II. Personal Appearances

Personal appearances will be held in Conference Center Room C at 8:30 a.m.

A. For Licensure

1. **Shirley McCleenny** RN Endorsement Positive Response – CONTINUED
2. **Veronica Nichols** LPN Exam Positive Response
Ms. Nichols appeared for her personal appearance regarding her application for licensure. She was working as a pharmacy tech. The facility went under investigation for missing narcotics. Everyone was drug tested. She has been questioned twice regarding the missing narcotics. She was suspended. She had been a pharmacy tech for 10 years and had worked at the facility for 7 or 8 months. Her pharmacy tech license is active with no restrictions. She had to appear in front of the pharmacy board and they found in her favor. She was terminated from the facility. This happened in 2013. She is currently a CNA. She is currently working as a patient care tech. Her CNA license is free and clear. She does have a past arrest in 2001 for purchasing stolen property. She did not report this on her application.
Ms. Cooper recommends the following: She is allowed to test and her license is to be issued free and clear.
3. **Michelle Modlin** APN Positive Response
Ms. Modlin appeared, with counsel, for her personal appearance regarding her application for licensure. She reported a malpractice settlement on her APN application and her RN renewal. The settlement was not against her and her insurance did not make any payments on her behalf. The hospital made the settlement. She was working in a small ER. There were 2 nurses. A patient came in and was coding. This was her first code. The patient passed away. She was working with another patient who had to be transferred. She then had to stop and get meds for another patient that came in. The wrong dose was given to the patient. This happened in 2012. She was the administering party. The patient had some chest pain. The doctor told her what dose to give. The patient was transferred to another hospital. The patient has no long term effects due to this. It was a miscommunication between doctor and nurse.
Ms. Cooper recommends the following: She is allowed to be issued the APN license. Her RN license is to be renewed free and clear. She does need to complete 12 CEUs in medication safety/medication admin.
4. **Senene Johnson** LPN Exam Positive Response
Ms. Johnson appeared for her personal appearance regarding her application for licensure. She answered yes to question number 3 on her application. In 2010, licensee and her husband got into an altercation and she smacked him. She was arrested and placed on probation. While on probation she violated her probation by using marijuana. She was pregnant at the time and her urine from the doctor was clean. She was arrested for 3 months and then on house arrest. The drug test during the probation

2. **Annette Pratt** **RN Renewal** **Failure to Provide Statement**
 Ms. Pratt appeared for her personal appearance with counsel. In January she had a c-section patient. She did her rounds and the patient told her she was uncomfortable and in pain. Her chart stated she could have something for breakthrough pain. She gave the medication. She went through all the proper steps when giving the medication. The patient stated she was feeling better after a little bit. She went home. She was called back in to the hospital because the patient stated she had not received any medication that night. She was terminated for diversion. She called Robin at ISNAP. She took drug tests and they were all negative. She has taken a lot of CEUs. She has been in compliance with her 6 months RMA; which should be completed in November. She did not have a dependence diagnosis. When she pulled the medication she didn't need the whole vial and a second nurse witnessed the waste of the drug.
 Ms. Cooper recommends the following: Her license is to be renewed free and clear.
3. **Suzanne Todd** **RN Renewal** **Positive Response**
 Ms. Todd appeared for her personal appearance regarding her application for renewal. She is in ISNAP. She is getting ready to go into a 6 months RMA. She had an incident at work that led her to get back in ISNAP. She does chemo infusion. She was working on a unit with two other nurses. There were some issues and she ended up quitting. She was very stressed and went home and took her husband's Valium. She took it on Friday and she went back to work on Monday. She was ordered to take a drug test. She tested positive for the Valium and Fentanyl. She was so stressed due to bullying at work. Her RMA is going to be for 6 months. She tested positive for the Fentanyl because she was helping a friend. Ms. Cooper recommends the following: Her license is to be renewed free and clear she self reported to ISNAP and has an RMA.
4. **Margaret Castor** **RN Renewal** **Positive Response**
 Ms. Castor appeared for her personal appearance regarding her application for renewal. She answered yes to question number 3. She was at the store on New Year's Eve. She had some stuff on the bottom of the cart and forgot to pay for it. She was stopped as she was leaving the store
 Ms. Cooper recommends the following: Her license is to be renewed free and clear.
5. **Kathleen McMahon** **RN Renewal** **Positive Response**
 Ms. McMahon appeared for her personal appearance regarding her application for renewal. She answered yes on number 3 on her renewal application. She has charges pending and has been advised by attorney not to talk about it. She hasn't practiced since 2007. She was arrested last November for burglary. She goes to court 10/19/15. She hasn't practiced because she has a chronic illness and has a dependency on pain medication. She is being evaluated for drug court.
 Ms. Cooper recommends the following: She must have an ISNAP evaluation. She is to be renewed on probation until the criminal matter is completed and/or the length of her ISNAP RMA. She must provide quarterly reports.
6. **Donna Vaughn** **RN Renewal** **Positive Response**
 Ms. Vaughn appeared for her personal appearance regarding her application for renewal. She answered yes to question number 3 on her renewal application. She has entered into a diversion program. She had a run in with a police officer in her small town. She was under a lot of stress. She unleashed some frustration on the officer when she was stopped while trying to turn into the school. She was asked to pull over and she argued with him and it escalated from there. Alcohol and drugs were not involved. This happened in September of 2014. She is on informal probation for a year. She has paid all the fines. She went to counseling on her own.
 Ms. Cooper recommends the following: Her license is to be renewed on probation for the length of her criminal probation with quarterly reports.
7. **Terri Whitten** **RN Renewal** **Positive Response**
 Ms. Whitten appeared for her personal appearance regarding her application for renewal. In February 2015, she was caught stealing narcotics from work. She took them for herself. There were times when she was working under the influence. She had worked there for 2 years. She had been taking the narcotics for about a year. She was saying the patient was getting them and they weren't. There are criminal charges in the process. She is in ISNAP. Her RMA is 3 years. She has been in full compliance with her RMA. She has not been to court yet.
 Ms. Cooper recommends the following: Her license is to be renewed on probation until her criminal matter is completely resolved.
8. **Garla Lane** **RN Renewal** **Positive Response**
 Ms. Lane appeared for her personal appearance regarding her application for renewal. She answered yes to question number 5 on her renewal application. In November 2014, she was terminated for an unauthorized break. This was considered patient abandonment. She did let her co-workers know she was going off the floor and was off the floor for 10 minutes. She had worked for there for 18 and half years with no other write ups. She is currently working with no issues.

- Ms. Cooper recommends the following: Her license is to be renewed free and clear.
9. Andrea Stikman RN Renewal Positive Response- CONTINUED
 10. Laura Thomas RN Renewal Positive Response
 Ms. Thomas appeared for her personal appearance, with counsel, regarding her application for renewal. She answered yes to question number 5. She was forced to resign due to a difference of personalities and politics. She had worked there for 14 years. In the last few years there has been a change of management. There were no patient care issues involved. She got into it with a supervisor and went to the DON. She is currently working in home health.
 Ms. Cooper recommends the following: Her license is to be renewed free and clear.
 11. Jeffrey Baker RN Renewal Positive Response
 Mr. Baker appeared for his personal appearance regarding his application for renewal. In 2014, he was arrested for resisting arrested. He was going to his mother's house and did not use the turn signal when turning into the housing area. The officer followed him to his mother's house. They got into an argument in the driveway as to why he wasn't pulled over right away instead of in the driveway.
 Ms. Cooper recommends the following: His license is to be renewed free and clear.
 12. Sean Willingham RN Renewal Positive Response
 Mr. Willingham appeared, with counsel, for his personal appearance regarding his application for renewal. In May 2014, he was arrested for an OWI. He was coming home from a beer tasting event. He had a beer before he left. His blood alcohol level was .115. He was speeding and pulled over. He was placed on probation. He has a license in Ohio and KY and they are free and clear. Ohio is his home state. He has no other issues. He is a flight nurse so he has to come into Indiana at times.
 Ms. Cooper recommends the following: His license is to be renewed free and clear.
 13. Angela Maksimovich RN Renewal Positive Response
 Ms. Maksimovich appeared for her personal appearance regarding her application for renewal. She answered yes to question number 4 on her renewal application. Currently there is a claim filed against the hospital and she is one of the names mentioned. She was the ER nurse involved with the patient.
 Ms. Cooper recommends the following: Her license is to be renewed free and clear. If the matter settles she will have to report at another renewal.
 14. April Lubrecht RN Renewal Positive Response
 Ms. Lubrecht appeared for her personal appearance regarding her application for renewal. She answered yes to question number 3 on her renewal application. In March 2013, she had a DUI. She is in full compliance with her ISNAP RMA. In July 2014, she was charged with retail theft. She took something from Target. She is in diversion program until October 20th.
 Ms. Cooper recommends the following: Her license is to be renewed free and clear pending documentation showing matter is withdrawn. If we do not have documentation by Oct 31st she will need another personal appearance.
 15. Hayley Peddy RN Renewal Positive Response
 Ms. Peddy appeared for her personal appearance regarding her application for renewal. In 2014, there was a snow ordinance to move cars off the street. She went to move her car. She had been drinking. A police officer stopped because she was stuck in the snow. Her blood alcohol was .17. She was charged down to reckless driving from a DUI. She has completed everything the court ordered. There are no other issues.
 Ms. Cooper recommends the following: Her license is to be renewed free and clear.
 16. Deena Dover RN Renewal Positive Response
 Ms. Dover appeared for her personal appearance regarding her application for renewal. She was ill over a weekend and her doctor was not available. Her husband called another physician's office to get her an antibiotic. Her husband spoke with the office manager and she was going to contact the doctor and have an antibiotic called in for her. The office manager called it in without contact the doctor. She picked up the medication at Walgreens. A few months later it came out in the paper that the office manager that called in the script has selling medications in the parking lot. Their names were involved because her husband use to be a patient of the facility and their names were in the medical records. She is charged for getting the antibiotics, class D felony; it was dropped with a plea bargain. She ended up with a Class A misdemeanor charge of obtaining a legend drug. She is on non reporting probation for a year. This should be over in February 2016. She has had an ISNAP evaluation and did not meet criteria. She is currently working but not as a nurse.
 Ms. Cooper recommends the following: Her license is to be renewed on probation for the length of criminal probation. Quarterly reports self or employer.

19. William Vannice RN Renewal Positive Response
Mr. Vanice appeared for his personal appearance regarding his application for renewal. In 2013, he had a public intoxication. He believes the matter is dropped. Indiana is his home state. He is not currently working. All of his other licenses are expired. He has not worked as a nurse since spring of 2013. In 2008, his license had been placed on probation. He went to work after he had been drinking. The matter was resolved in 2012.
Ms. Cooper recommends the following: his license is to be renewed free and clear.
20. Martha Smith RN Renewal Positive Response
Ms. Smith appeared for her personal appearance regarding her application for renewal. She answered yes to question number 5 on her renewal application. April 2015, she had worked with the company for 20 years. She didn't do temperature logs on a refrigerator unit. This was her first written warning and it resulted in termination. They also said she was mean to staff and clients, something about who was allowed to use the storage, a HIPAA violation, and a concern with paperwork. All these things happened within a week after a new manager took position. She is working with no issues.
Ms. Cooper recommends the following: Her license is to be renewed free and clear. She must complete 12 CEUs in HIPAA/patient privacy issues. These must be completed within 60 days.
21. Julia Mink RN Renewal Positive Response
Ms. Mink appeared for her personal appearance regarding her application for renewal. She answered yes to question number 5. She worked PRN at a facility and was assigned to the nursery. There was one baby sleeping. The nurse reported baby had been sleeping but would have to go out within the next hour for nursing. After some test it showed the baby had a heart murmur. They felt she should have called NICU instead of telling the physician. She followed the policy and procedure that was in place. They stated she had a lack of documentation. She showed them where it was documented. She is still working there. She had a written warning.
Ms. Cooper recommends the following: Her license is to be renewed free and clear.
22. Lisa Amick RN Renewal Positive Response
Ms. Amick appeared for her personal appearance regarding her application for renewal. She voiced an opinion at work about the house supervisor. This took place in August of 2014. This action is no longer on her record. She has worked there since 2013. She was having conversations about the individual not being qualified for the position. She had these conversations in the medication room. The person she was speaking with shared the conference with the person she was talking about. She switched to the night shift because this person is on day shift and she would have less interaction with him. She received a second write up. A surgeon came to the hospital; he wanted to obtain a fluid specimen. She went in with the physician to see if there was anything he needed. She was written up for not having consent prior to the procedure.
Ms. Cooper recommends the following: Her license is to be renewed free and clear.
23. Aleta Barnes RN Renewal Positive Response
Ms. Barnes appeared for her personal appearance regarding her application for renewal. In 2014, she was terminated for a computer violation. She was on the computer at the beginning of a case and was looking for tickets for her family. It is common practice for the nurses to use computer when they want to. She was in the surgery suite. There were three nurses in the room with her. She had worked there for 20 years. She is currently working with no issues.
Ms. Cooper recommends the following: Her license is to be renewed free and clear.
24. Lisa Smith RN Renewal Positive Response
Ms. Smith appeared for her personal appearance regarding personal appearance. In June 2015, she was arrested. Her husband had been drinking excessively. She had a young child and the baby was at grandmothers. She took an Ambian to try to go to sleep so she didn't have to deal with the husband. She ended up taking 2 to 3 of them throughout the day. The husband called the cops and stated she was trying to kill herself. Her stepson was home and she didn't want him to see the cops so she left to meet the cops. They considered that resisting arrested and driving under the influence. She stopped a couple blocks from her house to talk to the cops. She went to the emergency room. She has pending criminal charges. She goes back to court November 6th. She is currently in counseling and no longer takes the medication.
Ms. Cooper recommends the following: Her license is to be renewed on probation until the criminal matter is resolved, with quarterly reports.
25. Audrey Davis RN Renewal Positive Response
Ms. Davis appeared for her personal appearance regarding her application for renewal. She answered yes to question number 5 on her application for renewal. In May 2015, she received formal notice, she

was written up for scheduling two patients at the same time. She worked at the hospital for 40 years and this particular department for 10. On Sept 18, 2015, she was given a final notice. They were moving charts. She asked if she could box her charts up also. She asked how to get boxes. She was told to go to medical records to see if they had any old boxes. They told her to call the company and have them send some over since they were free. Turns out they weren't free. She was written up for insubordination for charging fees to the department when she should not have. She had a patient complaint. The patient didn't want to attend rehab because of the way she treated her. She doesn't know what she did to the patient to make her feel that way. She is still working full time. She is on a work performance improvement plan.

Ms. Cooper recommends the following: Her license is to be renewed free and clear.

26. Michelle Wood RN Renewal Failure to Disclose

Her sobriety date is May 2015. She checked herself in Valla Vista. She is not currently working. She was in an abusive marriage, the divorce was final in October, and she went to ex husband's house to pick up son. She was assaulted on the porch. She was charged with driving while suspended. She pled guilty for criminal trespass. Her ex had asked her to leave and she would not.

Ms. Cooper recommends the following: Her license is to be renewed free and clear.

27. Elizabeth Long RN Renewal Failure to Provide Statement

Ms. Long appeared for her personal appearance regarding her application for renewal. She answered yes to question number 5 on her renewal application. She was let go within her 90 days probation period. She was looking to leave the facility due to some personality conflicts. She was told she was not a good fit.

Ms. Cooper recommends the following: Her license is to be renewed free and clear.

28. Mary Long RN Renewal Failure to Provide Statement- VACATED

29. Amy Eason RN Renewal Failure to Provide Statement

Ms. Eason appeared for her personal appearance regarding her application for renewal. She answered yes to question number 5 on the renewal application. In the fall of 2014, she was reprimanded. She had a verbal warning. A parent of a pediatric patient did not want her nurses talking to the doctors. She would tell the nurses what she wanted and expected the nurses to do what she wanted without the doctors input. She told the nurses that they could not do this. She is still employed at the facility with no issues.

Ms. Cooper recommends the following: Her license is to be renewed free and clear.

30. Pamela Waters RN Renewal Positive Response

Ms. Walters did not appear for her personal appearance regarding her application for renewal. This matter is to be reset one time.

31. Sheena Reel RN Renewal Positive Response

Ms. Reel appeared for her personal appearance regarding her application for renewal. She answered yes to question number 3 on her renewal application. She had a battery charge. She was walking over to a guy friend's house. The girl from whom the guy was getting a divorce showed up and they got into an altercation. That charge was dismissed. That took place on September 2014. Her 2nd event; she had a nasty divorce with her ex-husband. Her house flooded. She had a 2 year old. His lawyer advised him to hold the insurance check. She went to talk to him about it. She was angry. His girlfriend was there. She was talking to the husband. She touched him. He yelled to the girlfriend to call the police that she hit him. She called her attorney and her attorney advised her to leave. She later found out she had a warrant out for her arrest. She went to trial regarding the matter. She took a plea of disorderly conduct. She had to complete community service.

Ms. Cooper recommends to renew free and clear.

32. Michelle Modlin RN Renewal Positive Response

Ms. Modlin appeared, with counsel, for her personal appearance regarding her application for licensure. She reported a malpractice settlement on her APN application and her RN renewal. The settlement was not against her and her insurance did not make any payments on her behalf. The hospital made the settlement. She was working in a small ER. There were 2 nurses. A patient came in and was coding. This was her first code. The patient passed away. She was working with another patient who had to be transferred. She then had to stop and get meds for another patient that came in. The wrong dose was given to the patient. This happened in 2012. She was the administering party. The patient had some chest pain. The doctor told her what dose to give. The patient was transferred to another hospital. The patient has no long term effects due to this. It was a miscommunication between doctor and nurse.

Ms. Cooper recommends the following: She is allowed to be issued the APN license. Her RN license is to be renewed free and clear. She does need to complete 12 CEUs in medication safety/medication admin.

33. **Ann Buchanan RN Renewal Out of State Investigation**
Ms. Buchanan appeared for her personal appearance regarding her application for renewal. She has a license in KY. KY is her home state. She needs to renew her license here due to the fact that her job will be in Indiana at times. She had a complaint with the board of KY. The complaint was filed by a pharmacy inspector. She was giving two months scripts at a time. She did not know that this was not allowed. Now she makes them come back every month. The matter has been resolved with the KY board and her license is free and clear.
Ms. Cooper recommends the following: her license is to be renewed free and clear.
