

Indiana Card Scan Processing Procedures

Applicants who reside out of state, or are physically unable to go to a location to be fingerprinted may use IdentoGO Card Scan Processing Program. This program utilizes advanced scanning technology to convert a traditional fingerprint card (hard card) into an electronic fingerprint record. Converting a “hard card” into an electronic record enables an applicant to have their fingerprint record processed as quickly as if they had traveled to an electronic fingerprint processing location. The section below details the procedures for submitting fingerprints to the Card Scan Processing Unit.

Indiana Licensing and Certification

- Applicants must go online to the IdentoGO® website (www.identogo.com) or call the toll free registration center at 1-877-472-6917 and complete the registration process. During the registration process, applicants should select “**Pay for Ink Card Submission**” on the Appointment Details page. This will identify to IdentoGO that a hard card will be mailed in for conversion to an electronic fingerprint record which will then be submitted to the Indiana State Police.

The screenshot shows the IdentoGO website interface for the 'Appointment Details' page. At the top left is the IdentoGO logo, and at the top right are language options for 'English' and 'Español'. Below the 'Indiana' header, the page title is 'Appointment Details' with a '[Return to Main]' link. A notice states: 'If you are using assistive technology (such as a screen reader) or have problems using the scheduler below, please follow this link to our alternative appointment scheduler.' Below this notice is a blue button labeled 'Pay for Ink Card Submission', which is circled in red. Underneath is a form with two options: 'Enter a zip code to determine the closest fingerprinting location.' with a 'go.' button, and 'Please choose the region you will be in for your identification appointment.' with a dropdown menu set to 'CENTRAL REGION' and a 'go.' button. At the bottom of the form is a map of Indiana with the text 'Click here for a map of Indiana™' overlaid on it.

- Applicants should complete the entire registration process; a confirmation number will be supplied at the end of the registration process. This number should be retained by the applicant for tracking purposes. The confirmation number must be included in with your fingerprint card when it is submitted to IdentoGO for proper processing.
- Fingerprints must be submitted on standard FBI applicant cards (FD-258); use of other types of fingerprint cards may delay your processing. FBI applicant cards are available from your employing or licensing agency. *Due to agency specific information, IdentoGO does not provide fingerprint cards to applicants.*
- Applicants should obtain a set of fingerprints from a local law enforcement agency or other entity that provides fingerprinting services. These fingerprint cards may be either traditional ink rolled fingerprints or electronically captured and printed fingerprint cards.

- Applicants need to make sure the following information is completed on the fingerprint card. **Required information includes: Full name, Date of Birth, and Address. Please include the payment confirmation number provided at the end of making your payment with your card (if you pre-paid).**
- Applicants for Department of Children's Services (DCS) must have approval from DCS COBCU to submit a hard card for processing via this method. Applicants must include a copy of their email from COBCU authorizing the submission of a hard card. Failure to include a copy of the email from COBCU will result in the card being returned to the applicant and will delay the process.
- If paying by Business Check or Money Order, include the full name of the applicant on each check or money order. If one Business Check or Money Order is being used as payment for more than one applicant, please include a list of all applicant names covered by the check. Personal checks are not accepted.
- The fingerprint card along with the appropriate fee, if required and not paid by Escrow Account or Credit Card at the end of registration, should then be sent to the following address (for tracking & security reasons, it is recommended that a shipping service with tracking service be utilized):

*IDENTOGO
Cardscan Department
6840 Carothers Parkway, Suite 650
Franklin, TN 37067-9929*

- Please include at least two (2) means of contact for each applicant for which a fingerprint card is submitted to allow IdentoGO to ask any questions related to the processing of the fingerprint card (for example, a daytime and evening telephone number or a cell phone number and email address, etc).
- Applicants wishing to verify that a fingerprint card has been processed may call 877-472-6917 and speak with a customer service representative. Please allow 3 days from date of receipt before contacting IdentoGO regarding processing status.

Failure to complete the process as stated on these instructions will result in the card being returned to the applicant, which will delay the process.
