(1) A person:  
(A) granted the authority to serve in a funeral planning declaration executed by the decedent under IC 29-2-19; or

(B) named in a United States Department of Defense form "Record of Emergency Data" (DD Form 93) or a successor form adopted by the United States Department of Defense, if the decedent died while serving in any branch of the United States Armed Forces (as defined in 10 U.S.C. 1481) and completed the form.

(4) The decedent's surviving adult child or, if more than one (1) adult child is surviving, the majority of the adult children. However, less than half of the surviving adult children have the rights under this subdivision if the adult children have used reasonable efforts to notify the other surviving adult children of their intentions and are not aware of any opposition to the final disposition instructions by more than half of the surviving adult children.

(5) The decedent's surviving parent or parents. If one (1) of the parents is absent, the parent who is present has the rights under this subdivision if the parent who is present has used reasonable efforts to notify the absent parent.

(6) The decedent's surviving sibling or, if more than one (1) sibling is surviving, the majority of the surviving siblings. However, less than half of the surviving siblings have the rights under this subdivision if the siblings

have used reasonable efforts to notify the other surviving siblings of their intentions and are not aware of any opposition to the final disposition instructions by more than half of the surviving siblings.

the person referred to in subdivision (2) may not authorize or designate the manner, type, or selection of the final disposition of human remains.

(c) The coroner, in consultation with the law enforcement agency investigating the death of the decedent, shall inform the cemetery owner or crematory authority of the determination under subsection (b)(2).

(e) A law enforcement agency shall determine if the protection order is in effect. If the law enforcement agency cannot determine the existence of a protection order that is in effect, the law enforcement agency shall consult the protective order registry established under IC 5-2-9-5.5.

(f) If a person vested with a right under subsection (a) does not exercise that right not later than seventy-two (72) hours after the person receives notification of the death of the decedent, the person forfeits the person's right to determine the final disposition of the decedent's remains and the right to determine final disposition passes to the next person described in subsection (a).

(g) A funeral home has the right to rely, in good faith, on the representations of a person listed in subsection (a) that any other individuals of the same degree of kinship have been notified of the final disposition instructions.

(h) If there is a dispute concerning the disposition of a decedent's remains, a funeral home is not liable for refusing to accept the remains of the decedent until the funeral home receives:

(1) a court order; or  
(2) a written agreement signed by the disputing parties;  
that determines the final disposition of the decedent's  
remains. If a funeral home agrees to shelter the remains of the  
decedent while the parties are in dispute, the funeral home may collect  
any applicable fees for storing the remains, including legal fees that are  
incurred.

(i) Any cause of action filed under this section must be filed in the  
probate court in the county where the decedent resided, unless the  
decedent was not a resident of Indiana.

(a)(3)(A) that the decedent and spouse were reconciled before the  
decedent's death may petition the court having jurisdiction over the  
dissolution or separation proceeding to make this determination by filing  
the petition under the same cause number as the dissolution or

#### **IC 30-2-13-12.1 Contracts entered into after December 31, 1995, and before July 1, 1999**

Sec. 12.1. (a) This section applies to contracts for prepaid services or merchandise, or both, entered into under this chapter after December 31, 1995, and before July 1, 1999.

(b) A purchaser may enter into more than one (1) contract under this chapter for prepaid services or merchandise, or both. Each contract may be funded with cash, either in a lump sum or installment payments, or an insurance policy, or both. The purchaser may revoke the contract if the purchaser sends the seller written notice of the revocation within thirty (30) days after the contract is signed by the purchaser and seller. If a purchaser revokes a contract, the seller shall refund to the purchaser, without interest, all property used to fund the contract. If the seller receives payment of at least five hundred dollars (\$500) in cash that must ultimately be placed in trust or escrow under this section, the seller shall, not more than five (5) days after receiving the payment, deposit the payment in escrow pending irrevocable deposit to trust or escrow authorized by either subsection (h) or (i). Thirty (30) days after the contract is signed all property paid or delivered to the seller to fund each contract shall be irrevocably deposited by the seller to trust or escrow authorized by either subsection (h) or (i). Except for installment contracts funded with cash and contracts funded with a newly issued insurance policy that has a limited or qualified death benefit period, all sellers shall guarantee the provision of all services and merchandise sold under a

contract authorized by this chapter. At delivery, a seller may not impose additional charges to recover a difference between the original contract retail prices or current retail prices for services and merchandise that are sold under the contract, whichever is greater, and the amount on deposit in trust or escrow.

(c) If a contract under this chapter is funded with an insurance policy, the ownership of the insurance policy must be irrevocably assigned to a trustee. The seller may not borrow against, pledge, withdraw, or impair the cash value of the policy.

(d) A finance charge may be assessed on a contract sold on an installment basis, and the seller shall disclose to the purchaser all the applicable requirements under federal and state law.

(e) A seller or successor seller who has accepted cash or an insurance policy, or both as full payment of a contract under subsection (b) is responsible for providing all contracted prepaid services and merchandise if the insurance company or trust company used to fund the contract is insolvent.

(f) A purchaser who purchases a contract with cash or through an insurance contract shall make the payment for the contract payable only to the seller or insurer, respectively.

(g) A seller may not accept or deposit to trust or escrow cash, an insurance policy, or any other property as consideration for services or merchandise to be provided in the future except in connection with a contract authorized by this chapter.

(h) A trust account authorized and established under this chapter must:

- (1) be irrevocable and require the seller to deposit to trust all sums or property received from the purchaser;
- (2) designate the seller as settlor and the seller as beneficiary;
- (3) designate a trustee qualified under this chapter and authorize the trustee to charge a reasonable fee for services;
- (4) require that a separate account be maintained in the name of each purchaser;
- (5) require that interest earned on the account be added to the principal and reinvested;
- (6) permit assets of the separate accounts of several purchasers to be commingled for investment; and
- (7) require that on delivery of services or merchandise the trustee shall remit to the seller the amount on deposit in the purchaser's trust.

Upon full delivery of all services and merchandise under the contract, if the amount on deposit in the trust is greater than the seller's total current retail price of all services and merchandise under the contract, the remaining amount may but need not be returned to the individual, if any, designated by the purchaser to receive the remainder, or to the purchaser's estate.

(i) An escrow account authorized and established under this chapter must:

- (1) be irrevocable and require the seller to deposit to escrow all sums or property received from the purchaser;
- (2) designate the seller as settlor and beneficiary;
- (3) designate a trustee qualified under this chapter and authorize the trustee to charge a reasonable fee for services;
- (4) require that the escrow account be maintained in the name of the seller and serve as a depository for all cash or other property received by the seller to fund contracts sold by the seller;
- (5) permit the commingling of cash for investment;
- (6) permit the seller to withdraw from the escrow account the current retail value of prepaid services or merchandise delivered under this chapter; and
- (7) permit any interest earned or appreciation in value of money or other property deposited in escrow to be paid to the seller not more frequently than monthly, to the extent that the total value of the escrow account after a payment under this subdivision is not less

than the current retail value of all services and merchandise under the contracts that remain undelivered.

- (j) A trust account or an escrow account established under this chapter:
- (1) must include the provisions set forth in either subsection (h) or (i);
  - (2) may be included as an integral part of a seller's contract through the execution of an adoption agreement that references the trust account or escrow account; and
  - (3) is not required to be represented by a separate trust or escrow document for each contract.

(k) The entire value of an irrevocable trust or an escrow established under this chapter may not be considered as a resource in determining a person's eligibility for Medicaid under IC 12-15-2-17.

(l) A contract for prepaid services or merchandise, or both, entered into after June 30, 1997, must contain a statement that:

- (1) the purchaser may revoke the contract under subsection (b) within thirty (30) days after the contract is signed; and
- (2) after thirty (30) days, the contract is irrevocable.

(m) This chapter does not prohibit a purchaser from immediately making the trust or escrow required under this chapter irrevocable and assigning ownership of an insurance policy used to fund a contract to obtain favorable consideration for Medicaid, Supplemental Security Income, or another public assistance program under federal or state law. *As added by P.L. 241-1995, SEC.7. ### **IC 30-2-13-12.5 Contracts entered into after June 30, 1999**

Sec. 12.5. (a) This section applies to the following contracts entered into or established under this chapter after June 30, 1999:

- (1) Contracts for prepaid services.
- (2) Contracts for prepaid merchandise.
- (3) Trusts or escrows established to hold consideration paid for services or merchandise subject to a contract entered into under this chapter.

(b) A contract between a purchaser and a seller must:

- (1) specify that the consideration for the contract is:
  - (A) cash, payable either in a lump sum or in installments; or
  - (B) an insurance policy that is:
    - (i) newly issued in conjunction with and integral to the contract;
    - (ii) issued previously in a transaction separate and distinct from the contract; or
    - (iii) both.

If a contract is funded with an insurance policy, the ownership of the policy must be irrevocably assigned to a trustee, and the seller may not borrow against, pledge, withdraw, or impair the cash value of the policy;

- (2) specify that only the purchaser, acting by written notice to the seller, may revoke the contract within thirty (30) days after the date the contract is signed by the purchaser and the seller and that the contract becomes irrevocable upon the expiration of the thirty (30) day period;
- (3) specify that, if the contract is revoked, the seller shall refund and return to the purchaser, without interest, the cash or insurance policy used to fund the contract;
- (4) specify that not more than thirty (30) days after the contract is signed by the purchaser and the seller, the whole of the cash or insurance policy serving as consideration for the contract must be deposited into a trust or escrow authorized by subsection (c) or (d). However, a seller may elect to serve as trustee of a previously existing life insurance contract;
- (5) except as provided in subsection (f), unconditionally require that the seller shall deliver all services or merchandise, or both, specified in the contract and receive as consideration for the delivery of services or merchandise, or both, only the cash or insurance policy held in trust or escrow without regard to the solvency of the insurer

or the adequacy or loss in value of any cash deposit or insurance policy used to fund a contract;

(6) except as provided in subsection (f), prohibit a seller from imposing additional charges to recover any shortage or difference between the retail prices for services or merchandise, or both, in effect on the date of delivery of the services or merchandise, or both, and the value of the trust or escrow applicable to the contract on the date of delivery;

(7) require that a seller accepting the transfer of a contract permitted under section 13 of this chapter shall honor the requirements and obligations of the contract;

(8) permit the seller to assess a finance charge on a contract sold on an installment basis and require that the seller disclose to the purchaser the applicable requirements of federal and Indiana law;

(9) provide that the contract must comply with the following requirements:

(A) The contract must be made in a form that is:

- (i) written in clear and understandable language; and
- (ii) printed in a size and style of type that is easy to read.

(B) The contract must describe the services, merchandise, or cash advance items being purchased. If the merchandise or cash advance items include a vault (as defined in IC 23-14-33-33) that:

- (i) will be used to encase the remains of a deceased individual; and
- (ii) is not airtight and watertight;

the contract must include a written statement indicating that the vault is not airtight and watertight.

(C) The contract must identify the following by name, address, and telephone number:

- (i) The seller.
- (ii) The purchaser.
- (iii) The contract beneficiary if the beneficiary is an individual other than the purchaser.

(D) The contract must contain the seller's certificate of authority number and the date of the contract.

(E) The contract must provide that if an item of the particular services or merchandise specified in the contract is unavailable at the time of delivery, the seller shall deliver services or merchandise similar in style, quality, and of equal value to the unavailable item in the place of the item.

(F) The contract must disclose the precise manner in which the contract is to be funded by:

- (i) identifying the consideration for the contract;
- (ii) identifying the name, number, if known, and issuer of any insurance policy used to fund the contract; and
- (iii) including the identity and location of the trustee or escrow agent, acting as fiduciary, who is to hold the trust or escrow.

(G) The contract must disclose that the seller reserves the right to assess an extra charge for:

- (i) transportation costs;
- (ii) services or merchandise incurred in the transport of human remains a distance greater than twenty-five (25) miles from the seller's place of business; and
- (iii) service charges necessarily incident to the transport of human remains and in excess of those service charges specified in the contract.

(H) The contract must disclose the following:

- (i) The amount, if any, the seller has elected to receive under subsection (c)(1) or subsection (d)(6).
- (ii) That a commission or fee may be paid to the seller or the seller's agent on a contract funded under subsection (b)(1)(B)(i).

(10) specify that a purchaser has the unrestricted right to designate one (1) or more successor sellers to whom the contract may be transferred under section 13 of this chapter, but that such a transfer

is effective only with the consent of the newly designated seller and upon the fulfillment of the other requirements of section 13 of this chapter;

(11) specify that if cash advance items are funded in the contract, the seller agrees to deliver the cash advance items under one (1) of the following alternatives:

(A) Delivery is unconditionally guaranteed at the option of the seller.

(B) Delivery is conditionally guaranteed for a seller and will be equal in value to the total value of the trust or escrow account maintained for the purchaser multiplied by the percentage of the total original contract price represented by cash advance items;

(12) specify that a release from trust or escrow shall occur only upon the seller's delivery of services or merchandise, or both;

(13) permit, at the option of the seller, the incorporation of the trust or escrow language contained in subsection (c) or (d) directly into the contract;

(14) prohibit the seller from charging any service, transaction, or other type of fee or charge unless the fee is:

(A) authorized under subsections (c)(1) and (d)(6) and section 27 of this chapter; or

(B) included within the definitions contained in section 8 or 11.5 of this chapter.

(c) A trust account authorized and established under this chapter must do all of the following:

(1) Be irrevocable and require either of the following

(A) The seller deposit the insurance policy used to fund the contract into the trust account. However, for contracts funded after June 30, 1995, with a previously issued insurance policy, the seller may serve instead of a trustee if the seller is qualified to do so under section 11(c) of this chapter.

(B) The seller deposit the cash used to fund the contract into the trust account. However, as consideration for the sale of the contract and any expense incurred by the seller in conjunction with the sale of the contract, the contract must permit the seller to notify, within a ten (10) day period following the date the contract becomes irrevocable, the trustee of its election to receive only up to ten percent (10%) of the seller's original contract price for services or merchandise, or both.

(2) Designate the seller as the beneficiary of the trust.

(3) Designate a trustee qualified under this chapter and authorize the trustee to assess the charges authorized under section 18 of this chapter.

(4) Require that a separate account be maintained in the name of each purchaser.

(5) Require that any interest, dividend, or accumulation in the account be reinvested and added to the principal.

(6) Permit the assets of the several, separate accounts to be commingled for investment purposes.

(7) Require that on receipt of the seller's proof of delivery of services or merchandise the trustee shall remit to the seller the full amount in trust applicable to the purchaser's contract and all of the accumulated interest.

(8) Permit the seller to retain the remaining amount if the amount in the trust account is greater than the seller's total current retail price of all services and merchandise subject to the contract at the time of delivery of all services or merchandise subject to the contract.

However, in the case of a contract funded under subsection (b)(1)(B)(ii), the seller may not retain the remaining amount but must pay the remaining amount to the entity or individual designated by the insured as the beneficiary of the death benefit proceeds not later than sixty (60) days after the receipt and deposit of the proceeds by the seller. The seller may not qualify as a beneficiary of the remaining amount or the insurance death benefit. In the case of all

other contracts funded under this chapter, the seller may opt to return the remaining amount to the individual designated by the purchaser to receive the remainder or to the purchaser's estate.

(d) An escrow account authorized and established under this chapter must do all of the following:

(1) Be irrevocable and require that the seller deposit all cash or the insurance policy used to fund the contract into the escrow account.

(2) Designate the seller as the recipient of the escrow funds.

(3) Designate an escrow agent, acting as fiduciary, qualified under this chapter to act as escrow agent acting as fiduciary and authorize the escrow agent acting as fiduciary to assess the charges authorized under section 18 of this chapter.

(4) Require that the escrow account be maintained in the name of the seller and serve as a depository for all cash or insurance policies used to fund contracts sold by the seller.

(5) Permit the investment of and commingling of cash for investment purposes.

(6) Permit the seller to receive an administrative or service fee at the option of the seller. The seller may opt to receive the fee after the day following the date the contract becomes irrevocable. The amount of the fee may not exceed ten percent (10%) of the seller's total contract price for services or merchandise or both.

(7) Require that on delivery of services or merchandise, the escrow agent shall remit to the seller an amount equal to:

(A) the seller's original retail price as set forth in the contract for the services or merchandise delivered; minus

(B) the amount, if any, received by the seller under subdivision (6).

(8) Permit the seller to receive monthly payments of the interest earned and the appreciation in the value of the escrow assets to the extent that the total value of the escrow after a payment authorized under this subdivision is not less than:

(A) the original contract value of all services or merchandise under the contracts, or parts of the contracts that remain undelivered; minus

(B) the amounts, if any, received by the seller under subdivision (6).

(e) A trust account or an escrow account established under this section must contain a concise written description of all the provisions of this chapter that apply to the account.

(f) A seller's guarantee of delivery of all services or merchandise subject to a contract sold by the seller or transferred to a seller is unconditional except in the instance of one (1) of the following circumstances:

(1) An installment contract funded with cash or an insurance policy issued in conjunction with the contract is guaranteed to the extent of the cash paid or death benefits available at the time of death of the individual for whom services or merchandise are to be provided.

(2) A contract funded with an insurance policy issued previously and not in conjunction with the contract is guaranteed to the extent of the death benefit proceeds available at the time of the individual for whom services or merchandise are to be provided.

(3) A contract funded with an insurance policy issued in conjunction with the contract, but having a limited or qualified death benefit period, is guaranteed to the extent of the death benefit proceeds available at the time of the death of the individual for whom services or merchandise are to be provided.

(4) A transportation expense incurred by the seller while transporting human remains a distance greater than twenty-five (25) miles from the seller's place of business, plus any charge for services or merchandise necessarily incident to the transport of the human remains.

(5) The seller agrees to conditionally guarantee the delivery of cash advance items under subsection (b)(11)(B).

In the instance of unguaranteed delivery, the seller may reduce the

value or number of the services or merchandise subject to the contract or cash advance items delivered or deliver the services or merchandise in full on the condition that the seller receives adequate consideration to compensate the seller for the unguaranteed part of the contract.

(g) The entire value of an escrow or trust established under this chapter may not be considered as a resource in determining a person's eligibility for Medicaid under IC 12-15-2-17.

(h) This chapter does not prohibit a purchaser from immediately making the trust or escrow required under this chapter irrevocable and assigning ownership of an insurance policy used to fund a contract to obtain favorable consideration for Medicaid, Supplemental Security Income, or another public assistance program under federal or state law.

(i) A seller may not accept or deposit into a trust or escrow account cash, an insurance policy, or any other property as consideration for services or merchandise to be provided in the future except in conjunction with a contract authorized by this chapter.

### **IC 30-2-13-13 Designation of successor sellers**

Sec. 13. (a) Notwithstanding section 10 of this chapter, as used in this section, "seller" means an individual, a person doing business as a sole proprietor, a firm, a corporation, an association, a limited liability company, or a partnership:

- (1) contracting to provide prepaid or at-need services or merchandise, or both, to a named individual; and
- (2) holding a certificate of authority under this chapter.

(b) A purchaser has the option to designate one (1) or more successor sellers to provide:

- (1) prepaid services or merchandise; or
- (2) at-need services or merchandise.

A purchaser who exercises the purchaser's option to designate a successor seller shall give written notice of the designation to the currently designated seller, successor seller, and trustee or escrow agent. Only a purchaser may exercise the option to designate a new seller. However, the designation is ineffective unless the newly designated seller consents to the designation.

(c) If a purchaser designates a successor seller, and the successor seller consents to the designation, not less than thirty (30) days after receiving notice under subsection (b), the seller who was previously designated shall:

- (1) relinquish and transfer all rights under the contract;
- (2) transfer to the successor the contract; and
- (3) release from trust or escrow for subsequent deposit to the successor seller's trust or escrow all property being held as consideration for the contract, together with an itemized statement disclosing all services or merchandise delivered as of the date of transfer.

However, a seller who was previously designated to provide the services or merchandise shall comply with section 30 of this chapter. The seller and the successor sellers shall cooperate to ensure that there is no forfeiture or loss of a right or benefit under the contract and that all contract terms are fulfilled. If similar prepaid or at-need services or merchandise are purchased from one (1) or more sellers, the contract that is first in time prevails and is valid.

(d) The trustee shall confirm the transfer to the seller, successor seller, and purchaser by written notice confirming the identity and value of the property transferred.

(e) It is a violation of this chapter for a seller to knowingly induce a purchaser to breach an existing contract that provides for prepaid or at-need services or merchandise.

(f) This section does not abrogate the requirements of IC 25-15-4 concerning contracting for or delivering at-need services and merchandise.

(g) It is a violation of this chapter for a seller to knowingly:

(1) induce a purchaser who has the right to designate a successor seller under subsection (b) to:

- (A) make a designation of a successor seller;
- (B) breach an existing contract for prepaid or at-need services or merchandise; or
- (C) enter into an at-need or prepaid contract calling for the delivery of similar services or merchandise; or

(2) offer a monetary inducement or the exchange or substitution of free or discounted services or merchandise in an effort to induce a purchaser to effect a change in the designation of a seller of prepaid or at-need services or merchandise.

(h) It is a violation of this chapter for a seller to provide free or discounted burial rights:

- (1) as an inducement or as consideration for the transfer of a contract; or
- (2) in an effort to induce a purchaser to effect a change in the designation of a seller of prepaid or at-need services or merchandise.

Sec. 14. (a) A trust or an escrow agreement created under:

- (1) IC 23-14-49-1;
- (2) IC 30-2-9; or
- (3) IC 30-2-10;

may not be converted to a trust or an escrow agreement required by section 12 or 12.5 of this chapter.

(b) A contract that has been funded with cash may not subsequently be changed to be funded with an insurance policy.

(c) A contract that has been funded with an insurance policy may not subsequently be changed to be funded with cash.

(d) Unless a transaction occurs under section 15(a)(4) of this chapter or the provisions of the contract permit otherwise, a new or successor trustee or escrow agent may not qualify and serve as trustee or escrow agent without the written consent of the purchaser and the seller designated to provide services or merchandise subject to a contract under this chapter.

- (1) ceases to have a certificate of authority or loses a professional license required to provide services under this chapter;
- (2) ceases to exist or operate;
- (3) is incapable of performing the seller's obligations under an unperformed contract for any reason; or
- (4) sells or leases the seller's business, facilities, or assets;

the seller shall give notice to the board and to each purchaser for whom funds are held in a trust or escrow under this chapter. The notice shall specify the reason for the issuance of the notice.

The first seller shall send written notice of the designation of a new seller to the newly designated seller or to the trustee.

(d) A seller shall transfer all unperformed contracts and funds held in trust or escrow under this chapter to the seller who is the successor owner or lessee of the transferring seller. The successor seller shall perform all contracts transferred under this subsection.

(e) If:

- (1) the seller fails to comply with sections (a)(1), (a)(2), or (a)(3); or

- (1) sell, consolidate, merge, or dispose of assets; or
- (2) lease the seller's business, facilities, or assets;

without providing, as an integral part of the transaction or occurrence, for the designation of a successor seller of the money or insurance policy placed in trust. For purposes of this section, a change in control determines the seller's obligation.

(b) If a seller acting as a trustee of an insurance policy fails to designate a qualified successor seller, the board shall make the designation. However, the designated successor must be willing to accept the designation.

(c) This section does not restrict a purchaser's right to designate a new seller in accordance with section 13 of this chapter.

- (1) the purchaser of the stock, business, or assets or the successor in interest is liable for shortages in a trust under this chapter existing before or after the sale, however, the purchaser or successor in interest has no obligation to cure a shortage in a contract between the seller and the purchaser that is not performed by the purchaser or successor in interest; or
- (2) the purchaser of the stock, business, or assets or the successor in interest will perform all obligations imposed under this chapter, all obligations imposed under contracts between the seller and the purchaser, and any other related obligations.

(i) The status of the fund shall be annually reviewed by the board.

If the board determines during its annual review that the fund balance equals or exceeds two million five hundred thousand dollars (\$2,500,000), the board shall suspend payments to the fund until after

Sec. 1. (a) As used in this section, "removal" or "removed" refers to the disinterment, disentombment, or disinurnment of the remains of a deceased human.

(b) Except as provided in subsection (e) and sections 4 and 5 of this chapter, the remains, either cremated or uncremated, of a deceased human shall not be removed from a cemetery without:

(1) a written order:

(A) that is issued by the state department of health; and

(B) that authorizes the removal of the deceased's remains;

(2) the written consent of:

(A) the owner of the cemetery; or

(B) the owner's representative; and

(3) the written consent of a person or persons referred to in one (1) of the following clauses, which are listed according to priority:

(A) The individual who was the spouse of the deceased at the time of the deceased's death.

(B) The surviving adult child of the deceased. If there is more than one (1) surviving adult child of the deceased, the requirement for written consent under this subdivision is satisfied if:

(i) any one (1) of the surviving adult children provides written consent to the removal of the deceased's remains;

(ii) the consent provided under item (i) confirms that all other surviving adult children of the deceased have been notified of the proposed removal of the deceased's remains; and

(iii) the state department of health does not receive a written objection to the proposed removal from any of the deceased's surviving adult children.

(C) The surviving parent of the deceased. If the deceased is survived by both parents, the requirement for written consent under this subdivision is satisfied if:

(i) either surviving parent provides written consent to the removal of the deceased's remains; and

(ii) the state department of health does not receive a written objection to the proposed removal from the other surviving parent.

(D) The individual in the next degree of kinship to the deceased under IC 29-1-2-1. If more than one (1) individual of the same degree of kinship is surviving, the requirement for written consent under this subdivision is satisfied if:

(i) any individual of that degree of kinship provides written consent to the removal of the deceased's remains; and

(ii) the state department of health does not receive a written objection to the proposed removal from any other surviving individual in the same degree of kinship.

(c) Before issuing a written authorization under subsection (b), the state department of health shall do the following:

In determining whether to waive the requirement, the court shall consider the viewpoint of any issue (as defined in IC 29-1-1-3) of the deceased. In a proceeding under this subsection, the court may not order the disinterment, disentombment, or disinurnment of the remains of a deceased human.

(e) This subsection applies only if the human remains are on property owned or leased by a coal company. The remains, either cremated or uncremated, of a deceased human may be removed from a cemetery by a coal company if the coal company obtains a court order authorizing the disinterment, disentombment, or disinurnment. Before issuing a court order under this subsection, a court must conduct a hearing and be satisfied as to the following:

### **IC 25-1-1-6 Explicit list of disqualifying crimes required; use of conviction; criteria for evaluating applicant's criminal history; petition to determine whether criminal conviction disqualifying**

Sec. 6. (a) This section applies to a license or certificate under this title that is in effect on July 1, 2018, or created on or established after that date.

(b) As used in this section, "crime" has the meaning set forth in [IC 23-1-4](#).

(d) Not later than November 1, 2018, a board, commission, or committee shall revise its licensing or certification requirements to the extent necessary to explicitly list the crimes that may disqualify an individual from receiving a license or certificate under this title. The board, commission, or committee may not:

- (1) use nonspecific terms, such as moral turpitude or good character, as a licensing or certification requirement; or
- (2) consider an arrest that does not result in a conviction.

(e) A board's, commission's, or committee's use of an individual's conviction of a crime as a conviction of concern is limited to a crime directly related to the duties and responsibilities of the occupation or profession for which the individual is applying for or holds a license or certification.

(f) If an individual has a conviction of concern, the period of disqualification may not exceed five (5) years after the date of the conviction, unless the individual:

- (1) was convicted of a crime of violence (as defined by [IC 35-50-1-2\(a\)](#));

(2) Any additional information requested by the board, commission, or committee to assist the board, commission, or committee in its review of the individual's petition.

(1) The grounds and reasons for the denial or disqualification.

(2) The individual has the right to a hearing to challenge the licensing authority's decision.

(4) Evidence of rehabilitation may be considered upon reapplication.

(5) Findings for each of the factors specified in subdivisions (1) through (4).

Any written determination that an individual's criminal history contains a conviction of concern that merits the denial of a license must be documented in written findings under subdivision (1) by clear and convincing evidence sufficient for review by a court. In an administrative hearing or a civil action reviewing the denial of a license, a board,

commission, or committee has the burden of proof on the question of whether the individual's criminal history, based on the standards provided in subsection (h), should lead to the denial of a license.

(j) The board, commission, or committee shall inform the individual of its determination concerning the individual's petition not later than sixty (60) days after the petition, criminal history information, and any other information requested under subsection (g) is received by the board, commission, or committee.

(l) A board, commission, or committee may adopt rules under [IC 4-22-2](#) to implement this section, including emergency rules under [IC 4-22-2-37.1](#). functions of the boards, including but not limited to:

- (1) notice of board meetings and other communication services;
- (2) recordkeeping of board meetings, proceedings, and actions;
- (3) recordkeeping of all persons licensed, regulated, or certified by a board;
- (4) administration of examinations; and
- (5) administration of license or certificate issuance or renewal.

(b) In addition, the agency:

- (1) shall prepare a consolidated statement of the budget requests of all the boards described in [IC 25-0.5-5](#);
- (2) may coordinate licensing or certification renewal cycles, examination schedules, or other routine activities to efficiently utilize agency staff, facilities, and transportation resources, and to improve accessibility of board functions to the public;
- (3) may consolidate, where feasible, office space, recordkeeping, and data processing services; and
- (4) shall operate and maintain the electronic registry of professions established under [IC 25-1-5.5](#).

(c) In administering the renewal of licenses or certificates under this chapter, the agency shall send a notice of the upcoming expiration of a license or certificate to each holder of a license or certificate at least ninety (90) days before the expiration of the license or certificate. The notice must inform the holder of the license or certificate of the need to renew and the requirement of payment of the renewal fee. If this notice of expiration is not sent by the agency, the holder of the license or certificate is not subject to a sanction for failure to renew if, once notice is received from the agency, the license or certificate is renewed within forty-five (45) days after receipt of the notice.

(d) In administering an examination for licensure or certification, the agency shall make the appropriate application forms available at least thirty (30) days before the deadline for submitting an application to all persons wishing to take the examination.

(e) The agency may require an applicant for license renewal to submit evidence proving that:

- (1) the applicant continues to meet the minimum requirements for licensure; and
- (2) the applicant is not in violation of:
  - (A) the statute regulating the applicant's profession; or
  - (B) rules adopted by the board regulating the applicant's profession.

(f) The agency shall process an application for renewal of a license or certificate:

- (1) not later than ten (10) days after the agency receives all required forms and evidence; or
- (2) within twenty-four (24) hours after the time that an applicant for renewal appears in person at the agency with all required forms and evidence.

This subsection does not require the agency to issue a renewal license or certificate to an applicant if subsection (g) applies.

(g) The agency may delay issuing a license renewal for up to one hundred twenty (120) days after the renewal date for the purpose of permitting the board to investigate information received by the agency that the applicant for renewal may have committed an act for which the applicant may be disciplined. If the agency delays issuing a license renewal, the agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (h), before the end of the one hundred twenty (120) day period, the board shall do one (1) of the following:

- (1) Deny the license renewal following a personal appearance by the applicant before the board.
- (2) Issue the license renewal upon satisfaction of all other conditions for renewal.

(4) Upon agreement of the applicant and the board and following a personal appearance by the applicant before the board, renew the license and place the applicant on probation status under [IC 25-1-9-9](#).

(h) If an individual fails to appear before the board under subsection (g), the board may take action on the applicant's license allowed under subsection (g)(1), (g)(2), or (g)(3).

(i) The applicant's license remains valid until the final determination of the board is rendered unless the renewal is denied or the license is summarily suspended under [IC 25-1-9-10](#).

(j) The license of the applicant for a license renewal remains valid during the one hundred twenty (120) day period unless the license renewal is denied following a personal appearance by the applicant before the board before the end of the one hundred twenty (120) day period. If the one hundred twenty (120) day period expires without action by the board, the license shall be automatically renewed at the end of the one hundred twenty (120) day period.

(k) The board's renewal of a license does not preclude the board from imposing sanctions on the licensee as a result of a complaint filed by the attorney general after renewal of the license.

(l) Notwithstanding any other statute, the agency may stagger license or certificate renewal cycles. However, if a renewal cycle for a specific board or committee is changed, the agency must obtain the approval of the affected board or committee.

(m) An application for a license, certificate, registration, or permit is abandoned without an action of the board, if the applicant does not complete the requirements to complete the application within one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the abandonment of an application is considered a new application.

Sec. 4. (a) The licensing agency shall employ necessary staff, including specialists and professionals, to carry out the administrative duties and functions of the boards, including but not limited to:

(1) notice of board meetings and other communication services;

(2) record keeping of board meetings, proceedings, and actions;

(3) record keeping of all persons or individuals licensed, regulated, or certified by a board;

(4) administration of examinations; and

(5) administration of license or certificate issuance or renewal.

(b) In addition, the licensing agency:

(1) shall prepare a consolidated statement of the budget requests of all the boards described in [IC 25-0.5-7](#);

(2) may coordinate licensing or certification renewal cycles, examination schedules, or other routine activities to efficiently utilize licensing agency staff, facilities, and transportation resources, and to improve accessibility of board functions to the public; and

(3) may consolidate, where feasible, office space, record keeping, and data processing services.

(c) In administering the renewal of licenses or certificates under this chapter, the licensing agency shall issue a ninety (90) day notice of expiration to all holders of a license or certificate. The notice must inform the holder of a license or certificate of the requirements to:

(1) renew the license or certificate; and

(2) pay the renewal fee.

(d) If the licensing agency fails to send notice of expiration under subsection (c), the holder of the license or certificate is not subject to a sanction for failure to renew if the holder renews the license or certificate not more than forty-five (45) days after the holder receives the notice from the licensing agency.

(e) The licensing agency may require an applicant for a license or certificate renewal to submit evidence showing that the applicant:

(1) meets the minimum requirements for licensure or certification; and

(2) is not in violation of:

(A) the law regulating the applicant's profession; or

(B) rules adopted by the board regulating the applicant's profession.

(f) The licensing agency may delay renewing a license or certificate for not more than one hundred twenty (120) days after the renewal date to permit the board to investigate information received by the licensing agency that the applicant for renewal may have committed an act for

which the applicant may be disciplined. If the licensing agency delays renewing a license or certificate, the licensing agency shall notify the applicant that the applicant is being investigated. Except as provided in subsection (g), the board shall do one (1) of the following before the expiration of the one hundred twenty (120) day period:

(i) The license or certificate of the applicant for license renewal remains valid during the one hundred twenty (120) day period unless the license or certificate is denied following a personal appearance by the applicant before the board before the end of the one hundred twenty (120) day period. If the one hundred twenty (120) day period expires without action by the board, the license or certificate shall be automatically renewed at the end of the one hundred twenty (120) day period.

(j) The board's renewal of a license does not preclude the board from imposing sanctions on the licensee as a result of a complaint filed by the attorney general after renewal of the license.

(k) Notwithstanding any other law, the licensing agency may stagger license or certificate renewal cycles.

(l) An application for a license or certificate is abandoned without an action by the board if the applicant does not complete the requirements for obtaining the license or certificate not more than one (1) year after the date on which the application was filed. However, the board may, for good cause shown, extend the validity of the application for additional thirty (30) day periods. An application submitted after the abandonment of an application is considered a new application.
