

# **STATE BOARD OF DENTISTRY**

## **POSITION STATEMENT**

### **CLINICAL LICENSURE EXAMINATION FOR DENTIST**

The State Board of Dentistry requires passing a clinical licensure examination given by one of the following entities:

North East Regional Board of Regional Dental Examiners (NERB)  
Central Regional Dental Testing Service Examination (CRDTS)  
Southern Regional Testing Agency Examination (SRTA)  
Western Regional Examining Board (WREB).

At this time the scaling exercise is optional for dentist. However, the Board is working to include this exercise as a requirement in the future by administrative rule.
