XI. DISCUSSION ITEMS

- A. Mike Mezo (AR10000263)**
Re: CE Audit and Review of Submittal

Teaching for 9 hours, Send him the applicable Section of the code 804 IAC 1.1-8-7 he needs to use the code and break it down on his experience and CE, etc. And provide any documentation he has (agendas, sign in sheets, etc.), and he can do an affidavit. The 9 hours for teaching is verified with what you have already sent beyond that, he needs to provide proof. He also needs to provide verification of employment. Be sure that he has 16 hours of HSW—it needs to be documented.

- B. NCARB Record File vs. IN Board Requirements**
Re: A comparison (K. Smith and A.S. Jones)

IN has not been accepting the Blue Cover—endorsement applications—From NCARB. What exactly is the reason(s) that we cannot take the blue cover at face value. It is based upon education and the lack thereof. Does the board want to continue with what has been going on or accept the blue cover? State's have to decide whether they'll accept the blue cover or not. We would have to change our laws in order to be able to accept blue covers without looking underneath the cover. Does the board trust NCARB? Folks coming in for licensure without an NCARB file will have to go before the board for review in order to be approved.

XII. BOARD DIRECTOR'S REPORT

- A. NCARB Annual Meeting**

It was an excellent meeting. Scott Veazey was elected President Elect. Kato and Angela were in attendance.

- B. BEFA/BEA**

NCARB will come to the September board meeting to give a presentation on BEA (Broadly Experienced Architect Program) and BEFA (Broadly Experienced Foreign Architect Program). This will enlighten the board as to the alternative routes to certification of an NCARB record.

- C. CLARB Annual Meeting**

The meeting is being held in Baltimore Maryland at the end of August. Staff is checking on the availability of funding.

XIII. OLD/NEW BUSINESS

- A. Investigative Fund (Fee) Rules**
