Re: Notice – Extension of the Approved Use of *Transfersafe* System by Walgreens Company

OFFICIAL NOTICE

Dear License Holders:

Please note that the Indiana Board of Pharmacy officially voted at its April 9, 2012 meeting to extend the temporary variance enabling Walgreens Company to utilize the *TransferSafe* system for an additional six months, beginning on April 9, 2012.

It is the Board's intention to permit this temporary variance to serve the transition period caused by the Express Script contract termination. In the event Walgreens determines that more than 180 days is needed, Walgreens shall petition the Indiana Board of Pharmacy and provide a reasonable basis for such a request.

Please see the previous "Notice – Approval of Use of *Transfersafe* System by Walgreens Company" dated January 9, 2012 for additional details.

Sincerely,

Phil Wickizer
