A. For Licensure Personal appearances were held in Conference Center Room C at 8:30 a.m

1. Jenices Anderson LPN Exam Grad date 2002/Previous testing attempts

Ms. Anderson appeared for her personal appearance regarding her application for licensure. She graduated in 2002 and tested twice in 2015. She has always been in the healthcare field working as a medical assistant. Things happened in her life that put her nursing career on hold. She is currently enrolled in Kaplan and is a registered medical assistant. She became a registered medical assistant in 2014. She has been working as a medical assistant since 1994. Both times she took the NCLEX it was in Illinois. She submitted proof that she was enrolled in Kaplan. Due to the fact that Ms. Anderson has remained in the healthcare field ALJ Russell recommends the following: She must complete the review course and provided documentation to the board showing she has a 95% or greater chance of passing NCELX. Once this is received reports she will be allowed to test. Upon passing her license will be issued on probation for six months active practice with quarterly reports.

She had gotten a job and was on a transitional program. In 1999, she was arrested and told she had to pay that money back. She paid it back. She forgot about this matter until this process. She is studying everyday, 100 questions a day. Due to being an LPN ALJ Russell recommends the following: Ms. Cowgill be allowed to test. Upon passage her license be issued free and clear.

He asked the officer to help the guy. He was pulled out of the vehicle. The police had a gun pulled on him. He asked the policeman if he was going to shoot him. He asked this question twice. He was then arrested for resisting arrest. He went to court. He was found guilty and was on probation for a year. He successfully completed his criminal probation. Mr. Barhams submitted four letters of reference. Due to the fact that this issue happened in 2012, it is his only offense, and successfully completion of his criminal probation, ALJ Russell recommends the following: He be allowed to test and upon passage his license to be issued free and clear.
