEUs?

No, you may not renew your librarian certificate early unless you are upgrading to a higher level of certificate. The number of LEUs required for certification renewal is considered a floor. ISL would like to see all librarians strive to attain maximum professional growth by exceeding the minimum number of LEUs required to renew a 5-year certificate.

GRANDFATHERED CERTIFICATES

What does "grandfathered" mean?

On July 1, 2008, every library staff member who was employed in a professional position that required certification was grandfathered. A grandfathered staff member is exempt from the education and experience requirements for the position the staff member held on that date. A staff member retains his or her grandfathered status, as long as the staff member remains in the same library district and holds the same job classification. To remain grandfathered, any change in position must either be lateral (staying within the same job classification) or represent a move from a higher classification to a lower classification.

Library directors, employed as such before July 1, 2008, were required to meet the previous certification requirements in order to be considered grandfathered. Libraries employing directors who failed to meet certification requirements in 2007 and in 2008 were not in compliance with Indiana Library & Historical Board standards. Such libraries remain out of standards at least until the director meets certification requirements.

In order to keep a grandfathered certificate in good standing, a grandfathered staff member must obtain the number of LEUs required based on the person's job classification and renew the grandfathered certificate every 5 years.

May I apply as a new applicant even though I was grandfathered in?

Yes, a librarian who is grandfathered may apply for a new certificate by submitting an application form, the \$50 application fee, and any necessary college transcripts. The new certificate is not a "grandfathered" certificate and is not tied to a particular position in a particular library. The new certificate could, therefore, be transported to different positions and libraries. When an applicant receives a new certificate, a new 5-year education cycle starts. The applicant would begin to accumulate LEUs from the date of issue of the newest certificate.

INTERIM DIRECTORS

What are the certification requirements for interim directors?

An interim director who serves longer than 6 months and does not yet hold the required credentials for the position must apply for a temporary permit. An interim director who already holds the appropriate credentials for the position should obtain or maintain the person's 5-year certificate.

A library can only keep an interim director who holds a temporary permit for 3 years. If the interim director does not intend to apply for the permanent director position and does not pursue the education required for a director of that library's class size, the board of trustees should be actively seeking a permanent director who meets certification requirements.

NON-COMPLIANCE

What are the consequences for not meeting certification requirements?

Failure to comply with certification requirements is treated as a failure to comply with library standards. Libraries not meeting standards become ineligible to receive or make use of state and federal funding and programs.

PAYING FOR CERTIFICATION & CONTINUING EDUCATION

Can a library pay for staff certificates?

Per the State Board of Accounts, a library may not draw from its operating funds to pay for staff certification. If you submit a library check to pay for certification fees, please include a written statement from the library director indicating the check was drawn from an unrestricted gift fund and not from the library's general fund. There are 3 options by which a library may pay for staff certifications:

1. Draw the money from an unrestricted gift fund
2. Increase the applicant's salary to cover the cost of the required certificate (amounting to no more than \$0.20 per week)
3. A library friends groups may subsidize a portion or the full amount of a staff member's certification fees.

Can a library pay for staff continuing education?

Your library board may be able to pay for continuing education, either in full or in part. In accordance with state regulations, library funds made available for college or university class tuition can only be reimbursed after successful completion of the course and may not be paid by the library in advance. A library's friends group or library foundation may pay for all or a portion of continuing education costs.

PROMOTIONS & NEW POSITIONS

If I am promoted to a higher job classification, what happens to my certificate and my LEUs?

You must meet the certification requirements for your new job classification. You may need to upgrade your certificate. Please notify the certification program director of this change. In addition to keeping your record up to date, she can advise you what steps you will need to take in order to comply with the requirements of your new position.

If you are not on a grandfathered certificate and you already hold the certificate you need for the job into which you have been promoted, (or have a higher certificate level than what is required for your new job classification), you do not need to apply for a new certificate. If you already have the appropriate librarian certificate for your new position, the certification program director will simply modify the licensing database to reflect your new job classification. You will retain the LEUs you have earned in your current 5-year cycle. By the date your certificate expires, you must obtain the number of LEUs required for the job classification (i.e., professional assistant, branch/department head, or director) you held during the majority of your 5-year certificate.

If you hold a grandfathered certificate or you don't yet meet the criteria for your new job classification, you must apply for a temporary permit while you obtain the required education or years of experience. Within 6 months of starting your new position, you must apply for your first of 3 possible temporary permits. If you need a second or third temporary permit in order to complete the requirements, you must renew your temporary permit prior to its expiration date. When you complete the requirements for your new job classification you do not need to exhaust your remaining temporary permits. You may apply for a 5-year certificate as soon as you complete the requirements.

If I take a position at another library, what happens to my certificate and my LEUs?

If you hold a grandfathered certificate, you must apply for a new certificate within 6 months of starting a position at a different library. If you do not meet the criteria for your job classification at your new library, you must apply for a temporary permit while you obtain the required education and years of experience. If you need a second or third temporary permit in order to complete the requirements, you must renew your temporary permit prior to its expiration date. When you complete the requirements for your new job classification you do not need to exhaust your remaining temporary permits. You may apply for a 5-year certificate as soon as you complete the requirements.
