XII. NEW/OLD BUSINESS

- a. Discussion on Sequencing and Comity Applications

The board can say that when they took the exam is not a conflict, under the code, thus rules can be promulgated to address this issue and clarify matters for the board and comity applicants. This will not affect exam applicants, but (just because it is different does not mean that it is in conflict.) Basically, moving ahead with this rule change would be removing when the applicant took the exam from the analysis as long as they have met all three prongs/legs for the stool of licensure. States with comity issues when applying to Indiana are: WI, CA, OH, KY, TX, and TN.

The Board decided to proceed with creating a draft rule which addresses this matter.

- b. Review and Evaluation Process of Applications

Board Action: A motion was made to delegate staff authority to issue licenses or approve to sit for the exam all clear cut, qualified ABET applicants, by comity and exam. All other "gray area" applications, positive responses or sequencing issues will be brought before the board and a list of applications approved and issued by the staff will be reported at the next board meeting.

Gwaltney/Erb
5/1/0 (Spaulding, Sauer was out of the room)

- c. Rules discussion: Fees

Angela reported to the board the hold up on the fee rule promulgation process. Angela and Jim are to meet to hammer out any issues and to bring the final draft to the board next month.
