**Governor Mitchell E. Daniels, Jr.**

---

### Reminder:

It has come to the attention of the Board of Pharmacy in the last few months that a number of qualifying pharmacists have left the employ of one pharmacy and relocated to another but have failed to notify the Indiana Board of Pharmacy of that change. As such, it is creating a condition of non compliance for all involved.

The responsibility of the pharmacist is to notify the Board that they are no longer serving as the qualifying pharmacist at the pharmacy of record. The responsibility of the pharmacy is to notify the Board by filing a change of qualifying pharmacist application in order to be in compliance with the requirements of the pharmacy permit.

Until both parties have successfully completed this obligation as a condition of licensure, all will remain in noncompliance and may be subject to any and all applicable penalties.

Please visit our website: [www.bop.IN.gov](http://www.bop.IN.gov) for additional information and the application for change of qualifying pharmacist.
