

INDIANA DEPARTMENT OF HOMELAND SECURITY

OCRA 2019 Regional Conferences

Why are we here?

- What is IDHS?
- What are our strategic priorities?
- **Homeland Security Support**
- How can we work together?
- Next Steps!

MISSION OF IDHS

“ The Indiana Department of Homeland Security works 24/7 to protect the people, property and prosperity of Indiana.

WHAT DOES SUCCESS AT IDHS LOOK LIKE?

1. District Coordinators (moving to more strategic role in IDHS)
2. Planning, Training, Exercise
3. Fire Marshal (CE, Arson, Elevators, Boilers, Amusements, Plan Review)
4. Fiscal/Grants/IT/PIO/Legal
5. Response & Recovery
6. EMS

2019-20 IDHS PRIORITIES – high level

- Next Level Emergency Management
- Resiliency and Partnerships
- Legislative enhancements
- Fire/EMS/Code Enforcement
- Customer service

INDIANA DEPARTMENT OF HOMELAND SECURITY

IDHS 2019-2020 STRATEGIC PRIORITIES

ELEVATING THE FIRE & PUBLIC SAFETY ACADEMY SYSTEM

- Create an implementable strategy
- Refine leadership training and quality control
- Roll out "Get Alarmed" smoke alarm campaign

AUGMENTING PLAN REVIEW & CODE ENFORCEMENT

- Improve interface with IDHS programs
- Expand awareness to programs and resources
- Strengthen enforcement initiatives

EXPANDING MITIGATION & RESILIENCY IN INDIANA

- Expand statewide collaboration and planning
- Promote school safety and cybersecurity
- Implement statewide mitigation strategy
- Strengthen partnerships that impact resiliency

PUTTING FIRST RESPONDERS FIRST

- Develop integrated and innovative healthcare
- Expand recruitment, retention and training
- Advocate mental health and Stop the Bleed

ADVANCING IDHS TECHNOLOGY & PROGRAMS

- Update 20-year-old systems
- Endorse cybersecurity resiliency
- Build up training and grants programs

NEXT LEVEL EMERGENCY MANAGEMENT

- Move to county-based threat assessments
- Focus on grants management and empirical data
- Engage and integrate emergency management stakeholders (EMAI)

ALIGNING NextLevel PILLARS

MAINTAIN & BUILD THE STATE'S INFRASTRUCTURE

- Modernize the Agency
- Support comprehensive Planning, Training and Exercise
- Make a business case for emergency management

DEVELOP A 21ST CENTURY SKILLED & READY WORKFORCE

- Increase first responder education and training
- Provide scholarships for first responders
- Improve employee relations and expand recruitment

DELIVER EXCEPTIONAL CUSTOMER SERVICE

- Use a data-driven service model
- Incorporate responsive and efficient systems
- Establish the Customer Service Hub
- Implement IDHS training directorate

ATTACK & ADDRESS THE DRUG EPIDEMIC

- Provide mental health support for first responders
- Improve EMS recruitment
- Develop data-based EMS programs

Homeland Security – Tools and Resources

- **IN Cyber Security Hub** – how to prepare and respond.
 - Business and Government protection
 - Law Enforcement and Recovery
 - <https://www.in.gov/cybersecurity/>
- **IN School Safety Hub** – resources and information
 - School Grants
 - Threat assessments, training, and emergency preparedness
 - <https://www.in.gov/schoolsafety/>
- **Event Security** – how to prepare and plan
 - Register events with IDHS – Code Enforcement -<https://www.in.gov/dhs/2795.htm>
 - Coordinate with local EMA Director and First Responder
 - DHS Resources - <https://www.dhs.gov/cisa/hometown-security>

How can we work together to support Indiana?

1. Work with IDHS District Coordinators
2. Be apart of Statewide Planning, Training and Exercises
3. Be apart IDHS outreach efforts
4. Engage your local County EMA Director
5. Sign up for IDHS daily briefs and HSIN
6. Help build community resiliency (smoke alarms, commodities etc.)

Next Steps...

IDHS District Coordinators will schedule a meeting with you to discuss operations and resources.

IDHS on June 1, 2019 will launch Next Level Emergency Management initiatives.

THANK YOU
