SECOND INJURY FUND  
STATUS REPORT

To Indiana's Workers' Compensation Community:

We are nearing the end of 2017 with the Second Injury Fund in the black. The fund has sufficient monies to pay its obligations through the end of December, leaving a chunk of change in reserve to offset next year's assessment.

The balance remaining in the Fund as of this date is \$3,383,380. Monthly payouts average roughly \$500,000, \$100,000 of which goes to replace prostheses. Disbursements for 2016 totaled \$6,298,675. In accordance with IC 22-3-3-13(c) (2), an assessment is appropriate for 2018, as the assets in the Fund on or before November 1st are less than 135% of the previous year's payments.

Please don't hesitate to contact me if you have questions or wish to discuss this report or any other aspect of the SIF. Our final report and analysis will follow at the end of December, along with the formula for the 2018 assessment.

Happy Fall!

Yours very truly,

Linda Peterson Hamilton
