**B. Kansas On-Line Testing  
Re: Indiana On-Line Ethics**

The Board could have a discussion with the ACEC and have them create a link which would connect to the IPLA webpage to download the information gathered from the on-line testing to tally who has taken the continuing education. Ethics is broader than the statute and rule provisions and the board must be cognizant of this. On the wish list: the board would like to have this automatically reported and have the providers send the information to the board.

**XIII. CORRESPONDENCE**

None

**XIV. PERMIT/LICENSURE APPLICATIONS**

A motion was made and seconded to approve all recommendations and decisions made by the Board members on applications for licensure that were reviewed throughout the Board meeting.
